INFORMATION CONCERNING PROXY SOLICITATION AND VOTING

Our Board of Directors is soliciting proxies for the 2004 Annual Meeting of Stockholders. This Proxy Statement contains important information for you to consider when deciding how to vote on the matters brought before the meeting. Please read it carefully.

The Annual Meeting will be held on May 10, 2004 at 10:00 a.m., local time, at The Hilton Bellevue, located at 100 112th Avenue NE, Bellevue, Washington 98004. Voting materials, which include the Proxy Statement, Proxy Card and Annual Report on Form 10-K for the year ended December 31, 2003, will be mailed to stockholders on or about April 2, 2004. Our principal executive offices are located at 601 108th Avenue NE, Suite 1200, Bellevue, Washington 98004. Our telephone number is (425) 201-6100.

This solicitation of proxies is made on behalf of InfoSpace, and all related costs will be borne by us. In addition, we may reimburse brokerage firms and other persons representing beneficial owners of shares for their expenses in forwarding solicitation material to such beneficial owners. Proxies may also be solicited by certain of our directors, officers and regular employees, without additional compensation, personally or by telephone.

Questions And Answers

Q: Who may vote at the meeting?

A: The Board set March 12, 2004 as the record date for the meeting. All stockholders who owned InfoSpace common stock at the close of business on March 12, 2004 may attend and vote at the meeting. Each stockholder is entitled to one vote for each share of common stock held on all matters to be voted on.

On March 12, 2004, 31,666,610 shares of our common stock were issued and outstanding. This number includes exchangeable shares of our subsidiaries, InfoSpace.com Canada Holdings Inc. and InfoSpace Speech Solutions Holdings Company, which are at any time exchangeable into, and have voting rights equivalent to, our common stock. Shares of our common stock were held of record by 994 stockholders on the record date. The number of holders of record does not include beneficial owners of our common stock who hold their shares through brokers, banks or other holders of record, or holders of exchangeable shares.

Edgar Filing: INFOSPACE INC - Form DEF 14A

Q: How many votes do you need at the meeting?

A: A majority of InfoSpace's outstanding shares as of the record date must be present at the meeting in order to hold the meeting and conduct business. This is called a quorum. Shares that are voted FOR, AGAINST or WITHHELD FROM a matter are treated as being present at the meeting for purposes of establishing a quorum.

Shares are counted as present at the meeting if you:

are present and vote in person at the meeting; or

have properly submitted a Proxy Card or voted by telephone or using the Internet.

Q: What proposals will be voted on at the meeting?

A: There are two board proposals scheduled to be voted on at the meeting:

Election of the three Class II members of the Board of Directors; and

Ratification of Deloitte & Touche LLP as InfoSpace's independent auditors.

Q: What is the voting requirement to approve each of the proposals?

A: For the election of directors, the three Class II nominees who receive the greatest number of votes from shares present and entitled to vote at the meeting will be elected. To be passed, the proposed ratification of the appointment of Deloitte & Touche LLC as our independent auditors requires the affirmative *FOR* vote of a majority of the shares cast at the meeting and entitled to vote with respect to such proposal.

Q: How are votes counted?

A: In the election of the directors, you may vote *FOR* each of the nominees or your vote may be *WITHHELD* with respect to any nominee. You may vote *FOR*, *AGAINST* or *ABSTAIN* on the other proposals. If you just sign your Proxy Card with no further instructions, your shares will be counted as a vote *FOR* each Director and *FOR* the ratification of the appointment of Deloitte & Touche LLP as InfoSpace's independent public accountants.

If you do not vote and you hold your shares in a brokerage account in your broker's name (this is called *street name*), your broker will have discretionary authority to vote your shares *FOR* each director or to withhold votes for each or every director. Your broker will also have the discretionary authority to vote your shares *FOR* or *AGAINST* Proposal 2, the ratification of the appointment of Deloitte & Touche LLP. A broker non-vote will not have any effect on the outcome of the voting on a proposal.

If any other matters are properly presented for consideration at the Annual Meeting, the persons named in the enclosed proxy will have discretion to vote on those matters in accordance with their best judgment. We do not currently anticipate that any other matters will be raised at the Annual Meeting.

