Anyone giving a proxy may revoke it at any time before it is voted by voting in person at the meeting or by delivering a later dated proxy or written notice of revocation to our Corporate Secretary. PROPOSAL NO. 1

ELECTION OF DIRECTORS

Our Articles of Incorporation, as amended, provide that our Board of Directors shall consist of not more than 12 directors, with the exact number to be prescribed by our Bylaws. Our Bylaws provide that the number of directors constituting our Board of Directors shall be designated by a resolution of the Board but shall be not less than six nor more than 10. Our Board has adopted a resolution designating six directors. The directors are divided into three classes – Class I, Class II and Class III – as nearly equal in number as possible. Each class of directors serves for three years on a staggered term basis.

The Board of Directors has determined that the following members of the Board are independent, as that term is defined under the general independence standards in the listing standards of The Nasdaq Stock Market, Inc., and our Corporate Governance Guidelines: Mr. Kenneth G. Condon, C.P.A., C.F.P., M.B.A., Dr. Steinar J. Engelsen, Dr. Melvin Sharoky, and Dr. Randall W. Whitcomb. The Board of Directors has adopted, as part of our Corporate Governance Guidelines, categorical standards to assist it in making these independence determinations. Our Corporate Governance Guidelines are available on our website at www.insmed.com.

Edgar Filing: INSMED INC - Form DEF 14A

The Board has nominated two Class I directors, Mr. Kenneth G. Condon, C.P.A., C.F.P., M.B.A. and Dr. Steinar J. Engelsen, for election at the 2004 Annual Meeting of Shareholders for the term expiring at the 2007 Annual Meeting. The term of the Class II director, Dr. Graham K. Crooke, will expire at the 2005 Annual Meeting of Shareholders. The term of the Class III directors, Dr. Geoffrey Allan, Dr. Melvin Sharoky and Dr. Randall W. Whitcomb, will expire at the 2006 Annual Meeting of Shareholders.

The election of each nominee for director requires the affirmative vote of the holders of a plurality of the votes cast in the election of directors. Signing and returning your proxy will constitute a vote for all of the nominees unless your proxy specifies that you are withholding authority to vote for any of the nominees. Proxies may not be voted for a greater number of persons than the number of nominees. Any votes that are withheld and any shares held in street name for customers who are the beneficial owners of those shares that are not voted in the election of directors will not be included in determining the number of votes cast. In the event that any nominee is unavailable for election, the Board may either reduce the number of directors or choose a substitute nominee. If the Board selects a substitute nominee, the shares represented by proxy will be voted for the substitute nominee unless other instructions are given in the proxy. The Board has no reason to believe that any of the nominees will be unavailable.

THE BOARD RECOMMENDS THAT YOU VOTE FOR ALL OF THE NOMINEES.

The following table sets forth the nominees to be elected at the 2004 Annual Meeting of Shareholders and continuing directors and, for each director whose term of office will extend beyond the meeting, the year such nominee or director was first elected a director, the positions currently held by the nominees and each director with the Company, the year each nominee's or director's current term will expire and the current class of director of each nominee and each director:

Director Attendance At Annual Meeting

Our policy is that directors attend the annual meeting of shareholders. Historically our annual meetings of shareholders have not been well attended by our shareholders. One director, Dr. Geoffrey Allan, attended the 2003 annual meeting of shareholders.

AUDIT COMMITTEE REPORT*

The Audit Committee of the Board of Directors (the *Audit Committee*) is composed of three independent directors and operates under a written charter adopted by the Board of Directors. The Audit Committee approves and recommends to the Board of Directors, subject to shareholder ratification, the selection of Insmmed's independent accountants. Management is responsible for Insmmed's internal controls and the financial reporting process. The independent accountants are responsible for performing an independent audit of Insmmed's consolidated financial statements in accordance with generally accepted auditing standards and for issuing a report thereon. The Audit Committee's responsibility is to monitor and oversee these processes. In this context, the Audit Committee has met and held discussions with management and Ernst & Young LLP (E&Y), Insmmed's independent auditors.

