ANNUAL STOCKHOLDERS MEETING

February 17, 2004

Grove Park Inn

290 Macon Avenue

Asheville, North Carolina 28804

PROXY STATEMENT

The Board of Directors of Ingles Markets, Incorporated (the Company) furnishes you with this Proxy Statement to solicit proxies on its behalf to be voted at the 2004 Annual Meeting of Stockholders of the Company. The meeting will be held at the Grove Park Inn, 290 Macon Avenue, Asheville, North Carolina, on Tuesday, February 17, 2004, at 1:00 p.m. local time, for the purposes set forth in the Notice of Annual Meeting of Stockholders that accompanies this Proxy Statement. The proxies also may be voted at any adjournments or postponements of the meeting. The Company is sending this Proxy Statement to each holder of record of the Company's Class A Common Stock, \$.05 par value per share (Class A Common Stock) and Class B Common Stock, \$.05 par value per share (Class B Common Stock) as of January 5, 2004, the record date for the meeting (the Record Date). Class A Common Stock and Class B Common Stock are sometimes referred to collectively in this Proxy Statement as Common Stock.

The Company's principal executive offices are located at 2913 U.S. Highway 70 West, Asheville (Black Mountain), North Carolina 28711. This Proxy Statement and the accompanying forms of proxy are first being sent or given to stockholders on or about January 14, 2004.

Execution and Revocation of Proxies

If a stockholder completes and signs one of the enclosed proxies as instructed and returns the proxy to the Secretary of the Company in care of the Company's transfer agent, Wachovia Bank, N.A., so that it is received at or before the Annual Meeting, the shares of Common Stock represented by the proxy will be voted at the Annual Meeting in accordance with the instructions on the proxy. Proxies that are not properly executed or are not received by the Secretary at or before the Annual Meeting will not be effective.

A duly authorized person should sign each proxy on the stockholder's behalf if the stockholder is a corporation or partnership. If the shares of Common Stock represented by a proxy are registered in more than one name, each registered owner should sign the proxy. If an authorized person executes the proxy pursuant to a power of attorney or as an executor, administrator, trustee or guardian, the person should include his or her full title on the proxy and enclose a certificate or other evidence of appointment with the proxy when delivering it to the Secretary. Proxies

Edgar Filing: INGLES MARKETS INC - Form DEF 14A

that are not properly executed will not be effective.

A stockholder can revoke a proxy at any time prior to the exercise of the authority granted under that proxy. A proxy may be revoked by a stockholder in any of the following ways:

by attending the Annual Meeting and giving oral notice of the stockholder's election to vote in person;

by delivering to the Secretary an instrument revoking the proxy; or

by delivering a later-dated, properly executed proxy with respect to shares covered by the original proxy.

Table of Contents

Action to Be Taken under the Proxy Cards

Unless instructed otherwise on a proxy, shares of Common Stock represented by a properly executed proxy will be voted at the Annual Meeting **For** the election of each of the Board of Directors nominees named under the heading **Election of Directors**. Shares of Common Stock represented by a properly executed proxy marked **For** under proposal 2 will be voted **For** the proposed amendment to the Company's Articles of Incorporation described on pages 17 and 18 of this Proxy Statement. As of the date of this Proxy Statement, the Company's management knows of no other matter to be brought before the Annual Meeting. Should any other matter properly come before the Annual Meeting, all shares of Common Stock represented by effective proxies will be voted, at their discretion, by the persons acting under such proxies.

Voting Rights

Only holders of record of shares of Class A Common Stock or Class B Common Stock at the close of business on the Record Date are entitled to vote at the meeting or adjournments or postponements of the meeting. At the close of business on the Record Date, there were 10,762,332 shares of Class A Common Stock and 12,384,391 shares of Class B Common Stock outstanding.

