PROXY STATEMENT

for

Annual Meeting of Shareholders

February 26, 2004

We are sending you this proxy statement and the enclosed proxy card because our Board of Directors is soliciting your proxy to vote your shares at our 2004 annual meeting of shareholders. The annual meeting will be held on February 26, 2004 at 10:00 a.m., local time, at our corporate offices at 720 Pennsylvania Drive, Exton, Pennsylvania. We began mailing this proxy statement and the proxy card on or about January 26, 2004.

ABOUT THE MEETING

Who can vote?

You can vote if, as of the close of business on December 22, 2003, you were a shareholder of record of our common stock. On that date, 11,479,893 shares of our common stock were outstanding and entitled to vote. We do not have any other classes of voting stock outstanding other than our common stock. Each share of common stock is entitled to one vote, and there are no cumulative voting rights when voting for directors.

What constitutes a quorum?

The presence at the annual meeting, in person or by proxy, of a majority of the outstanding shares as of the record date must be present to hold the annual meeting. Abstentions from voting and broker non-votes will be counted toward a quorum. A broker non-vote occurs when the nominee holding a shareholder's shares does not vote on a particular proposal because the nominee does not have discretionary voting power on that item and has not received instructions from the shareholder.

What vote is required and what is the method of calculation?

The nominees for director who receive a plurality of the shares of common stock present or represented by proxy at the annual meeting will be elected. Approval of each other matter to be voted on at the annual meeting requires the affirmative vote of a majority of the shares of our common stock present or represented and entitled to vote at the annual meeting. Abstentions or broker non-votes will not be counted for or against matters to be acted on at the annual meeting.

What matters will be voted on?

Our Board does not intend to bring any other matters before the annual meeting except the matter listed in the notice, and the Board is not aware of anyone else who will submit any other matters to be voted on. However, if any other matters properly come before the annual meeting, the people named on the proxy card, or their substitutes, will be authorized to vote on those matters in their own judgment.

How do I vote by proxy?

When you return your properly signed and dated proxy card prior to the annual meeting, your shares will be voted in accordance with your instructions marked on the proxy card. If you sign your proxy card but do not specify how you want your shares to be voted, they will be voted as recommended by the Board of Directors.

Table of Contents

Can I change my vote after I return my proxy card?

Yes. You can change or revoke your proxy at any time before the annual meeting either by notifying our Secretary in writing or by sending another executed proxy dated later than the first proxy card. Attendance at the annual meeting will not cause your previously granted proxy to be revoked unless you specifically so request. For shares held beneficially by you, you may accomplish this by submitting new voting instructions to your broker or nominee.

Can I vote in person at the annual meeting instead of voting by proxy?

Yes. However, we encourage you to complete and return the enclosed proxy card to ensure that your shares are represented and voted. If you attend the annual meeting in person, you may then vote in person even though you returned your proxy card.

Who pays for this proxy solicitation?

We do. We will pay all costs in connection with the meeting, including the cost of preparing, assembling and mailing proxy materials, handling and tabulating the proxies returned, and charges of brokerage houses, nominees and fiduciaries in forwarding proxy materials to our beneficial owners. In addition to the mailing of the proxy materials, our directors, officers and employees, as well as a professional proxy solicitation organization, may also solicit proxies in person or by telephone, telegraph, teletype or online. We will reimburse their expenses for doing this.

Who Can Help Answer Your Questions?

If you have questions about the annual meeting or would like additional copies of this proxy statement, you should contact our Chief Financial Officer, James J. Reilly, 720 Pennsylvania Drive, Exton, Pennsylvania 19341, telephone (610) 646-9800.

SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires our officers (as defined under Section 16(a) of the Securities Exchange Act), directors and persons who own greater than 10% of a registered class of our equity securities to file reports of ownership and changes in ownership with the Securities and Exchange Commission. Based solely on a review of the forms we have received and on written representations from certain reporting persons that no such forms were required for them, we believe that during fiscal year 2003, all of the Section 16(a) filing requirements applicable to our officers, directors and 10% beneficial owners were complied with by such persons.

Committees of the Board of Directors

The Board maintains four standing committees: Audit, Compensation, Investment, and Nominating.