Management represented to the Audit Committee that Insmmed's consolidated financial statements were prepared in accordance with generally accepted accounting principles, and the Audit Committee has reviewed and discussed the consolidated financial statements with management and E&Y. The Audit Committee has not participated in the preparation of Insmmed's consolidated financial statements.

The Audit Committee has discussed with E&Y the matters required to be discussed by Statement on Auditing Standards No. 61, as amended by SAS 90 (Codification of Statements on Accounting Standards).

The Audit Committee has also received the written disclosures and the letter from E&Y relating to the independence of that firm as required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees), and has discussed with E&Y that firm's independence from Insmmed.

Based upon the Audit Committee's discussions with management and E&Y and the Audit Committee's review of the representation of management and the report of E&Y to the Audit Committee, the Audit Committee recommended that the Board of Directors include the audited consolidated financial statements in Insmmed's Annual Report on Form 10-K for the year ended December 31, 2003, filed with the Securities and Exchange Commission.

At a meeting on January 28, 2004, the Audit Committee approved the engagement of the accounting firm of Keiter, Stephens, Hurst, Gary & Shreaves to assist in our compliance activities relating to Section 404 of the Sarbanes-Oxley Act of 2002, which include evaluating and documenting the effectiveness of Insmmed's internal controls over financial reporting.

Audit Committee Pre-Approval Policy

The Audit Committee has adopted an Audit Committee Pre-Approval Policy for the pre-approval of audit services and permitted non-audit services by Insmmed's independent auditor in order to assure that the provision of such services does not impair the independent accountant's independence from Insmmed. Unless a type of service to be provided by the independent auditor has received general pre-approval, it will require specific pre-approval by the Audit Committee. Any proposed services exceeding pre-approved cost levels also will require specific pre-approval by the Audit Committee. In all pre-approval instances, the Audit Committee will consider whether such services are consistent with the Securities and Exchange Commission's rules on auditor independence.

The Audit Committee has designated in the Audit Committee Pre-Approval Policy specific services that have the pre-approval of the Audit Committee and has classified these pre-approved services into one of four categories: Audit, Audit-Related, Tax and All Other. The term of any pre-approval is 12 months from the date of pre-approval, unless the Audit Committee specifically provides for a different period. The Audit Committee will revise the list of pre-approved services from time to time, based on subsequent determinations.

Pre-approval fee levels for all services to be provided by the independent auditor will be established periodically by the Audit Committee. Any proposed services exceeding these levels will require specific pre-approval by the Audit Committee. The Audit Committee recognizes the overall relationship of fees for audit and non-audit services in determining whether to pre-approve any such services. For each fiscal year, the Audit Committee may determine the appropriate ratio between the total amount of fees for Audit, Audit-related, and Tax services, and the total amount of fees for services classified as permissible All Other services.

The Audit Committee has designated the Principal Financial Officer to monitor the performance of the services provided by the independent auditor and to determine whether such services are in compliance with the Audit Committee Pre-Approval Policy. Both the Principal Financial Officer and management will immediately report to the Chairman of the Audit Committee any breach of the Audit Committee Pre-Approval Policy that comes to the attention of the Principal Financial Officer or any member of management.

Fees Billed by Ernst & Young LLP

The following table lists fees billed by E&Y, for services rendered in fiscal years 2002 and 2003. COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

The following persons served on our Compensation Committee during the fiscal year ended December 31, 2003: Melvin Sharoky (Chairman), Kenneth G. Condon and Steinar J. Engelsen. Neither Dr. Sharoky, Mr. Condon nor Dr. Engelsen has ever been an officer or employee of Insmmed or any of our subsidiaries at any time.

DIRECTOR COMPENSATION

Our non-employee directors receive an annual director's fee of \$13,500 plus \$2,000 and reimbursement of expenses for each meeting of the Board attended in person, \$1,000 for each committee meeting attended in person and \$500 for each meeting attended telephonically. In addition, each non-employee director receives an option to purchase 25,000 shares of Insmmed Common Stock upon election to the Board and options to purchase 10,000 shares of Insmmed Common Stock annually, which options vest one year from the date of grant if the director attends at least 75% of the Board meetings in the preceding fiscal year. Directors who are officers or employees of Insmmed do not receive any additional compensation for their services as directors.

