This Amendment No. 1 is being filed to furnish *pro forma* financial information as required by Article 11 of Regulation S-X in connection with the transaction described in Item 2 of this Current on Form 8-K, originally filed on July 22, 2003.

Item 7. Financial Statements and Exhibits

(a) Not applicable.

(b) Pro Forma Financial Information.

The following unaudited pro forma condensed statement of operations of Metro-Goldwyn-Mayer Inc. (MGM) for the year ended December 31, 2002 gives effect to (i) the sale by MGM to Cablevision Systems Corporation (Cablevision) of (x) MGM's 20% interest in American Movie Classics Company, a New York general partnership, which is the owner of the programming channels American Movie Classics and WE: Women's Entertainment, and (y) MGM's 20% interest in The Independent Film Channel LLC, a Delaware limited liability company, which is the owner of the programming channel The Independent Film Channel (collectively, the 2003 Sale Assets), in each case on July 18, 2003 and (ii) the sale by MGM to an affiliate of the National Broadcasting Company of MGM's 20% partnership interest in the Bravo Company which was a New York general partnership and the owner of the programming channel Bravo (the 2002 Sale Assets), which closed on December 5, 2002, as if the sales of the 2003 Sale Assets and the 2002 Sale Assets had occurred on January 1, 2002. The unaudited pro forma condensed statement of operations for the six months ended June 30, 2003 gives effect to the sale of the 2003 Sale Assets as if the sale had occurred on January 1, 2003. The unaudited pro forma condensed balance sheet at June 30, 2003 gives effect to the sale of the 2003 Sale Assets as if the sale occurred on June 30, 2003.

The total purchase price for the sale by MGM of the 2003 Sale Assets was \$500,000,000, which comprised \$250,000,000 in cash and a \$250,000,000 promissory note in favor of MGM that matures on December 18, 2003 (the Note). The Note requires Cablevision to make monthly payments of \$2,500,000 and bears interest at LIBOR, as defined in the Note, plus 4 percent per annum. At maturity, Cablevision can elect to repay the remaining balance of the Note in cash or in Cablevision NY Group Class A Common Stock. During the quarter ended June 30, 2003, MGM recorded a write-down of its investment in the 2003 Sale Assets of \$93,059,000 because its investment in the 2003 Sale Assets exceeded the net selling price.

The total purchase price for the sale by MGM of the 2002 Sale Assets was \$250,000,000 in cash. During the year ended December 31, 2002, MGM recorded a gain of \$32,514,000 on the sale of the 2002 Sale Assets.

(c) Not applicable.

The pro forma adjustments are based upon currently available information and upon certain assumptions that management of MGM believes are reasonable. The adjustments included in the unaudited pro forma condensed financial statements represent MGM's preliminary determination of these adjustments based upon available information. There can be no assurance that the actual adjustments will not differ from certain of the pro forma adjustments reflected in the pro forma financial information.

The unaudited pro forma condensed financial statements are based on the historical financial statements of MGM and the assumptions and adjustments described in the accompanying notes. MGM believes that the assumptions on which the unaudited pro forma condensed financial statements are based are reasonable. The unaudited pro forma condensed financial statements are provided for informational purposes only and do not purport to represent what MGM's financial position or results of operations actually would have been if the foregoing transactions occurred as of the dates indicated or what such results will be for any future periods. The unaudited pro forma condensed financial statements should be read in conjunction with the Consolidated Financial Statements and the related notes thereto included elsewhere in this filing.