Q: How may I vote my shares in person at the meeting?

A: Shares held directly in your name as the stockholder of record may be voted in person at the meeting. If you choose to attend the meeting, please bring the enclosed Proxy Card or proof of identification for entrance to the meeting. If you hold your shares through a bank, broker or other holder of record, you may still vote at the meeting but you must request a legal proxy from your stockbroker or other holder of record in order to vote at the meeting.

Q: How can I vote my shares without attending the meeting?

A: Whether you hold shares directly as a stockholder of record or beneficially in *street name*, you may vote without attending the meeting. You may vote by granting a proxy or, for shares held in *street name*, by submitting voting instructions to your stockbroker or nominee. In most cases, you will be able to do this by telephone, using the Internet or by mail. Please refer to the summary instructions included on your Proxy Card. For shares held in *street name*, the voting instruction card will be included by your stockbroker or nominee.

BY TELEPHONE OR THE INTERNET If you have telephone or Internet access, you may submit your proxy by following the instructions on the Proxy Card.

BY MAIL You may submit your proxy by mail by signing your Proxy Card or, for shares held in street name, by following the voting instruction card included by your stockbroker or nominee and mailing it in the enclosed, postage-paid envelope. If you provide specific voting instructions, your shares will be voted as you have instructed.

Q: How can I change my vote after I return my Proxy Card?

A: You may revoke your proxy and change your vote at any time before the final vote at the meeting. You may do this by signing and submitting a new Proxy Card with a later date, voting by telephone or using the Internet as instructed above (only your latest telephone or Internet proxy is counted) or by attending the meeting and voting in person (as described above). Attending the meeting will not revoke your proxy unless you specifically request it. If you hold your shares in street name, you must request a legal proxy from your stockbroker in order to vote at the meeting.

Q: What is InfoSpace's voting recommendation?

A: Our Board of Directors recommends that you vote your shares *FOR* each nominee to the Board and *FOR* the ratification of Deloitte & Touche LLP as InfoSpace's independent auditors for fiscal year 2004.

Q: Where can I find the voting results of the meeting?

A: The preliminary voting results will be announced at the meeting. The final results will be published in our Quarterly Report on Form 10-Q for the second quarter of fiscal year 2004, which will be filed with the Securities and Exchange Commission and will also be available at www.infospaceinc.com.

Householding of Proxy Materials

We have adopted a procedure approved by the U.S. Securities and Exchange Commission (SEC) called householding. Under this procedure, stockholders of record who have the same address and last name and do not participate in electronic delivery of proxy materials will receive only one set of our proxy materials unless one or more of these stockholders notifies us that they wish to continue receiving individual copies. We believe this will provide greater convenience for our shareholders, as well as cost savings for us by reducing the number of duplicate documents that are sent to your home.

Stockholders who participate in householding will continue to receive separate proxy cards. Householding will not in any way affect your rights as a stockholder.

If you are eligible for householding, but you and other stockholders of record with whom you share an address currently receive multiple copies of our proxy materials, or if you hold stock in more than one account, and in either case you wish to receive only a single copy of each of these documents for your household, please contact ADP, either by calling toll-free (800) 542-1061, or by writing to ADP, Householding Department, 51 Mercedes Way, Edgewood, New York 11717.

Edgar Filing: INFOSPACE INC - Form DEF 14A

If you participate in householding and wish to receive a separate copy of our 2003 Annual Review, Annual Report on Form 10-K or this Proxy Statement, or if you do not wish to participate in householding and prefer to receive separate copies of these documents in the future, please contact ADP as indicated above.

Beneficial stockholders can request information about householding from their banks, brokers or other holders of record.