COMPENSATION COMMITTEE REPORT

This report of the Compensation Committee (the Committee) of the Board of Directors describes the objectives of Insmmed's executive compensation program, the various components of the program, and explains the basis on which 2003 compensation determinations were made by the Committee.

Overall Objectives of Executive Compensation Programs

The Committee's guiding philosophy is to establish executive compensation policies that are linked to the sustained creation of shareholder value. The following objectives serve as the guiding principles for all compensation decisions:

provide a competitive total compensation opportunity that will enable Insmmed to attract, retain and motivate highly qualified executives;

align compensation opportunities with shareholder interests by making the executive compensation program highly sensitive to Insmmed's performance, which is defined in terms of milestones associated with achieving long-term profitability and creating shareholder value;
and

provide a strong emphasis on equity-based compensation and equity ownership, creating a direct link between shareholder and management interests.

Compensation Program Components

The Committee believes that the total compensation opportunity available to members of management should consist of base salary, annual bonuses and stock options, with each component geared to the median of the market for all positions in the aggregate. Individuals may be compensated above or below the median of the marketplace based on Insmed's performance and on considerations of individual performance and experience. The Committee considers all elements of the program when setting compensation levels.

The Committee periodically meets individually with members of management in order to assess progress toward meeting objectives set by the Board of Directors for both annual and long-term compensation.

The Committee utilizes compensation surveys to aid in the determination of competitive levels of executive pay. The surveys include companies that are larger and smaller than Insmed. Some surveys are limited to companies in the biotechnology business. The Committee also utilizes executive compensation information compiled from the proxy statements of other biotechnology companies. References to the market in this report refer to these survey and proxy data.

Base Salaries

Base salaries are determined in accordance with the responsibilities of each officer, median market data for the position and the officer's performance achieving corporate goals. The Committee considers each of these factors but does not assign a specific value to each factor. Furthermore, a subjective element is acknowledged in evaluating the officer's overall span of responsibility and control. Total compensation for Insmed's officers is believed to be generally in line with the median of the market as described above.

Annual Bonuses

The Committee reviews annual bonuses in conjunction with senior management. Awards are based on an evaluation of the performance, level of responsibility and leadership of the individual in relation to overall corporate results. In 2003, annual bonuses were based on the attainment by individuals of specific objectives necessary for Insmed to achieve its business plan.

Stock Options and Restricted Awards

The Committee believes strongly that equity based awards are an integral part of total compensation for officers and certain key managers with significant responsibility for Insmed's long-term results. Stock options that are tied to corporate performance provide an effective means of delivering incentive compensation and also foster stock ownership on the part of management.

Edgar Filing: INSMED INC - Form DEF 14A

The Stock Incentive Plan:

authorizes the granting of stock options, SARs, performance shares, restricted stock and other incentive awards, all of which may be made subject to the attainment of performance goals established by the Committee;

provides for the enumeration of the business criteria on which an individual's performance goals are to be based; and

establishes the maximum share grants or awards (or, in the case of incentive awards, the maximum compensation) that can be paid to a Stock Incentive Plan participant.

In 2003, incentive awards of stock options and performance shares were made in accordance with the performance-based focus of the Stock Incentive Plan.

