RYANAIR JUNE TRAFFIC GROWS 14% TO 9.5M CUSTOMERS

LOAD FACTOR RISES 5% POINTS TO 93%

Ryanair, Europe's favourite airline, today (2 July) released customer and load factor statistics for June as follows:

- Traffic grew 14% to 9.5m customers.
- Load factor rose 5% points to 93%.
- Rolling annual traffic to June grew 14% to 94.3m customers.

| | June 14 | June 15 | Change |
|-------------|---------|---------|--------|
| Customers | 8.3M | 9.5M | +14% |
| Load Factor | 88% | 93% | +5% |

Ryanair Chief Marketing Officer, Kenny Jacobs said:

"Ryanair's June traffic grew by 14% to 9.5m customers, while our load factor jumped by 5% points to 93%, thanks to our lower fares, our stronger forward bookings and the continuing success of our "Always Getting Better" customer experience improvement programme, which continues to deliver better than expected load factors on our significantly expanded summer schedule.

Alongside our new routes, increased frequencies, Business Plus and Family Extra services, Ryanair customers can now look forward to further service enhancements, as we roll out Year 2 of our AGB programme in 2015, which includes a new website, new app, new cabin interiors, new crew uniforms, improved inflight menus, reduced fees, and great new digital features such as 'hold the fare' and price comparison services, as Ryanair continues to deliver so much more than just the lowest fares."