Security Ownership of Certain Beneficial Owners and Management

The following table sets forth certain information regarding the beneficial ownership of common stock of InfoSpace as of March 15, 2004 as to (i) each person who is known by us to own beneficially more than 5% of the outstanding shares of common stock, (ii) each director and each nominee for director of InfoSpace, (iii) each of the executive officers named in the Summary Compensation Table in Additional Information Relating to Directors and Executive Officers of InfoSpace and (iv) all current directors and executive officers as a group. Percentages are based on total shares outstanding as of March 12, 2004. This number includes exchangeable shares of our subsidiaries, InfoSpace.com Canada Holdings Inc. and InfoSpace Speech Solutions Holdings Company, which are at any time exchangeable into, and have voting rights equivalent to, our common stock. Information for beneficial owners who are not officers or directors of InfoSpace is based on their most recent filings with the SEC (as described in the footnotes to this table) and is not independently verified by InfoSpace.

PROPOSAL ONE

ELECTION OF DIRECTORS

General

Our Board of Directors comprises nine members, which are divided into three equal classes with overlapping three-year terms. Currently, we have eight directors and one vacancy. A director serves in office until his or her respective successor is duly elected and qualified unless the director resigns or by reason of death or other cause is unable to serve in the capacity of director.

Nominees For Directors

Three Class II directors are to be elected at the Annual Meeting for a three-year term ending in 2007. The Board of Directors has nominated Richard D. Hearney, Rufus W. Lumry and James F. Voelker for re-election as Class II directors. For further information on the process of director nominations and criteria for selection of directors, see [Director Nomination Process](#) below.

Unless otherwise instructed, the proxy holders will vote the proxies received by them for these nominees. In the event that any nominee of the Board of Directors is unable or declines to serve as a director at the time of the Annual Meeting, the proxies will be voted for a nominee who shall be designated by the present Board of Directors to fill the vacancy. It is not expected that the nominee will be unable or will decline to serve as a director. In the event that additional persons are nominated for election as directors, the specific nominees to be voted for will be determined by the proxy holders.

Vote Required; Election of Directors

If a quorum is present and voting, the three Class II nominees receiving the highest number of votes will be elected to the Board of Directors. Votes withheld from any nominee, abstentions and broker non-votes will be counted for purposes of determining the presence or absence of a quorum.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE FOR THE NOMINEES.

The Nominating and Governance Committee. The Nominating and Governance Committee, which currently consists of nonemployee directors John Cunningham, Richard Hearney and Lewis Taffer, met two times in 2003. Each member of the Nominating and Governance Committee is

Edgar Filing: INFOSPACE INC - Form DEF 14A

an independent director as defined in the Nasdaq Marketplace Rules. The Nominating and Governance Committee's duties include:

Assisting the board by identifying prospective director nominees and to recommend to the board the director nominees for the next annual meeting of stockholders;

Developing and recommending to the board the governance principles applicable to the Company;

Overseeing the evaluation of the board;

Recommending to the board director nominees for each committee; and

Consideration of stockholder nominees for election to the Board as described below under Director Nomination Process.

Director Nomination Process

The Nominating and Governance Committee is responsible for reviewing and recommending nominees to the Board, which is responsible for approving director candidates for nomination by the Board of Directors. The Committee's objective, pursuant to its charter, is to ensure that the Board is properly constituted to meet its fiduciary obligations to InfoSpace and its stockholders.

In considering director candidates, the Committee seeks the following minimum qualifications:

Commitment to the Company's business success consistent with the highest standards of responsibility and ethics;

Representation of the best interests of all of the Company's stockholders and not any particular constituency;

Conscientious preparation for, attendance and participation in Board and applicable committee meetings;

No personal or professional commitments which would interfere or conflict with his or her obligations to InfoSpace and its stockholders;

An established record of professional accomplishment in his or her chosen field; and

No material personal, financial or professional interest in any InfoSpace competitor which would interfere or conflict with his or her obligations to InfoSpace and its stockholders.

The Committee also considers the following qualifications desirable in Board nominees:

Contribution to the Board's overall diversity, with diversity being broadly construed to mean a variety of personal and professional experiences, opinions, perspectives and backgrounds; and

Professional and personal experience and expertise relevant to InfoSpace's business objectives.

Any stockholder may nominate candidates for election as directors by following the procedures set forth in our Bylaws, including without limitation the applicable notice, information and consent provisions. For further information regarding these procedures, see [Deadline for Receipt of Stockholder Proposals](#). A copy of our Bylaws is also available on our corporate Web site at www.infospaceinc.com.