Change in Control Agreements

On November 3, 2003, the Compensation Committee endorsed, and the Board of Directors approved, change in control agreements between the Company and each of its executive officers providing for compensation and additional benefits in the event that an executive officer's employment is terminated involuntarily (other than for cause or upon the executive officer's death or disability) within one year after a change in control of the Company or voluntarily for good reason within six months prior to or one year after a change in control of the Company. Change in Control is generally defined as (i) the acquisition of 40% or more of the company's outstanding capital stock or the voting power of the Company's outstanding capital stock, (ii) a change in the majority of the board of directors unless approved by a majority of the incumbent directors, and (iii) certain mergers, consolidations, reorganizations, recapitalizations, liquidations and dissolutions. These agreements are intended as retention incentives and to ensure continuity of management in the event of any actual or potential change in control. For Dr. Geoffrey Allan, the Company's Chief Executive Officer, compensation under the change in control agreement consists of (A) a lump sum cash severance payment equal to 1.5 times the sum of his annual salary rate as of the date of the change in control plus a prorated bonus, calculated as a percentage of his maximum bonus potential, for the year during which the change in control occurs and (B) an extension of his benefits package for a period of 18 months after termination. The change in control agreements for each of the other executive officers are identical to Dr. Allan's agreement, except that (1) the cash severance payment is equal to 1.0 times the sum of the executive officer's annual salary rate plus a prorated bonus, calculated as a percentage of the executive officer's maximum bonus potential, for the year during which the change in control occurs and (2) the extension of benefits extends for a period of 12 months after termination. Each of the change in control agreements has an initial term of one year and will renew automatically for successive one-year terms unless such agreement is terminated by the Company at least 60 days prior to its expiration. In addition, each of the change in control agreements prohibits the executive officer from competing with the Company for a period of 18 months following the termination of such executive officer's employment with the Company for any reason.

Discussion of 2003 Compensation for the Chief Executive Officer

Dr. Geoffrey Allan's base salary as Chief Executive Officer was not increased in 2003, and remained at \$395,200, the same level as 2002. The Committee awarded Dr. Allan a bonus for 2003 of \$197,600 in recognition of the leadership that Dr. Allan has shown in managing the business of the Company, raising equity, and focusing on maximizing long-term value for our shareholders.

Deductibility of Compensation

The Committee has carefully considered Section 162(m) of the Internal Revenue Code of 1986, as amended, which provides certain criteria for the tax deductibility of compensation in excess of \$1 million paid to our executive officers. The Committee believes it is in Insmed's best interests and that of its shareholders to comply with the requirements of Section 162(m), but the Committee intends to preserve the flexibility to reward executives consistent with Insmed's pay philosophy for each compensation element. The Committee intends that grants of options, awards of performance shares, restricted stock and other incentive awards under the Stock Incentive Plan comply with the requirements of Section 162(m).

PROPOSAL NO. 2**DESIGNATION OF AUDITORS**

The Audit Committee has designated Ernst & Young LLP, certified public accountants, as our independent auditors for 2004, subject to shareholder ratification. A representative of Ernst & Young LLP is expected to be present at the annual meeting and will have an opportunity to make a statement and respond to appropriate questions.

Ernst & Young LLP's principal function is to audit the consolidated financial statements of Insmmed and our subsidiaries and, in connection with that audit, to review certain related filings with the Securities and Exchange Commission and to conduct limited reviews of the consolidated financial statements included in each of our quarterly reports.

Shareholder ratification of the Company's independent auditors is not required under Virginia law, under our Articles of Incorporation, as amended, or our Amended and Restated Bylaws. In the event that a majority of the votes cast are against the ratification of Ernst & Young LLP as the Company's independent auditors for the fiscal year ended December 31, 2004, the Audit Committee will consider the vote and the reasons therefore in future decisions on the selection of independent auditors for the Company.

THE BOARD RECOMMENDS THAT YOU VOTE FOR THE DESIGNATION OF ERNST & YOUNG LLP AS OUR AUDITORS.

PROPOSALS FOR 2005 ANNUAL MEETING

The regulations of the Securities and Exchange Commission require any shareholder wishing to make a proposal to be acted upon at the 2005 annual meeting of shareholders to present the proposal to Insmmed at our principal office in Glen Allen, Virginia, no later than December 7, 2004 or, if the date of the 2005 annual meeting is more than 30 days from May 5, 2005 (the anniversary of this year's annual meeting), then the deadline is a reasonable time before we begin to print and mail our proxy materials for the 2005 annual meeting. We will consider written proposals received by that date for inclusion in our proxy statement in accordance with regulations governing the solicitation of proxies.

In addition to the requirements a shareholder must meet to have a proposal included in our proxy statement, our Bylaws contain certain requirements that a shareholder must meet to nominate one or more persons for election as directors at an annual meeting or to make any other proposal to be acted upon at an annual meeting.