Audit Committee. The Audit Committee makes recommendations to the Board with respect to various auditing and accounting matters, including the selection and compensation of our auditors, the scope of our annual audits, fees to be paid to the auditors, the performance and independence of our auditors and our accounting practices. The Audit Committee approves all services provided to the company by the independent public accountants. The Audit Committee has established procedures for the receipt, retention and treatment, on a confidential basis, of complaints received by the company, regarding accounting, internal accounting controls or auditing matters, and the confidential, anonymous submissions by employees of concerns regarding questionable accounting or auditing matters. In addition, the Audit Committee has responsibility for, among other things, the planning and review of our annual and periodic reports and accounts and the involvement of our auditors in that process. Messrs. Marks (Chairman), Bressner and Rau are currently members of the Audit Committee. The Audit Committee is comprised solely of independent members, as independence for audit committee members is defined in the listing standards of the Nasdaq National Market. In addition, the Board has determined that at least one of the Audit Committee members, Mr. Marks, is an audit committee financial expert, as defined by SEC rules and regulations.

Compensation Committee. The Compensation Committee recommends, reviews and oversees the salaries, benefits and stock option plans for our employees, consultants, directors and other individuals compensated by us. Messrs. Cosgrove (Chairman), Churchill and Mittelstaedt are currently the members of the Compensation Committee.

Investment Committee. The Investment Committee assists the Board of Directors in fulfilling its oversight responsibilities with respect to recommendations pertaining to the investment of excess capital. Messrs. Rau (Chairman), Bressner and Churchill are currently members of the Investment Committee.

Nominating Committee.

Nominating Committee. We have a Nominating Committee, consisting of three non-employee directors. The Nominating Committee has adopted a formal written Charter that will be approved by the Board before the Company's Annual Shareholder Meeting on February 26, 2004. The Charter will specify the scope of the Nominating Committee's responsibilities and procedures for carrying out such responsibilities. A copy of the Charter will be available on our website, www.innovative-ss.com under the heading Investor Relations once it is approved by the Board of Directors. The Committee members are Messrs. Mittelstaedt (Chairman), Churchill and Bressner, each of whom is independent, as that term is defined in the listing standards of the Nasdaq National Market.

The Nominating Committee functions include establishing the criteria for selecting candidates for nomination to the Board; actively seeking candidates who meet those criteria; and making recommendations to the Board of nominees to fill vacancies on, or as additions to, the Board.

The Nominating Committee seeks director candidates based upon a number of qualifications/criteria, including their independence, knowledge, judgment, character, leadership skills, education, experience, financial literacy, standing in the community and ability to foster a diversity of backgrounds and views and to complement the Board's existing strengths relative to the Company's business. In the case of potential independent director candidates, such eligibility criteria shall be in accordance with SEC and Nasdaq rules.

Table of Contents

The Nominating Committee conducts an annual assessment of the size and composition of the Board and Committees and reviews with the Board the appropriate skills and characteristics required of Board members. The Nominating Committee has not yet relied upon third-party search firms to identify board candidates, but reserves the right to do so as required. To date the Committee has relied upon recommendations from a wide variety of its business contacts, including current executive officers, directors, community leaders, and shareholders as a source for potential board candidates.

Neither the Nominating Committee nor the Company has engaged, or paid any fees to, a search firm in connection with the nomination of any of the Class I directors for election at the Annual Meeting covered by this Proxy Statement.

The Nominating Committee will consider nominees for election to the Board that are timely recommended by shareholders provided that a complete description of the nominees' qualifications, experience and background, together with a statement signed by each nominee in which he or she consents to act as such, accompany the recommendations. Such recommendations should be submitted in writing to the attention of Chairman, Nominating Committee, at our address at 720 Pennsylvania Drive, Exton, PA, 19341, and should not include self-nominations. Section 3.10 of the Company's by-laws contains provisions setting forth the requirements applicable to a stockholder nomination for director. These requirements are summarized in this Proxy Statement under the caption "Shareholder Proposals For 2004 Annual Meeting And Other Matters."