Any single stockholder, or group of stockholders, that has beneficially owned more than 5% of our outstanding common stock for at least one year may propose a director candidate for evaluation by the Committee by delivering a written notice to the Nominating and Governance Committee that satisfies the notice, information and consent requirements of the Committee's Director Nomination Policy. Any such Board candidate must be independent of the stockholder in all respects and must also qualify as an independent director under applicable Nasdaq rules. The notice must be received by the Committee not less than 120 calendar days before the anniversary of the date of the Company's proxy statement released to stockholders in connection with the previous year's annual meeting. The notice must include, among other things, proof of

Edgar Filing: INFOSPACE INC - Form DEF 14A

the required stock ownership, identification of, and other information with regard to, the stockholder(s) submitting the proposal, and information with respect to the proposed Board candidate. The notice should be sent to the following address:

Chair, Nominating & Governance Committee

InfoSpace, Inc.

c/o Corporate Secretary

601 10~~8~~ Avenue NE, Ste. 1200

Bellevue, WA 98004

Our Nominating and Governance Committee has not paid a third party to identify or evaluate potential nominees in 2003 or with respect to the current slate. However, the Committee has the authority to retain a search firm, at InfoSpace's expense, to be used to identify or evaluate director candidates at its discretion.

Compensation of Directors

We pay an annual retainer of \$15,000 to each member of our Board of Directors, and the Chair of the Audit Committee receives an additional \$5,000 annual retainer. Each director is also paid \$750 for each Board of Directors and committee meeting attended, and reimbursed for travel expenses incurred to attend the meetings.

Pursuant to the Stock Option Grant Program for Non-Employee Directors under our Restated 1996 Flexible Stock Incentive Plan, as amended, we grant a nonqualified stock option to purchase 10,000 shares of common stock to each nonemployee director on the date the director is first appointed or elected to the Board of Directors. In addition, immediately following each Annual Meeting of Stockholders, we grant to each nonemployee director an additional nonqualified stock option to purchase 7,500 shares of common stock immediately following such Annual Meeting of Stockholders, except for those nonemployee directors who were newly elected to the Board of Directors at such Annual Meeting or within the three-month period prior to such Annual Meeting. All options granted under the program for nonemployee directors fully vest on the first anniversary of the date of grant.

PROPOSAL TWO

RATIFICATION OF APPOINTMENT OF INDEPENDENT AUDITORS

The Audit Committee of the Board of Directors has selected Deloitte & Touche LLP, independent auditors, to audit the financial statements of the Company for the fiscal year ending December 31, 2004, and recommends that stockholders vote for ratification of such appointment. In the event of a negative vote on ratification, the Audit Committee will reconsider its selection.

Deloitte & Touche LLP has audited our financial statements annually since 1997. Representatives of Deloitte & Touche LLP are expected to be present at the meeting, with the opportunity to make a statement if they desire to do so, and are expected to be available to respond to appropriate questions.

Required Vote; Ratification of Appointment of Independent Auditors

The affirmative vote of the holders of a majority of the votes cast is required to approve the appointment of the independent auditors.

THE AUDIT COMMITTEE OF THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS

A VOTE FOR THIS PROPOSAL.

Fees Paid to Independent Auditors for 2003 and 2002

Edgar Filing: INFOSPACE INC - Form DEF 14A

The aggregate fees billed by Deloitte & Touche, the member firms of Deloitte Touche Tohmatsu, and their respective affiliates (collectively, Deloitte & Touche) to InfoSpace and subsidiaries during the fiscal years ended December 31, 2003 and 2002 were as follows:

	<u>2003</u>	<u>2002</u>
Audit fees	\$ 696,916	\$ 834,867
Audit-related fees:		
Information systems security attestation procedures		370,464
Total audit-related fees		<u>370,464</u>
Total audit and audit-related fees	<u>696,916</u>	<u>1,205,331</u>
Tax fees	<u>226,971</u>	<u>365,759</u>
Total fees	<u>\$ 923,887</u>	<u>\$ 1,571,090</u>

The Audit Committee has considered whether the provision by Deloitte & Touche of the non-audit services described above is compatible with Deloitte & Touche's independence. After consideration, the Audit Committee has determined that Deloitte & Touche's independence as an auditor has not been compromised by its provision of these services. All non-audit services provided by Deloitte & Touche in 2003 were pre-approved by the Audit Committee.

