Pearson plc - Notification of Directors' Interests

Pearson today announces the following changes in directors' interests in Pearson ordinary shares of 25p each ("shares").

The company yesterday made a grant of restricted shares to executive directors under its existing Long-Term Incentive Plan. This represents the company's annual grant of long-term incentives to executive directors for 2009.

The earliest normal vesting date on which shares may be released is 3 March 2012. Subject to meeting certain performance conditions in full, and the retention of shares that vest on 3 March 2012 for a further two years, the maximum number of shares that the following executive directors may receive is: Marjorie Scardino (450,000); Will Ethridge (175,000); Rona Fairhead (150,000); Robin Freestone (150,000); and John Makinson (150,000).

One third of the award will be based on Pearson's total shareholder return performance relative to the constituents of the FTSE World Media Index over the three-year period 2009 to 2012. Another third of the award will be based on Pearson's return on invested capital in 2011. The final third of the award will be based on Pearson's growth in earnings per share over the period 2008 to 2011. The conditions and vesting arrangements will be set out in more detail in the report on directors' remuneration for 2009.