Each of the current nominees for director listed under the caption "ELECTION OF DIRECTORS" is an existing director standing for re-election. In connection with the 2004 Annual Meeting, the Nominating Committee did not receive any recommendation for a candidate from any shareholder or group of shareholders owning more than 5% of our common stock.

Our Annual Meeting of Shareholders provides an opportunity each year for shareholders to ask questions of or otherwise communicate directly with members of our Board of Directors on matters relevant to the Company. Each of our directors is requested to attend in person the Annual Meeting. Six out of seven Company directors attended the Company's 2003 Annual Meeting of Shareholders. In addition, shareholders may, at any time, communicate in writing with the Chairman of the Nominating Committee by sending such written communication to the attention of Chairman, Nominating Committee, at our address at 720 Pennsylvania Drive, Exton, PA, 19341, (fax (610) 646-0150).

Copies of written communications received at such address will be provided to the Chairman of the Nominating Committee or the non-management directors as a group unless such communications are considered, in the reasonable judgment of the Corporate Secretary, to be improper for submission to the intended recipient(s). Examples of shareholder communications that would be considered improper for submission include, without limitation, customer complaints, solicitations, communications that do not relate directly or indirectly to the Company or the Company's business or communications that relate to improper or irrelevant topics.

Meetings and Attendance

During the fiscal year ended September 30, 2003, the full Board held four meetings. The Audit and Nominating Committees each met four times and the Compensation and Investment Committees each met once. All directors attended at least 75% of the meetings of the full Board and the meetings of the committees on which they served.

Compensation of Directors

Each non-employee director who served on the Board at the beginning of our fiscal year (October 1, 2002), received shares of common stock with a fair market value of \$25,000, determined as of such date. The shares vested quarterly during the fiscal year, provided that the director was still serving on the board on the date the

shares are scheduled to vest. We are submitting a new restricted stock plan for non-employee directors for approval by our shareholders at our 2004 annual meeting of shareholders that would continue the practice described above. Employment Contracts, Termination of Employment and Change in Control Arrangements

In July 1998, we entered into an agreement with Roger E. Mitchell to serve as our Director of Operations at an annual salary of \$110,000. Under the agreement, we granted Mr. Mitchell options to purchase 54,812 shares of common stock at \$3.28 per share. Of these options, 27,406 vest in five equal annual installments beginning on the first anniversary of Mr. Mitchell's employment with us. The remaining 27,406 options vested in July 1999 upon the achievement by us of certain performance objectives.

In March 2003, we entered into an agreement with Roman G. Ptakowski to serve as President at an annual salary of \$250,000 and an annual performance incentive bonus of up to 30% of base salary based on performance of the business. The initial term of the agreement is for two years with yearly one-year renewal periods unless either party provides the other party with written notice of termination of the agreement not later than ninety (90) days prior to the end of the then current term of the agreement. In the event that Mr. Ptakowski is involuntarily terminated without cause, Mr. Ptakowski would be entitled to continue to receive compensation and benefits at the rate in effect at the time of termination until the end of the then current term of the agreement, provided however, that such amount shall not be less than six months of current salary and benefits. Amounts payable following such a termination shall be reduced by any compensation received for services rendered by Mr. Ptakowski to a subsequent employer. In addition, Mr. Ptakowski was granted options to purchase 180,000 shares of common stock at \$6.31 per share. One-third of these options vest each year on the anniversary of the initial grant date.

In the event that Mr. Ptakowski is involuntarily terminated without cause or resigns as a result of a material change in duties or a reduction in compensation or benefits following certain changes of control of Innovative Solutions and Support, Mr. Ptakowski would be entitled to receive a one time payment equal to Mr. Ptakowski's annual salary as then in effect within thirty (30) days of the date of such termination in addition to continued compensation and benefits at the rate in effect at the time of termination until the end of the then current term of the agreement.

STOCK PERFORMANCE GRAPH

The following graph compares the percentage change in the cumulative total return on our common stock during the period from the commencement of public trading of our common stock on the Nasdaq National Market on August 4, 2000 until September 30, 2003, against the cumulative total return on the Nasdaq Composite Index and the Russell 2000 index during such period. The comparison assumes that \$100 was invested at the beginning of such period in our common stock and in each of the foregoing indices and assumes the reinvestment of any dividends.