Quorum Requirements. The presence in person or by proxy of holders of a majority of the outstanding shares of Class A Common Stock constitutes a quorum for purposes of the election of directors by the holders of Class A Common Stock. The presence in person or by proxy of holders of a majority of the outstanding shares of Class B Common Stock constitutes a quorum for purposes of the election of directors by the holders of Class B Common Stock. For purposes of the separate class vote of the holders of Class B Common Stock with respect to the proposed amendment of the Articles of Incorporation discussed below, the presence in person or by proxy of holders of a majority of the outstanding shares of Class B Common Stock will also constitute a quorum. If holders of shares possessing a majority of the aggregate votes represented by the Class A Common Stock and Class B Common Stock, taking into account the ten votes per share attributable to the Class B Common Stock, are present at the Annual Meeting in person or by proxy, a quorum will be present for purposes of their combined vote on the proposed amendment to the Company's Articles of Incorporation and any other matter that may be presented at the Annual Meeting. Abstentions with respect to a proposal and broker non-votes are counted for purposes of establishing a quorum. A broker non-vote occurs if a broker does not receive instructions from the beneficial owner of shares held in street name for certain types of proposals and the broker indicates it does not have authority to vote such shares.

Election of Directors. If a quorum of each class is present at the Annual Meeting, the holders of Class A Common Stock, voting as a class, will elect three directors, and the holders of Class B Common Stock, voting as a class, will elect six directors. Each stockholder will have one vote for each share of Common Stock held by the stockholder as of the Record Date. Pursuant to the North Carolina Business Corporation Act, directors will be elected by a plurality of the votes cast by the holders of shares entitled to vote in the election. Thus, abstentions and broker non-votes will not be included in vote totals and will not affect the outcome of the vote.

Because the Company was a public corporation on the Record Date, cumulative voting will not be applicable to the election of directors at the Annual Meeting.

Other Matters. Unless otherwise provided in the Company's Articles of Incorporation or the North Carolina Business Corporation Act, holders of Class A Common Stock and Class B Common Stock would vote as a single class with respect to any other matter, including the proposed amendment to the Company's Articles of Incorporation, that may be voted upon at the Annual Meeting. In any such vote, stockholders would be entitled to one vote for each share of Class A Common Stock held as of the Record Date and ten votes for each share of Class B Common Stock held as of the Record Date. For purposes of any such vote, if a quorum is present, a proposal will pass if the votes cast for the action exceed the

Edgar Filing: INGLES MARKETS INC - Form DEF 14A

votes cast against the action, unless otherwise provided in the Company's Articles of Incorporation or the North Carolina Business Corporation Act. Shares not voted with respect to any such matters (whether by abstention or broker non-vote) would not be included in vote totals and would not impact the vote. Pursuant to the North Carolina Business Corporation Act, the proposed amendment to the

-2-

Table of Contents

Company's Articles of Incorporation must be approved by holders of at least a majority of the votes entitled to be cast by holders of Class A Common Stock and Class B Common Stock voting together and a majority of the votes entitled to be cast by holders of Class B Common Stock voting as a separate class, in each case, outstanding and entitled to vote at the meeting. Therefore, shares constituting abstentions and broker non-votes will be considered shares entitled to vote at the meeting and will be counted as a vote against the proposal. As of the date of this Proxy Statement, the Company knows of no matters other than the election of directors and the proposed amendment to the Company's Articles of Incorporation to be presented for action at the Annual Meeting.

ELECTION OF DIRECTORS

Each member of the Board of Directors (the Board) is elected for a term of one year and until their successors are elected and qualified or until their earlier death, resignation or removal from office. The Company's Articles of Incorporation and Bylaws provide that the Board may from time to time fix by resolution the number of directors that constitutes the Board, which shall be not less than five nor more than eleven. The Board has determined by resolution that the number of directors will be fixed at nine until the 2005 Annual Meeting. In accordance with the Company's Articles of Incorporation and Bylaws, three of the nine directors will be elected by a vote of the holders of the Class A Common Stock and the remaining six directors will be elected by a vote of the holders of the Class B Common Stock.

Identification of Directors and Executive Officers

The Board has nominated, and recommends a vote FOR, John O. Pollard, J. Alton Wingate and Charles L. Gaither, Jr. as directors to be elected by the holders of the Class A Common Stock and Robert P. Ingle, James W. Lanning, Robert P. Ingle, II, Charles E. Russell, Laura Ingle Sharp and Brenda S. Tudor as directors to be elected by the holders of the Class B Common Stock.