AUDIT COMMITTEE REPORT

The following Report of the Audit Committee of InfoSpace shall not be deemed to be soliciting material or to be filed with the Securities and Exchange Commission and such information shall not be incorporated by reference into any future filing under the Securities Act of 1933, as amended, or the Exchange Act except to the extent that InfoSpace specifically incorporates it by reference into such filing.

During the fiscal year ended December 31, 2003, the Audit Committee of the Board of Directors was comprised of three nonemployee directors. Each current member of the Audit Committee is, and each former member serving during 2003 was, an independent director as defined in Rule 4200(a)(14) of the Nasdaq Marketplace Rules. Our Board of Directors has determined that we currently have at least one audit committee financial expert sitting on the Committee. The Audit Committee met eight times during the 2003 fiscal year.

The Audit Committee assists the Board in fulfilling its responsibility for oversight of the quality and integrity of the accounting, auditing and reporting practices of InfoSpace and other such duties as directed by the Board. As part of this process, the Audit Committee reviews and approves the audit budget as well as any other fees paid to the independent auditors. The Audit Committee is also responsible for maintaining free and open means of communication between the directors, the independent auditors, and the financial management of InfoSpace. In addition to specified duties, the Committee may meet with various employees during the year and has access to any of InfoSpace's employees or advisors with whom it wishes to communicate.

Management is responsible for InfoSpace's internal controls, preparation of financial statements and the financial reporting process. The Company's independent auditors are responsible for performing an independent audit of InfoSpace's consolidated financial statements in accordance with generally accepted auditing standards and to issue a report thereon. The Audit Committee monitors and oversees these processes. The Committee members rely, without independent verification, on the information provided to them and on the representations made to them by management and the independent auditors.

In this context, the Audit Committee has:

discussed with InfoSpace's independent auditors the overall scope and plans for their audits;

met and held discussions with the auditors, both with and without management present, to discuss the results of their examinations, their evaluations of InfoSpace's internal controls, and the overall quality of InfoSpace's financial reporting;

discussed with the auditors the matters required to be discussed by SAS 61 (Communications with Audit Committees), including discussion of the quality, not just acceptability, of the application of accounting principles, the reasonableness of significant judgments, and the clarity of disclosures in the financial statements;

reviewed and discussed the audited financial statements with management of InfoSpace; and

discussed with the auditors their independence and have received the written disclosures and letter required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees).

Edgar Filing: INFOSPACE INC - Form DEF 14A

Based on our reviews and discussions referred to above, we have recommended to the Board of Directors that the audited financial statements be included in the annual report on Form 10-K for the year ended December 31, 2003.

The Audit Committee has also recommended, subject to stockholder approval, the selection of Deloitte & Touche LLP as InfoSpace's independent auditors for the fiscal year ending December 31, 2004.

Members of the Audit Committee:

John E. Cunningham, IV

Employment Agreements

Our executive officers generally sign non-disclosure, invention release and non-competition agreements which limit their ability to compete with us for a year after their employment ends. Except as described below, our executive officers are employed on an at-will basis.

Chairman and Chief Executive Officer. We have entered into an employment agreement with James Voelker, our Chairman and Chief Executive Officer, effective as of December 21, 2002. The term of the agreement extends to January 1, 2006. If Mr. Voelker's employment is terminated by InfoSpace without cause or by Mr. Voelker for good reason (as defined in the agreement), he is entitled to severance benefits of 100% of his base salary and annual bonus rate for 12 months, acceleration of vesting of his stock options to the extent that they would have vested over the following 12 months, and insurance benefits.