The following report of the Compensation Committee and the performance graph on the previous page will not be deemed incorporated by reference by any general statement incorporating by reference this Proxy Statement into any filing under the Securities Act of 1933, as amended, or under the Securities Exchange Act of 1934, as amended, except to the extent that we specifically incorporate this information by reference. REPORT OF THE COMPENSATION COMMITTEE

The Compensation Committee of the Board of Directors is composed of three non-employee directors. The Compensation Committee is responsible for setting and administering the policies that govern annual executive salaries, bonuses and stock ownership programs. The Compensation Committee annually evaluates the performance, and determines or recommends to the full Board the compensation, of the Chief Executive Officer and other executive officers.

The Compensation Committee determined that for fiscal year 2003 (the twelve months ended September 30, 2003) the annual salary of the Chief Executive Officer would be increased to \$350,000 from \$300,000. In addition the Committee determined the annual salary of the Chief Financial Officer would be increased to \$180,000 from \$150,000. There were no cash incentive compensation payments in fiscal year 2003. The Compensation Committee determined the new Company President would receive a stock option grant of 180,000 shares and that no additional stock option grants would be issued to other executive officers this year.

Section 162(m) of the Internal Revenue Code of 1986, as amended, generally denies a federal income tax deduction for certain compensation exceeding \$1,000,000 paid to the Chief Executive Officer or any of the other named executive officers, excluding, among other things, certain performance-based compensation. Through September 30, 2003, this provision has not affected our tax deductions, and the Compensation Committee believes that, at the present time, it is unlikely that the compensation paid to any of our employees in a taxable year will exceed \$1,000,000. The Compensation Committee intends to continue to evaluate the effects of the statute and any applicable regulations and to comply with Internal Revenue Code Section 162(m) in the future to the extent consistent with our best interests.

The following report shall not otherwise be deemed filed under such Acts.

REPORT OF THE AUDIT COMMITTEE

The Audit Committee of the Board of Directors is composed of three non-employee directors. The role of the Audit Committee is to assist our Board in its oversight of our financial reporting process. The Board, in its business judgment, has determined that each director is independent as required by Rule 4200(a)(15) of the listing standards of the Nasdaq National Market. In addition, the Board has determined that at least one of the Audit Committee members, Mr. Marks, is an audit committee financial expert as defined by SEC rules and regulations. The Committee operates pursuant to a charter, a copy of which was attached to the 2003 Proxy Statement filed with the SEC on January 21, 2003. As set forth in the charter, management of the company is responsible for the preparation, presentation and integrity of our financial statements, our accounting and financial reporting principles and internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. The independent auditors are responsible for auditing our financial statements and expressing an opinion as to their conformity with generally accepted accounting principles in the United States of America. The Audit Committee reviews and reassesses the adequacy of the charter on an annual basis.

In the performance of its oversight function, the Audit Committee has reviewed and discussed the audited financial statements for the year ending September 30, 2003 with management of the company and its independent auditors. The Audit Committee has also discussed with the independent auditors the matters required to be discussed by Statement on Auditing Standards No. 61, *Codification of Statements on Auditing Standards, AU §380*, as currently in effect. Finally, the Audit Committee has received the written disclosures and the letter from the independent auditors required by Independence Standards Board Standard No. 1, *Independence Discussions with Audit Committees*, as currently in effect, and has considered whether the provision of non-audit services by the independent auditors is compatible with maintaining the auditors' independence and has discussed with the auditors the auditors' independence.

Based upon the review, reports and discussions described in this report, and subject to the limitations on the role and responsibilities of the Audit Committee referred to above and in the charter, the Audit Committee recommended to the Board of Directors that the audited financial statements for the year ending September 30, 2003 be included in the company's Annual Report on Form 10-K for the year ended September 30, 2003 as filed with the Securities and Exchange Commission.