All of these nominees are currently directors. Proxies received by the Board will be voted **For** the election of all of the nominees unless stockholders specify a contrary choice in their proxy. It is not anticipated that any nominee for election as a director will become unable to accept the nomination, but if such an event should occur the person or persons acting under the proxies will vote for any substitute nominee who may be designated by the Board. The person or persons acting under the proxies will vote for no more or fewer than nine nominees, unless the Board votes to change the number of directors, or fewer than nine individuals are nominated at the Annual Meeting.

Committees of the Board of Directors

The Board had three standing committees during fiscal 2003: an Executive Committee, an Audit/Compensation Committee and a Human Resources Advisory Committee. The Company did not have a separate nominating committee during fiscal 2003. The Company qualifies as a Controlled Company under the Nasdaq Marketplace Rules as Mr. Robert P. Ingle controls more than 50% of the Company's voting power, as evidenced by the Company's ownership records. As a Controlled Company, the continued listing requirements of Nasdaq do not require the Company to have a nominating committee.

The Executive Committee. The Executive Committee can exercise the powers of the full Board between meetings of the Board, except for powers that may not be delegated to a committee of the Board under the North Carolina Business Corporation Act. During fiscal 2003, the Executive Committee consisted of Messrs. Robert P. Ingle, James W. Lanning (from the date of his appointment to the Board) and Brenda S. Tudor.

The Audit/Compensation Committee. The Board has established, through the Company's Bylaws, an Audit/Compensation Committee. When acting in its capacity as Audit Committee, this committee acts under the authority of and has the responsibilities described in the Company's Audit Committee Charter. The Audit Committee Charter was attached as Appendix A to the Company's proxy statement for its 2003 annual meeting of stockholders. In this capacity, the committee is responsible for, among other things, engaging the Company's independent auditors, approving the fees and services to be provided by the auditors, overseeing the auditors, reviewing and evaluating significant matters relating to the audit and internal controls of the Company; and reviewing the scope and results of audits by, and

Table of Contents

recommendations of, the Company's independent auditors. In addition, the committee reviews the audited financial statements of the Company and considers major changes and questions of choice regarding appropriate auditing and accounting principles and practices to be followed in the preparation of the Company's financial statements.

When the committee is acting as the Compensation Committee, the Board has empowered the committee to:

approve compensation levels and increases in compensation of each executive officer and of other employees of the Company whose annual base salary is in excess of \$100,000; and

approve all incentive payments to executive officers and any incentive payments in excess of \$25,000, paid in cash or property, in any calendar year to any other employee.

Furthermore, the committee, when acting as the Compensation Committee, administers the Company's employee benefit plans and other compensation matters where independent, disinterested administration is required by applicable tax or securities laws and regulations. Where such laws or regulations require that grants or awards under the Company's stock-based employee benefit plans be made by the full Board or by a committee of non-employee or outside directors, the committee or the Board, as appropriate, makes such decisions.

During fiscal 2003, the Audit/Compensation Committee consisted of Messrs. Pollard, Russell and Wingate. The Board has determined that each member of the Committee is independent for purposes of the provisions of the Sarbanes-Oxley Act of 2002 and the recently revised Nasdaq Marketplace Rules regarding audit committees. In making this determination, the Board specifically reviewed the relationship Mr. Pollard has with the law firm McGuireWoods, LLP, which from time to time handles labor matters for the Company. Until January 1, 2002, Mr. Pollard was a partner in this law firm. As of January 1, 2002, Mr. Pollard became a non-equity partner of the firm, which although including the term "partner" in the title is a salaried, employee position. Mr. Pollard does not personally provide any of the legal services that his firm performs for the Company. Based on information provided by Mr. Pollard, the Board has determined that Mr. Pollard does not share in the profits of the law firm and thus does not indirectly receive any of the legal fees paid by the Company to such firm and has not received any of such fees since January 1, 2002. Further, based on information provided by Mr. Pollard, the Board has determined that his compensation is not directly affected by the receipt of payments by McGuireWoods from the Company. Therefore, the Board has determined that Mr. Pollard does not, directly or indirectly, receive any consulting, advisory or other compensatory fee from the Company. All the members of the Audit/Compensation Committee qualify as independent for purposes of such rules as they apply to compensation committees.