The agreement provides for a base salary of \$400,000, and an annual performance bonus of up to 100% of his annual salary. The agreement also provides for Mr. Voelker to receive two stock option grants, as follows:

Edgar Filing: INFOSPACE INC - Form DEF 14A

an option to purchase 600,000 shares made on December 21, 2002, of which 120,000 shares vested on the grant date, 240,000 shares vested one year from the grant date, and the remaining shares vest on a monthly basis (6,666 each month) over the following 36 months; and

an additional option to purchase 600,000 shares granted on June 10, 2003, to vest as to 1/36th of the shares subject to the option monthly (16,666 each month) beginning December 21, 2003.

The options are otherwise subject to the terms of our standard employee stock option agreements.

In addition, if Mr. Voelker's employment is terminated other than for cause in connection with a change of control of InfoSpace, he is entitled to receive (i) severance pay equal to his base salary rate, as then in effect, for

a period of 18 months, (ii) additional severance pay at a rate equal to 100% of his annual bonus rate (but in no event less than \$100,000), as then in effect, for a period of 12 months, and (iii) immediate vesting of 50% of the unvested shares subject to the stock options described above.

Other Executives. We have also entered into employment agreements with each of our other executive officers. These agreements provide for an annual base salary, an annual performance bonus to be set at no less than 50% of the base salary, and a stock option grant subject to our standard terms. If the executive is terminated by InfoSpace without cause or by the executive for good reason (as defined in the agreement), including in connection with a change of control, the executive is entitled to severance benefits of 100% of his or her annual salary and annual bonus rate, acceleration of vesting of 50% of the executive's unvested stock options, and insurance benefits.

In February 2001, some of our executive officers received option grants that provide for full acceleration of vesting if another company acquires InfoSpace and the executive holding the grant is actually or constructively terminated.

Equity Compensation Plans

During 2003, our executive officers and directors received benefits under our Restated 1996 Flexible Stock Incentive Plan and the related Stock Option Program for Nonemployee Directors, and the 1998 Employee Stock Purchase Plan. Our stockholders have approved both plans.

Restated 1996 Flexible Stock Incentive Plan

The purpose of the 1996 Plan is to provide an opportunity for our employees, officers, directors, independent contractors and consultants to acquire our common stock. The 1996 Plan provides for grants of stock options, stock appreciation rights, or SARs, and stock awards. At December 31, 2003, an aggregate of 8,482,418 shares of common stock were authorized for issuance, options to purchase 6,589,620 shares of common stock were outstanding at a weighted average exercise price of \$22.42 per share, and options to purchase 98,223 shares were available for future grant under the 1996 Plan.

Stock Option Program for Nonemployee Directors

Under the 1996 Plan, we grant a nonqualified stock option to purchase 10,000 shares of common stock to each nonemployee director on the date the director is first appointed or elected to our Board of Directors. We grant to each nonemployee director an additional nonqualified stock option to purchase 7,500 shares of common stock immediately following each Annual Meeting of Stockholders, except for those nonemployee directors who were newly elected to the Board of Directors at such Annual Meeting of Stockholders or within the three-month period prior to such Annual Meeting of Stockholders. All options granted under the program for nonemployee directors vest fully on the first anniversary of the date of such grant.

1998 Employee Stock Purchase Plan

Edgar Filing: INFOSPACE INC - Form DEF 14A

We adopted the 1998 Employee Stock Purchase Plan in August 1998. The Purchase Plan is intended to qualify under Section 423 of the Code and permits eligible employees to purchase our common stock through payroll deductions of up to 15% of their compensation. Under the Purchase Plan, no employee may purchase stock worth more than \$25,000 in any calendar year, valued as of the first day of each offering period. We have authorized an aggregate of 1,360,000 shares of common stock for issuance under the Purchase Plan.

The Purchase Plan is implemented with six-month offering periods. Offering periods begin on each January 1 and July 1. Participants purchase common stock under the Purchase Plan at a price equal to the lesser of 85% of their fair market value on the first day of an offering period and 85% of the fair market value on the last day of an offering period. A total of 322,134 shares of common stock had been issued under the Purchase Plan as of December 31, 2003 and 1,037,866 shares remained available for future purchase as of that date.

The following table provides information about all of our stock option plans as of December 31, 2003.

