Forward-Looking Statements

This presentation contains forward-looking statements as defined under the Federal Securities Laws. Actual results could differ materially from those projected in the forward-looking statements as a result of certain risk factors, including but not limited to: (i) risks associated with strategic investments and acquisitions, including the challenges and costs of closing, integration, restructuring and achieving anticipated synergies associated with the acquisition (ii) adverse changes in general economic or market conditions; (iii) delays or reductions in information technology spending; (iv) the transition to new products, the uncertainty of customer acceptance of new product offerings, and rapid technological and market change; (v) insufficient, excess or obsolete inventory; (vi) competitive factors, including but not limited to pricing pressures; (vii) component quality and availability; (viii) the relative and varying rates of product price and component cost declines and the volume and mixture of product and services revenues; (ix) war or acts of terrorism; (x) the ability to attract and retain highly qualified employees; (xi) fluctuating currency exchange rates; and (xii) other one-time events and other important factors disclosed previously and from time to time in EMC's filings with the U.S. Securities and Exchange Commission.

For More Information:

In connection with the proposed transaction, EMC and Legato intend to file a proxy statement/prospectus with the U.S. Securities and Exchange Commission (the SEC). Investors and security holders of EMC and Legato are advised to read the proxy statement/prospectus when it becomes available, because it will contain important information about EMC, Legato and the proposed transaction. Investors and security holders may obtain a free copy of the proxy statement/prospectus, when available, and other documents filed by EMC and Legato with the SEC at the SEC's website at www.sec.gov. Free copies of the proxy statement/prospectus, when available, and each company's other filings with the SEC also may be obtained from the respective companies. Free copies of EMC's filings may be obtained by directing a request to EMC. You can request this information via the web at www.EMC.com/IR/request or by sending a written request to EMC Investor Relations, 176 South Street, Hopkinton, MA 01748. Free copies of Legato's filings may be obtained by directing a request to Legato Investor Relations, 2350 West El Camino Real, Mountain View, CA 94040 or via the web at http://portal1.legato.com/corporate_info/investors/.

LEGATO, its directors and executive officers may be deemed to be participants in the solicitation of proxies from LEGATO stockholders in favor of the proposed transaction. A description of the interests of the directors and executive officers of LEGATO is set forth in LEGATO's proxy statement for its 2003 annual meeting, which was filed with the SEC on April 30, 2003. Investors and security holders may obtain additional information regarding the interests of such potential participants by reading the definitive proxy statement/prospectus and the other relevant documents filed with the SEC when they become available.

EMC & Legato: Integration aspects

Leadership

- Legato will be a division of EMC
- David Wright joins EMC as President of Legato division and EVP of EMC
- Development brought together under one team matrixed with Mark Lewis

© 2003 EMC Corporation. All rights reserved. 15

EMC & Legato: Integration aspects

Product

- EMC will continue to support EDM
- NetWorker will become our primary backup/recovery offering we will incorporate key EDM features

© 2003 EMC Corporation. All rights reserved. 16

EMC & Legato: Integration aspects

Go to market

- Legato's sales/distribution, led by David Wright, to remain independent to maintain the focus on this open software
Will continue to leverage Legato's strong channel partners and brand
- We will leverage our enterprise account presence and direct sales organization to accelerate revenue growth
- Over time, the independent selling capability will be leveraged to sell additional Open Software products

The Legato Perspective

David B. Wright

Legato Chairman, President & CEO

© 2003 EMC Corporation. All rights reserved. 18

Why Now for Legato? Why EMC?

Why Now for Legato?

- Customers demanding complete solutions to manage all their information
 - Lower TCO
 - Managing complexity/compliance needs
- Legato well-positioned in core markets and in high-growth opportunities in content and messaging management
- However the combined opportunity is greater
 - Create the most complete ILM software vendor in the industry
 - More resources to capture market opportunities
 - Accelerate growth and profitability

© 2003 EMC Corporation. All rights reserved. 19

Why Now for Legato? Why EMC?

Why EMC?

- Common approach to Information Lifecycle Management, with focus on delivering protection, availability and access solutions around key customer pain points
- EMC's scale
 - Extensive R&D resources
 - Global distribution and world-class support
 - Financial strength
- Highly complementary fit (products, sales)
- Cultural fit - we know the team well
- EMC's commitment to Open Software
 - Legato to operate as a division of EMC to maximize software sales