The Board has also determined that Mr. Russell is an audit committee financial expert as defined under recently adopted rules of the Securities and Exchange Commission, who is independent of management of the Company.

The Human Resources Advisory Committee. The Human Resources Advisory Committee was established in August 1998 to oversee certain of the Company's human resources compliance policies and programs. Ms. Tudor, Ms. Sharp and Mr. Wingate are members of this committee.

Compensation Committee Interlocks and Insider Participation in Compensation Decisions

All compensation decisions made during fiscal 2003 that were not made exclusively by the Board or the Audit/Compensation Committee were made by the Chief Executive Officer, in certain instances in consultation with the President and Chief Operating Officer. Messrs. Pollard,

Edgar Filing: INGLES MARKETS INC - Form DEF 14A

Russell and Wingate, who are the members of the Audit/Compensation Committee, were not officers or employees of the Company or its subsidiaries during fiscal 2003 or any prior fiscal year.

While Messrs. Pollard and Wingate do not have any employment relationship with the Company, they do have certain other relationships with the Company. Mr. Pollard is an attorney with the law firm of McGuireWoods, LLP which, from time to time, handles labor matters for the Company. During fiscal 2003, the Company accrued

-7-

Table of Contents

approximately \$22,452 in fees for services rendered by that firm. Mr. Wingate is Chairman, Chief Executive Officer and President of Community Bankshares, Inc. and is an officer and director of its subsidiaries, Financial Supermarkets, Inc. and Community Bank & Trust. Financial Supermarkets, Inc. provides services to the Company in connection with the placement of banks within the Company's supermarkets. During fiscal 2003, the Company paid approximately \$131,977 in fees for services rendered by Financial Supermarkets, Inc.

The Company believes that the transactions described above between the Company and each of McGuireWoods, LLP and Financial Supermarkets, Inc. have been and will continue to be on terms no less favorable to the Company than those available from unaffiliated third parties in transactions negotiated at arms-length.

Meetings of the Board of Directors and Committees

The Board held four formal meetings during fiscal 2003. The Executive Committee held no formal meetings during fiscal 2003, but met on an informal basis. The Audit/Compensation Committee held six formal meetings during fiscal 2003, and met on an informal basis during board meetings. The Human Resources Advisory Committee held no formal meetings during fiscal 2003, but received updates on human resource issues as needed at quarterly Board meetings. Each director attended at least 75% of all meetings of the Board and of the committees of the Board on which he or she served during fiscal 2003. See **Committees of the Board of Directors**.

Directors who were not officers of the Company received a fee of \$500 for each Board or committee meeting they attended in person in fiscal 2003.

Director Nominations

As noted above, the Company did not have a standing nominating committee in fiscal 2003. Historically, the Board of Directors has not considered a nominating committee necessary in that there have been few vacancies on the Company's Board, and vacancies have been filled through discussions between the Chairman and the Chief Financial Officer of the Company with input from other Board members as needed. Under the Company's Articles of Incorporation, 25% of the directors of the Company are elected by the holders of Class A Common Stock and the remaining directors are elected by holders of the Class B Common Stock. Mr. Ingle, the Chairman and Chief Executive Officer of the Company, is also the majority holder of shares of Class B Common Stock.

The Company has not received director candidate recommendations from its stockholders and does not have a formal policy regarding consideration of such recommendations. However, any recommendations received from stockholders will be evaluated in the same manner that potential nominees suggested by board members, management or other parties are evaluated. The Company does not intend to treat stockholder recommendations in any manner different from other recommendations.

The Board has not adopted a policy with respect to minimum qualifications for board members. Conversely, with respect to each individual vacancy, the Board has determined the specific qualifications and skills required to fill that vacancy and to complement the existing qualifications and skills of the other Board members.

Edgar Filing: INGLES MARKETS INC - Form DEF 14A

Historically, the Company has not engaged third parties to assist in identifying and evaluating potential nominees, but would do so in those situations where particular qualifications are required to fill a vacancy and the Board's contacts are not sufficient to identify an appropriate candidate.