COMPENSATION COMMITTEE REPORT

The following Report of the Compensation Committee of InfoSpace shall not be deemed to be soliciting material or to be filed with the Securities and Exchange Commission and such information shall not be incorporated by reference into any future filing under the Securities Act or the Exchange Act except to the extent that InfoSpace specifically incorporates it by reference into such filing.

During the fiscal year ended December 31, 2003, the Compensation Committee of the Board of Directors was comprised of three nonemployee directors. The policy of the Compensation Committee is to maximize stockholder value over time. The primary goal of the Compensation Committee and its executive compensation program is therefore to align closely the interests of the executive officers with those of the Company's stockholders.

Salary and Bonus Compensation

In reviewing and approving compensation of executive officers, the Compensation Committee considers such matters as it deems appropriate, including:

The Company's financial and operating performance;

Alignment of the interests of the executive officers and the Company's stockholders;

The performance of InfoSpace's common stock;

Compensation of executive officers in comparable positions at similar companies, and

InfoSpace's ability to attract and retain qualified individuals.

No set formula is used for these determinations, and no particular function is weighted greater or lesser than the other.

We seek to maintain a significant portion of the executive's total compensation at risk, tied to achievement of specified financial, organizational or management performance goals approved by the Board. Accordingly, we take into consideration the total compensation package for each executive officer and set potential bonus amounts based on individual performance goals related to each executive officer's duties and area of responsibility as well as specific financial goals for their business division or the company as a whole. Bonus amounts are approved by the Committee for payment based on achievement of those goals.

Equity-Based Compensation

Edgar Filing: INFOSPACE INC - Form DEF 14A

The Compensation Committee views stock options as an important part of its long-term, performance-based compensation program. The Compensation Committee bases grants of stock options to the executive officers of InfoSpace under its 1996 Flexible Stock Incentive Plan upon the Committee's estimation of each executive's contribution to the long-term growth and profitability of InfoSpace. The stock option grants are intended to provide additional incentives to the executive officers to maximize stockholder value by encouraging executives to manage from the perspective of owners with an equity stake in InfoSpace. Options are granted at the then-current market price and are generally subject to four-year vesting periods to encourage key employees to remain with InfoSpace.

Compensation of the Chief Executive Officer

On December 21, 2002, InfoSpace announced the appointment of James F. Voelker as Chairman, Chief Executive Officer and President. We entered into an employment agreement with Mr. Voelker, and set his base salary at a minimum of \$400,000. Mr. Voelker is also eligible for a performance bonus of up to 100% of his annual salary, to be based upon performance objectives to be mutually determined by the Compensation Committee (or the Board) and Mr. Voelker. In addition, we agreed to issue Mr. Voelker an option to purchase

600,000 shares upon commencement of his employment, and an additional option to purchase 600,000 shares in June 2003. In determining the terms of Mr. Voelker's compensation, we considered Mr. Voelker's executive management and industry experience, his demonstrated ability to lead growing companies, compensation paid to chief executive officers of comparable companies, and the scope of his duties at InfoSpace.

In December 2003, we approved the grant of an option to purchase 350,000 shares to Mr. Voelker based upon his ongoing contributions to the Company. In February 2004, we approved a bonus of \$400,000 to be paid to Mr. Voelker. The bonus was the maximum bonus for which Mr. Voelker was eligible, and was based on achievement of specific financial goals for InfoSpace's 2003 fiscal year.

Summary

The Compensation Committee believes that these compensation policies have been instrumental in assisting InfoSpace to recruit and retain qualified employees and in linking compensation to its strategic objectives. The audit committee shall be comprised solely of independent directors, as defined in (i) NASDAQ Rule 4200 and (ii) the rules of the SEC, who are free of any relationships that, in the opinion of the board of directors, would interfere with their exercise of independent judgment as a committee member.

Responsibilities

The audit committee's primary responsibilities include:

Appointment, compensation, oversight and retention of the company's independent auditors for the purpose of preparing and issuing an audit report or related work.

The audit committee will review and sign the engagement letter with the independent auditors. In so doing, the committee will request from the auditors a written affirmation that the auditing firm is in fact independent and discuss with the auditors any relationship that may impact the auditor's independence.
