of Regulation S-B promulgated under the Securities Exchange Act of 1934, as amended, except for the transactions set forth below.

We have also entered into a letter agreement with BioKeys Pharmaceutical, Inc, a biotechnology company, which is developing several potential products which are vaccine based. To the extent that BioKeys Pharmaceutical, Inc. utilizes our Bioral™ drug delivery technology, we will earn a flat royalty which we will negotiate and be approved by the independent audit committee of the Board of Directors (the Audit Committee). Regent Court Technologies LLC, which is affiliated with one of our stockholders, and Dr. Francis E. O Donnell, our CEO and a director, and Donald L. Ferguson, our senior executive vice-president, are affiliated as stockholders, and Dr. O Donnell is a member of the board of directors, of BioKeys Pharmaceutical, Inc. We had also received a \$35,000 loan from BioKeys Pharmaceutical, Inc. to begin research on their products using our technology. The loan was in the form of a demand note with an interest rate of 1% plus prime. The loan has been repaid.

Mr. James McNulty, our current Secretary, Treasurer and part-time Chief Financial Officer, is also the secretary, treasurer and part-time Chief Financial Officer of Bioral Nutrient Delivery, LLC, our wholly owned subsidiary and Biovest International, Inc., a company affiliated with The Hopkins Capital Group. He also serves as the Chief Financial Officer of The Hopkins Capital Group II, LLC, which is affiliated with Dr. Francis E. O Donnell, our president and CEO.

In July 2002 we issued Ellenoff Grossman & Schole LLP, our outside legal counsel, 25,000 options to purchase shares of our common stock at \$7.00 per share. In March 2004 we issued Ellenoff Grossman & Schole LLP 24,510 shares of our common stock. Ellenoff Grossman & Schole LLP is also counsel to our subsidiary, Bioral Nutrient Delivery, LLC. In connection with the formation of Bioral Nutrient Delivery, LLC, Ellenoff Grossman & Schole LLP received 37,500 Class B Membership Shares of Bioral Nutrient Delivery, LLC.

Certain members of the board and the entities that they are employed by, other than members of the Audit Committee, sometimes have other business relationships with affiliates of the Hopkins Group.

During 2002, we also issued an additional 75,000 options to purchase our common stock to each of the University of Medicine and Dentistry of New Jersey and Albany Medical College in connection with the amendment of our license agreement with such institutions. As a matter of corporate governance policy, we have not and will not make loans to officers or loan guarantees available to promoters as that term is commonly understood by the SEC and state securities authorities.

We believe that the terms of the above transactions with affiliates were as favorable to us or our affiliates as those generally available from unaffiliated third parties. At the time of the above referenced transactions, we did not have sufficient disinterested directors to ratify or approve the transactions; however, the present Board of Directors includes four independent directors. These independent directors are William Stone, James Butler, John Shea, Robert Shorr and Alan Pearce.

respective affiliates will be on terms no less favorable than could be obtained from unaffiliated third parties and will be approved by a majority of our independent directors who do not have an interest in the transactions and who had access, at our expense, to our legal counsel or independent legal counsel. We intend to maintain at least two independent members on our Board of Directors.

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires that our directors and executive officers and persons who beneficially own more than 10% of our common stock (referred to herein as the reporting persons) file with the Securities and Exchange Commission various reports as to their ownership of and activities relating to our common stock. Such reporting persons are required by Securities and Exchange Commission regulations to furnish us with copies of all Section 16(a) reports they file. Based solely upon a review of copies of Section 16(a) reports and representations received by us from reporting persons, and without conducting any independent investigation of our own, in 2003, all Forms 3, 4 and 5 were timely filed with the Securities and Exchange Commission by such reporting persons. We believe there are some delinquent filings in 2004.

Audit Committee Report *

The Audit Committee of the Board of Directors (the "Committee") is composed of three directors: William B. Stone, James R. Butler and Alan Pearce, each of whom is independent as defined by the rules of the National Association of Securities Dealers. Mr. Stone serves as chairman of the committee. The Board of Directors has adopted a written Audit Committee Charter, which was filed as Appendix A to the Company's 2003 Proxy Statement.

Management is responsible for the Company's financial statements, financial reporting process and systems of internal controls. The Company's independent auditors are responsible for performing an independent audit of the Company's financial statements in accordance with auditing standards generally accepted in the United States and for issuing a report thereon. The Committee's responsibility is to oversee all aspects of the financial reporting process on behalf of the Board of Directors. The responsibilities of the Committee also include recommending to the Board of Directors an accounting firm to be engaged as the Company's independent auditors.

The Committee discussed with the Company's independent auditors, with and without management present, such auditors' judgments as to the quality, not just acceptability, of the Company's accounting principles, along with such additional matters required to be discussed under the Statement on Auditing Standards No. 61, "Communication with Audit Committees." The Committee has discussed with the independent auditors the auditors' independence from the Company and its management, including the written disclosures and the letter submitted to the Committee by the independent auditors as required by the Independent Standards Board Standard No. 1, "Independence Discussions with Audit Committees."

In reliance on such discussions with management and the independent auditors, review of the representations of management and review of the report of the independent auditors to the Committee, the Committee recommended (and the Board of Directors approved) that the Company's audited financial statements be included in the Company's Annual Report on Form 10-KSB for the year ended December 31, 2003. The Committee and the Board of Directors have also, respectively, recommended and approved the selection of the Company's current independent auditors, which approval is subject to ratification by the Company's stockholders.

Our Prior Auditors, Grant Thornton LLP.

On April 18, 2003, the Company, with the approval of the Audit Committee of the Board of Directors and the full Board of Directors, dismissed Grant Thornton LLP (GT) as the Company s independent auditors. During the years ended December 31, 2002 and during the subsequent interim period through April 18, 2003 (the date of GT s dismissal as the Company s independent auditors), GT acted as the independent auditors for the Company and its subsidiary, Bioral Nutrient Delivery, LLC, and, during such period there were no disagreements with GT on any matters of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreements, if not resolved to the satisfaction of GT, would have caused GT to make a reference to the subject matter of the disagreements in connection with its reports in the financial statements for such years.

The independent accountant s report of GT on the Company s consolidated financial statements for the year ended December 31, 2002 contained no adverse opinion or disclaimer of opinion and was not qualified or modified as to uncertainty, audit scope or accounting principles.

GT has advised the Audit Committee and management that it noted a lack of segregation of accounting and financial reporting duties as a result of the Company s small size, which condition GT considered to be reportable under standards established by the American Institute of Certified Public Accountants. The Company believes this matter is not reportable under Regulation S-B since, among other factors, the noted issue did not preclude the Company from developing reliable financial statements as contemplated by Item 304(a)(1)(iv)(B)(1) of Regulation S-B. The Company voluntarily made the foregoing disclosure, however, in its Current Report on Form 8-K, dated April 18, 2003 and filed on April 25, 2003, as an accommodation to its former independent auditors. The Company has taken GT s notation under advisement but believes its internal accounting controls are in compliance with applicable accounting standards, rules and regulations. The Company will continue to monitor and assess the costs and benefits of additional staffing in the accounting area in conjunction with its newly appointed independent auditors, Aidman, Piser & Company, P.A. The Company has authorized GT to respond fully to the inquiries of Aidman Piser concerning the lack of segregation of accounting and financial reporting duties as a result of the Company s small size.

The following fees were incurred by the Company for the services of Grant Thornton LLP in fiscal 2002 and in fiscal 2003.