Stockholder Communication with Board Members

The Company maintains contact information, both telephone and email, on its website under the heading "Contact Information". By following the Contact Information link, a stockholder will be given access to the Company's telephone number and mailing address as well as a link for providing email correspondence to Investor Relations. Communications sent to Investor Relations and specifically marked as a communication for the Board will be forwarded to the Board or specific members of the Board as directed in the stockholder communication. In

Table of Contents

addition, communications received via telephone for the Board are forwarded to the Board by an officer of the Company.

Board Member Attendance at Annual Meetings

The Company generally requires that all directors attend the annual meeting of stockholders, absent extraordinary circumstances. All directors attended the annual meeting of stockholders held in 2003.

AUDIT COMMITTEE REPORT

The Audit/Compensation Committee oversees the Company's financial reporting process on behalf of the Board. Management has the primary responsibility for the financial statements and the reporting process including the systems of internal controls. In fulfilling its oversight responsibilities, the Audit/Compensation Committee reviewed the audited financial statements in the Annual Report with management including a discussion of the quality, not just the acceptability, of accounting principles, the reasonableness of significant adjustments, and the clarity of disclosures in the financial statements.

The Audit/Compensation Committee reviewed with the independent auditors, who are responsible for expressing an opinion on the conformity of those audited financial statements with generally accepted accounting principles, their judgments as to the quality, not just the acceptability, of the Company's accounting principles and such other matters as are required to be discussed with the Audit/Compensation Committee under generally accepted auditing standards. In addition, the Audit/Compensation Committee has discussed with the independent auditors the auditors independence from management and the Company including matters in the written disclosures required by the Independence Standards Board and considered the compatibility of any nonaudit services performed with the auditors' independence.

The Audit/Compensation Committee discussed with the independent auditors the overall scope and plans for their respective audits. The Audit/Compensation Committee meets with the independent auditors to discuss the results of their examinations, their evaluations of the Company's internal controls, and the overall quality of the Company's financial reporting. The Audit/Compensation Committee held six meetings during fiscal 2003.

In reliance on the reviews and discussions referred to above, the Audit/Compensation Committee recommended to the Board of Directors (and the Board has approved) that the audited financial statements be included in the Annual Report on Form 10-K for the year ended September 27, 2003 for filing with the Securities and Exchange Commission. The Committee and the Board also approved the selection of the Company's independent auditors for fiscal 2003.

EXECUTIVE COMPENSATION

Report on Executive Compensation

The Audit/Compensation Committee was responsible for administering executive compensation during fiscal 2003. The duties of this committee are set forth on pages 6 and 7 under the heading **Committees of the Board of Directors Audit/Compensation Committee**. This report describes the compensation policies established by the Committee for the executive officers of the Company.

Executive Compensation Policies. The Company's Chief Executive Officer periodically reviews the compensation paid by the Company to its executive officers and other employees. Based on the Company's general performance and that of the individual executive officer, he makes final subjective determinations (in certain instances in consultation with the President and Chief Operating Officer) with respect to any changes to be made to that compensation. Bonuses paid to officers of the Company's subsidiary, Milkco, Inc., are based on established quantitative measurements of Milkco's performance.

Neither the full Board nor the Audit/Compensation Committee generally reviews or ratifies the Chief Executive Officer's decisions relating to executive compensation unless otherwise required by the Company's Bylaws, by resolutions adopted by the Board or by the North Carolina Business Corporation Act. Decisions are made by the Board or the Audit/Compensation Committee if such decisions require the adoption of documents relating to employee benefit plans or programs. In addition, the Audit/Compensation Committee is required by resolution to approve any increases in compensation that the Company will pay to an employee whose base salary is in excess of \$100,000, all incentive compensation that the Company will pay to executive officers and any incentive payments that the Company will pay to any other employee in excess of \$25,000. Decisions about grants or awards under the Company's stock-based employee benefit plans have been made either by the Audit/Compensation Committee or by the Board, as appropriate, where Rule 16b-3 of the Securities Exchange Act 1934, as amended (the Exchange Act), or Section 162(m) of the Internal Revenue Code requires that such grants or awards be made by the full Board or by a committee of non-employee or outside directors. See **Committees of the Board of Directors**.

