**METRO-GOLDWYN-MAYER INC. ANNOUNCES INTENTION TO  
COMMENCE A DUTCH AUCTION TENDER OFFER; INCREASES  
OPEN MARKET SHARE REPURCHASE AUTHORIZATION**

Metro-Goldwyn-Mayer Inc. (NYSE: MGM) announced today that its Board of Directors has approved a Dutch Auction tender offer to purchase up to 10,000,000 shares of its common stock at a price per share not less than \$16.25 and not greater than \$18.00. In addition, the Board of Directors increased its authorization for the Company's open market share repurchase program by an additional 2,500,000 shares, to a total of 5,012,000 shares.

The number of shares proposed to be purchased in the Dutch Auction tender offer represents approximately 4.1% of MGM's currently outstanding shares. The tender offer is expected to commence before the end of the year. The purchase will be financed primarily from cash on hand, from free cash flow and, if necessary, from the Company's existing revolving credit facility. The closing price per share of MGM's common stock on the NYSE on November 12, 2003 was \$16.25 per share.

MGM's largest shareholder, Tracinda Corporation, has advised MGM that Tracinda Corporation and Kirk Kerkorian do not intend to tender any shares beneficially owned by them in the tender offer.

Alex Yemenidjian, Chairman of the Board and Chief Executive Officer of MGM, commented: We believe that repurchasing our stock furthers our goal of maximizing shareholder value. At the same time, by sharing wealth with our public shareholders, we are giving those shareholders who wish to sell shares an opportunity to do so at a price that might enable them to realize a premium.

Under the procedures for a Dutch Auction tender offer, MGM's shareholders will have the opportunity to tender some or all of their shares at a price within the \$16.25 to \$18.00 range per share. Based on the number of shares tendered and the prices specified by the tendering shareholders, MGM will determine the lowest per share price within the range that will enable it to buy 10,000,000 shares, or such lesser number of shares that are properly tendered and not withdrawn. All shares accepted in the tender offer will be purchased at the same determined price per share regardless of whether the shareholder tendered at a lower price. If holders of more than 10,000,000 shares properly tender and do not withdraw their shares at or below the determined price per share, then MGM will purchase shares tendered by those shareholders owning fewer than 100 shares without pro ration, and all other shares will be purchased on a pro rata basis, subject to the conditional tender offer provisions that will be described in the offer to purchase that will be distributed to shareholders. Shareholders whose shares are purchased in the offer will be paid the determined purchase price net in cash, without interest, after the expiration of the offer period. The offer is not contingent upon any minimum number of shares being tendered. The offer is subject, however, to a number of other terms and conditions to be specified in the offer to purchase that will be distributed to shareholders. No brokerage fees or commissions will be charged to holders who tender their shares.

Neither MGM nor its Board of Directors, financial advisor or information agent is making any recommendation to shareholders as to whether to tender or refrain from tendering their shares into the tender offer. Shareholders must decide how many shares they will tender, if any, and the price within the stated range at which they will offer their shares for purchase by MGM.

With respect to the open market share repurchase program, the Company's original authorization, announced on July 26, 2002, was for a total of 10,000,000 shares. To date, MGM has repurchased 7,488,000 shares pursuant to that authorization, leaving 2,512,000 shares remaining available for purchase within the initially authorized amount. When the remaining amount is combined with today's additional authorization, the Company will be permitted to repurchase approximately 5,012,000 shares. Pursuant to the share repurchase program, the Company may repurchase shares from time to time in the open market subject to applicable regulatory requirements. Whether or to what extent the Company chooses to make such purchases will depend upon market conditions and the Company's capital needs, and there is no assurance that the Company will conclude such purchases for any or all of the authorized amounts remaining. No such purchases will be made by MGM before or during the pendency of the tender offer or for at least 10 business days following termination of the offer.

The financial advisor for the tender offer will be Morgan Stanley & Co. Incorporated and the information agent will be D.F. King & Co., Inc. The offer to purchase and related documents will be mailed to shareholders of record and also will be made available for distribution to beneficial owners of MGM's common stock. For questions and information, please call the information agent toll free at 800-549-6697.