APPROVAL OF 2003 RESTRICTED STOCK PLAN

(Item 2 on Proxy Card)

The Board of Directors has unanimously approved, subject to shareholder approval, the company's new 2003 Restricted Stock Plan (the "Plan"). The purpose of the Plan is to provide members of the Board who are not employees of the company or its subsidiaries with grants of restricted stock. We believe that the Plan will encourage the participants to contribute materially to the growth of the company, thereby benefiting the company's shareholders, and will align the economic interests of the participants with those of the shareholders. **The Board of Directors recommends voting FOR approval of the 2003 Restricted Stock Plan.**

Summary of the Plan

A full copy of the Plan as adopted by the Board is attached to this Proxy Statement as Exhibit A. The following summary of the terms that will apply if the Plan is approved by shareholders is qualified in its entirety by reference to the full text of the Plan attached in Exhibit A.

Under the Plan, the maximum number of shares of our common stock that may be issued is 100,000, subject to adjustment for stock dividends, stock splits, recapitalization or other similar changes in the number of class of the company's issued and outstanding equity securities. Only directors who are not employees of the company or any subsidiary of the company are eligible under the Plan.

Each director who was eligible under the Plan on October 1, 2003 and is eligible under the Plan as of the date when the Plan is approved by the shareholders, will be entitled to receive shares of common stock with a fair market value of \$25,000, determined on October 1 of each year, starting with October 1, 2003. The shares vest quarterly during the fiscal year beginning each October 1, provided the director remains in continuous service as an eligible director through the end of the fiscal year to which the award relates. No cash payment is required to be paid by the director in exchange for an award. The Board may change the dollar value of common stock issuable to eligible directors in any given year without seeking shareholder approval.

Shares awarded under the Plan may not be sold, transferred, pledged or assigned until they have vested. Any dividends paid on unvested shares shall accrue but will not be paid until the shares vest. If a grantee's service as an eligible director with the company is terminated for any reason, unvested shares as of the effective date of such termination are automatically forfeited. Forfeited shares will become available for new awards.

In the event of a Change in Control, any restrictions with respect to stock awarded, but not forfeited, shall lapse in full. A Change in Control will be deemed to have occurred if: (i) a person or entity, other than an officer or director of the company, becomes the beneficial owner of shares representing more than 50% of the voting power of the company's securities; (ii) a merger, sale or other disposition of all or substantially all of the assets of the company; or (iii) after the date the Plan is approved by the shareholders, directors are elected such that a majority of the members of the Board will have been members for less than two years, unless each such director's election was approved by at least two-thirds of the directors then in still in office who were directors when that director first became a member of the Board.

Edgar Filing: INNOVATIVE SOLUTIONS & SUPPORT INC - Form DEF 14A

The Plan will be administered by the Board, who will have the authority to interpret the Plan's provisions, prescribe, amend and rescind rules and regulations for the Plan, subject to shareholder approval if required by applicable securities or tax laws. Further, the Board shall make all other determinations necessary or advisable for the administration of the Plan. The determination of the Board on these matters is conclusive.

SHAREHOLDER PROPOSALS FOR 2004 ANNUAL MEETING

AND OTHER MATTERS

Shareholders wishing to submit proposals for inclusion in the proxy statement for the 2005 Annual Meeting of Shareholders must submit such proposals to us at 720 Pennsylvania Drive, Exton, PA 19341, Attention: James J. Reilly, on or before September 15, 2004. In order for the proposal to be included in the proxy statement, the shareholder submitting the proposal must meet certain eligibility standards and comply with the procedures established by the SEC as set forth in Rule 14a-8 of the Securities Exchange Act of 1934.

On May 21, 1998, the Securities and Exchange Commission adopted an amendment to Rule 14a-4, issued under the Securities Exchange Act of 1934. The amendment to Rule 14a-4(c)(1) governs a company's use of discretionary proxy voting authority for a shareholder proposal which the shareholder has not sought to include in our proxy statement. The amendment provides that if a proponent of a proposal fails to notify a company at least 45 days prior to the month and day of mailing of the prior year's proxy statement (or any date specified in an advance notice provision), then the management proxies will be allowed to use their discretionary voting authority when the proposal is raised at the meeting, without any discussion of the matter in the proxy statement. With respect to our 2005 Annual Meeting of Shareholders, if we are not provided notice of a shareholder proposal, which the shareholder has not previously sought to include in our proxy statement, by December 8, 2004, the management proxies will be allowed to use their discretionary authority.