The Internal Revenue Code generally provides that corporate deductions will be disallowed for annual compensation in excess of \$1 million paid to certain executive officers of publicly held corporations. Performance-based compensation is excluded from the cap. Although the \$1 million compensation deduction cap would be applicable to the executive officers named in the **SUMMARY COMPENSATION TABLE** their compensation levels for fiscal 2003 were substantially below the cap. Nevertheless, the Chief Executive Officer and the Audit/Compensation Committee, as appropriate, intend to consider the Internal Revenue Code's compensation deductibility cap when they determine compensation levels and to evaluate appropriate alternatives to mitigate any adverse impact this limitation may have on the deductibility of executive compensation paid by the Company and its subsidiaries.

Salaries and Cash Incentive Bonus Awards. In fiscal 2003, Mr. Robert P. Ingle received a salary of \$117,511 and no bonus, which represents a decrease of approximately \$53,000 from compensation paid to him in fiscal 2002 due to the decrease of his salary to \$100,000 per year during fiscal 2003. Payment of Mr. Robert P. Ingle's salary was approved by the Audit/Compensation Committee. Mr. Ingle and the Audit/Compensation Committee believe the compensation paid to Mr. Ingle in fiscal 2003 is on the low end of competitive compensation paid to other chief executive officers in the industry.

Other executive officers of the Company received a salary and bonus, the amounts of which were determined by Mr. Ingle or the President and Chief Operating Officer, as appropriate, and approved by the Audit/Compensation Committee. The bonus paid to Mr. Gaither, President of the Company's subsidiary, Milkco, Inc., was based on a pre-determined quantitative formula. He received a bonus equal to a percentage of Milkco's

earnings before taxes and payment of the bonus. All other executive officers' bonuses were subjectively determined.

Investment/Profit Sharing Plan. The Company maintains the Ingles Markets, Incorporated Investment/Profit Sharing Plan (the Profit Sharing Plan) to provide retirement benefits to eligible employees. The Profit Sharing Plan includes 401(k) and discretionary employer matching contribution features. The assets of the Profit Sharing Plan are held in trust for participants and are distributed upon the retirement, disability, death or other termination of employment of the participant. The Board, in its discretion, quarterly determines the amount of any Company contributions, including the amount of any matching contributions to be made based on participants' 401(k) contributions for the quarter.

Employees who participate in the Profit Sharing Plan may contribute to their 401(k) account between one percent and fifty percent (in increments of one percent) of their compensation by way of salary reductions that cannot exceed a maximum amount that varies annually in accordance with the Internal Revenue Code. The Company also makes available to Profit Sharing Plan participants the ability to direct the investment of their 401(k) accounts (including the Company's matching contributions) in various investment funds, including a fund holding Class A Common Stock of the Company.

The Company's contributions to the participants' profit sharing accounts are held in a separate fund (the Ingles Fund) that invests primarily in shares of the Company's Class B Common Stock and also includes cash reserves to facilitate distributions from the fund. See **SECURITY OWNERSHIP OF MANAGEMENT AND CERTAIN BENEFICIAL OWNERS** regarding the shares of Class B Common Stock held by the Profit Sharing Plan.

The Company contributed \$739,342 to the Profit Sharing Plan during fiscal 2003. These contributions were allocated to the matching contribution accounts in each participant's 401(k) accounts. The Company's contributions to each of the executive officers named in the Summary Compensation Table are reflected in the last column of that table. As of September 27, 2003, all of the Company's executive officers who are named in the Summary Compensation Table and who had account balances under the Profit Sharing Plan were 100% vested in their accounts. Participants' interests in contributions allocated to their accounts vest over six years.

Life Insurance. The Company maintains, at its expense, for the benefit of each of its full-time employees life insurance policies in amounts up to \$150,000 based on the W-2 compensation of the employee. The premiums paid by the Company for the benefit of the executive officers named in the Summary Compensation Table are included in the last column of that table.

The table also sets forth the percentage of each class of Common Stock held by such stockholders. As of December 1, 2003, there were 10,642,244 shares of Class A Common Stock and 12,384,391 shares of Class B Common Stock outstanding. Except as otherwise indicated, each beneficial owner has sole voting and investment power with respect to the Common Stock listed.