Article I, Section 10 of our Bylaws allows any shareholder entitled to vote in the election of directors generally to nominate one or more persons for election as directors at an annual meeting only if written notice of such shareholder's intent to make such nomination or nominations has been given, either by personal delivery or by United States registered or certified mail, postage prepaid, to our Corporate Secretary not later than 120 days nor more than 150 days before the anniversary of the date of the first mailing of our proxy statement for the immediately preceding year's annual meeting. Because this proxy statement was first mailed to our shareholders on April 6, 2004, our Corporate Secretary must receive written notice of a shareholder's intent to make such nomination or nominations at the 2005 annual meeting of shareholders not later than the close of business on December 7, 2004 and not earlier than the close of business on November 7, 2004. Each such notice must set forth:

the name and address of the shareholder who intends to make the nomination and any other person on whose behalf the nomination is being made, and of the person or persons to be nominated,

the class and number of shares of Insmmed that are owned by the shareholder and any other person on whose behalf the nomination is being made,

a representation that the shareholder is a holder of record of shares of Insmmed entitled to vote at such meeting and intends to appear in person or by proxy at the meeting to nominate the person or persons specified in the notice,

a description of all arrangements or understandings between the shareholder and each nominee and any other person or persons (naming such person or persons) pursuant to which the nomination or nominations are to be made by the shareholder, and

such other information regarding each nominee proposed by such shareholder as would be required to be disclosed in solicitations of proxies for election of directors in an election contest, or is otherwise required to be disclosed, pursuant to the proxy rules of the Securities and Exchange Commission had the nominee been nominated or intended to be nominated by the Board of Directors, and

Edgar Filing: INSMED INC - Form DEF 14A

shall include a consent signed by each such nominee to being named in the Proxy Statement as a nominee and to serve as a director of Insmmed if so elected.

Article I, Section 9 of our Bylaws requires any shareholder wishing to make any other proposal to be acted on at an annual meeting to give written notice, either by personal delivery or by United States registered or certified mail, postage prepaid, to our Corporate Secretary no later than 120 days nor more than 150 days before the anniversary of the date of the first mailing of our proxy statement for the immediately preceding year's annual meeting. Because this proxy statement was first mailed to our shareholders on April 6, 2004, our Corporate Secretary must receive written notice of a shareholder's proposal to be acted upon at the 2005 annual meeting of shareholders not later than the close of business on December 7, 2004 and not earlier than the close of business on November 7, 2004. Each such notice must set forth as to each matter the shareholder proposes to bring before the annual meeting:

a brief description of the business desired to be brought before the annual meeting, including the complete text of any resolutions to be presented at the annual meeting with respect to such business, and the reasons for conducting such business at the annual meeting,

the name and address of record of the shareholder proposing such business and any other person on whose behalf the proposal is being made,

the class and number of shares of Insmmed that are beneficially owned by the shareholder and any other person on whose behalf the proposal is made,

a representation that the shareholder is a holder of record of shares of Insmmed entitled to vote at such annual meeting and intends to appear in person or by proxy at the annual meeting to propose such business, and

any material interest of the shareholder and any other person on whose behalf the proposal is made, in such business:

If a shareholder wishes to make a proposal to be acted upon at the 2005 annual meeting of shareholders that has not been included in the proxy statement, the management proxies will be allowed to use their discretionary voting authority unless notice of your proposal has been received by Insmmed no later than December 7, 2004 or, if the date of the 2005 annual meeting is more than 30 days from May 5, 2005 (the anniversary of this year's annual meeting), then the deadline is a reasonable time before we begin to mail our proxy materials for the 2005 annual meeting.

Our Bylaws are available on our website at www.insmed.com. We will furnish a copy of our Bylaws without charge to any shareholder desiring a copy upon written request to Mr. W. McIlwaine Thompson, Corporate Secretary, Insmmed Incorporated, 4851 Lake Brook Drive, Glen Allen, Virginia 23060. The Board is not aware of any matters to be presented for action at the meeting other than as set forth herein. By Order of the Board of Directors

W. McIlwaine Thompson, Jr., *Secretary*