Our Bylaws provide that a shareholder proposal (including a shareholder nomination of a director) must meet certain predetermined requirements in order to be considered at the Annual Meeting. In order to be considered, a shareholder's proposal must be made in writing and delivered to or received at our principal executive offices not less than one hundred twenty (120) days nor more than one hundred fifty (150) days prior to the meeting in the case of an annual meeting that is called for a date that is within 30 days before or after the anniversary date of the immediately preceding annual meeting of shareholders. However, in the case of an annual meeting that is called for a date that is not within 30 days before or after the anniversary date of the immediately preceding annual meeting, proposals must be received not later than the close of business on the tenth (10th) day following the day on which notice of the date of the meeting was mailed or public disclosure of the date of the meeting was made, whichever occurs first. The notice to the Secretary must set forth certain information as specified in our bylaws.

As of the date of this proxy statement, the Board knows of no other business which may properly be and is likely to be brought before the annual meeting. If a shareholder proposal that was excluded from this proxy statement in accordance with Rule 14a-8 of the Securities Act or our by-laws is properly brought before the annual meeting, it is intended that the proxy holders will use their discretionary authority to vote the proxies against said proposal. If any other matters should arise at the annual meeting, shares represented by proxies will be voted at the discretion of the proxy holders.

Independent Auditors

On April 3, 2002, we dismissed Arthur Andersen LLP (Arthur Andersen) as our independent public accounts. On April 15, 2002, we engaged Deloitte & Touche LLP to serve as our independent public accountants for the fiscal year 2002. The appointment of Deloitte & Touche LLP was effective immediately. The decision by the Board to replace Arthur Andersen with Deloitte & Touche LLP was based on the recommendation of our Audit Committee and approved by the Board.

The reports of Arthur Andersen on our consolidated financial statements for each of the years ended September 30, 2001 and 2000 did not contain an adverse opinion or disclaimer of opinion, nor were they qualified or modified as to uncertainty, audit scope or accounting principles.

During the fiscal years ended September 30, 2001 and 2000, there were no disagreements with Arthur Andersen on any matter of accounting principles of practices, financial statement disclosure, or auditing scope or

procedure which, if not resolved to Arthur Andersen's satisfaction, would have caused them to make reference to the subject matter in connection with their report on our consolidated financial statements for such years; and there were no reportable events as defined in Item 304 (a) (1) (v) of Regulation S-K.

During our fiscal years ended September 30, 2001 and 2000, and through the subsequent interim period prior to engaging Deloitte & Touche LLP in April 2002, we did not consult Deloitte & Touche LLP regarding any of the items described in Item 304(a)(2) of Regulation S-K.

A representative of Deloitte & Touche, LLP is expected to be present at the meeting and will have an opportunity to make a statement if he or she so desires. The representative will also be able to respond to appropriate questions from shareholders.

The audit committee retained Deloitte & Touche, LLP to provide audit services for the fiscal year ended September 30, 2003. Services provided by Deloitte & Touche, LLP included an audit of the consolidated financial statements of the company and services related to filings made with the SEC. The aggregate fees billed by Deloitte & Touche, LLP in connection with services rendered during fiscal year ended September 30, 2003 were:

Audit Fees	\$ 143,000
Financial Information Systems Design and Implementation Fees	\$
All Other Fees(1)	\$ 62,800
	<hr/>
Total	\$ 205,800
	<hr/>

(1) All Other Fees charged by Deloitte & Touche, LLP for non-audit services were related to income tax compliance and consulting work.

Pursuant to the adoption of the revised Audit Committee Charter, the Board of Directors has adopted a policy which prohibits the Company from entering into non-audit related consulting agreements for financial information systems design and implementation, for certain other services considered to have an impact on independence, and for all other services prohibited by the Sarbanes-Oxley Act of 2002 and new Securities and Exchange Commission regulations. The policy also contains procedures requiring Audit Committee pre-approval of all audit and permitted non-audit services provided by the Company's independent auditors.