(2) Each share of Class B Common Stock is convertible, at any time at the option of the holder, into one share of Class A Common Stock. If the holder of any shares of Class B Common Stock transfers the shares to anyone other than a qualified transferee as defined in the Company's Articles of Incorporation, then each share of Class B Common Stock will automatically convert into a share of Class A Common Stock. Accordingly, for each holder of Class B Common Stock the number of shares and percentage of Class A Common Stock set forth in this table also reflect the Class A Common Stock into which such stockholder's shares of Class B Common Stock are convertible. However, these converted shares are not used to calculate such percentages for any other stockholder in this table. The number of shares and percentage of Class A Common Stock held by all directors and executive officers as a group also reflects the conversion into Class A Common Stock of each share of Class B Common Stock held by each director and executive officer. Because the Class B Common Stock converts into Class A Common Stock on a one to one basis, the number of shares of Class B Common Stock noted in the table above also represents the number of shares of Class A Common Stock each holder would beneficially own

CERTAIN RELATIONSHIPS AND RELATED PARTY TRANSACTIONS

Mr. Pollard is an attorney with the law firm of McGuireWoods, LLP which, from time to time, handles labor matters for the Company. During fiscal 2003, the Company accrued approximately \$22,452 in fees for services rendered by that firm.

Mr. Wingate is Chairman, Chief Executive Officer and President of Community Bankshares, Inc. and is an officer and director of its subsidiaries, Financial Supermarkets, Inc. and Community Bank & Trust. Financial Supermarkets, Inc. provides services to the Company in connection with the placement of banks within the Company's supermarkets. During fiscal 2003, the Company paid approximately \$131,977 in fees for services rendered by Financial Supermarkets, Inc.

The Company believes that the transactions described above between the Company and each of McGuireWoods, LLP and Financial Supermarkets, Inc. have been and will continue to be on terms no less favorable to the Company than those available from unaffiliated third parties in transactions negotiated at arms-length. The Company does not intend to enter into any transactions in the future with or involving any of its officers or Directors or any members of their immediate family on terms that would be less favorable to the Company than those that would be available from unaffiliated third parties in arms-length transactions.

PROPOSED AMENDMENT TO ARTICLES OF INCORPORATION

On December 9, 2003, the Board of Directors approved, subject to stockholder approval, an amendment to the Company's Articles of Incorporation (the "Qualified Transferee Amendment") to amend the definition of "Qualified Transferee," as described below. A copy of the proposed amendment is attached hereto as Appendix A and the following discussion is qualified in its entirety by reference thereto. There are currently no dividends in arrears with respect to the Class B Common Stock.

Purpose of the Proposal

Currently, when holders of Class B Common Stock (the "Class B holders") transfer shares of Class B Common Stock to any person or entity other than a "Qualified Transferee," the shares are automatically converted into an equal number of shares of Class A Common Stock. A transfer of Class B Common Stock to a "Qualified Transferee," however, does not trigger conversion of the shares into Class A Common Stock. The current definition of "Qualified Transferee" includes (a) members of the transferor's immediate family; (b) the transferor's executor, administrator, or personal representative (in the event of the transferor's death or legal disability); and (c) the Ingles Markets, Incorporated Investment/Profit Sharing Plan and Trust (the "Trust"). The Board of Directors has determined that the current definition of "Qualified Transferee" is too restrictive, as it does not allow transfers among Class B holders, including transfers from the Trust to other Class B holders, without triggering conversion of the shares into Class A Common Stock. This limitation has made transactions in Class B Common Stock by the Trust more difficult because it eliminates certain potential purchasers, i.e. other Class B holders, who would prefer to purchase additional Class B Common Stock privately instead of Class A Common Stock which is available in the market. The Qualified Transferee Amendment would add current Class B holders to the definition of "Qualified Transferee."

Effects of the Proposal

Edgar Filing: INGLES MARKETS INC - Form DEF 14A

The Qualified Transferee Amendment would permit Class B holders to transfer their Class B Common Stock to other Class B holders including transfers by the Trust of Class B Common Stock to other Class B holders, without converting such shares into Class A Common Stock. This change is significant in that Class B Common Stock entitles the holder to ten votes per share, while the Class A Common Stock only entitles the holder to one vote per share. While this amendment may allow Class B holders to engage in certain transfers of Class B Common Stock which would have previously resulted in the conversion of such stock, and thus the loss of the ten votes per share represented by a share of Class B Common Stock, it will not have the effect of shifting control of that vote outside of the persons that currently hold the Class B Common Stock nor will it increase the voting power of the

-17-

Table of Contents

Class B holders. Further, Class A Common Stock carries a ten percent larger dividend than does Class B Common Stock whenever dividends are declared by the Company's Board. Whenever Class B Common Stock is converted to Class A Common Stock, the dividend burden on the Company increases. To the extent that the proposed amendment decreases the likelihood of conversion, it reduces the likelihood of an increased dividend burden for the Company.

The proposed amendment does not create any additional rights of exchange or conversion of Class B Common Stock for Class A Common Stock and does not change the right of holders of Class B Common Stock to request conversion of such shares to Class A Common Stock at their option at any time. Further, the amendment does not alter the rights, preferences or limitations applicable to Class A Common Stock.

Stockholder Vote Required

The affirmative vote by holders of (i) at least a majority of the votes entitled to be cast by holders of the Class A Common Stock and Class B Common Stock, voting together and (ii) at least a majority of the votes entitled to be cast by holders of the Class B Common Stock voting as a separate class, in each case, outstanding and entitled to vote at the meeting, is required for the adoption of the Qualified Transferee Amendment. The Board of Directors recommends a vote FOR the proposed amendment.

RELATIONSHIP WITH INDEPENDENT AUDITORS

Ernst & Young LLP has served as the independent auditors for the Company and its subsidiaries since March 1989. The Audit/Compensation Committee is currently in discussion with Ernst & Young LLP regarding the terms of their engagement as the Company's independent auditors for the 2004 fiscal year, but no decision has been reached as of the date of this Proxy Statement.

Audit-Related Fees

OTHER MATTERS

Solicitation of Proxies

The Company will solicit proxies for the Annual Meeting by mail. The Company will bear the cost of preparing, assembling, printing, mailing and soliciting proxy solicitation materials. The Company's officers and regular employees may also solicit proxies in person or by telephone, but they will not be specially compensated for such services. The Company's regularly retained investor relations firm, Corporate Communications, Inc., may also solicit proxies by telephone and mail. The Company will not pay Corporate Communications, Inc. a separate fee for any such proxy solicitations. The Company will reimburse brokerage firms and other nominees, custodians and fiduciaries for the reasonable out-of-pocket expenses they incur in forwarding proxy solicitation materials to the beneficial owners of Common Stock held of record by them.

Stockholders' Proposals for the 2005 Annual Meeting

The Company plans to hold its 2005 Annual Meeting of Stockholders in February or early March. Any proposal that a stockholder wants to be presented at the 2005 Annual Meeting of Stockholders must be received by the Secretary no later than September 17, 2004 or the proposal will automatically be excluded from proxy materials for that meeting. Such proposals must be received by the Secretary at the Company's principal office, the address of which is set forth on page 1 of this Proxy Statement, and must meet the requirements of the regulations of the Securities and Exchange Commission to be eligible to be included in the proxy materials for the Company's 2005 Annual Meeting.

Further, any stockholder proposal for which the Company does not receive notice on or before December 1, 2004 shall be subject to the discretionary vote of the proxy holders at the 2005 Annual Meeting of Stockholders.

Action on Other Matters at the 2004 Annual Meeting

If notice of a stockholder proposal that has not been submitted to be included in this Proxy Statement was not received by the Company on or before December 1, 2003, the persons named in the enclosed form of proxy will have discretionary authority to vote all proxies with respect thereto in accordance with their best judgment. No proposals had been received as of that date.

At this time, the Company does not know of any matters to be presented for action at the 2004 Annual Meeting other than those mentioned in the Notice of Annual Meeting of Stockholders and referred to in this Proxy Statement. If any other matter comes before the Annual Meeting, it is intended that the persons who are named in the proxies will vote the shares represented by effective proxies in their discretion.

Section 16(a) Beneficial Ownership Reporting Compliance

Pursuant to Section 16(a) of the Exchange Act, the Company is required to identify any Reporting Person (as defined below) that failed to file on a timely basis with the Securities and Exchange Commission any report that was required to be filed during fiscal 2003 with the SEC pursuant to Section 16(a) of the Exchange Act.
