**ITEM 2. ACQUISITION OR DISPOSITION OF ASSETS**

Effective July 31, 2004, Pentair, Inc. (the Company) completed the acquisition of all of the issued and outstanding shares of capital stock of WICOR, Inc. (WICOR) from Wisconsin Energy Corporation. The acquisition was effected pursuant to a Stock Purchase Agreement, dated February 3, 2004, among the Company, WICOR and Wisconsin Energy Corporation.

The Company's acquisition of WICOR, which manufactures water system, filtration and pool equipment products under the Sta-Rite, SHURflo and Hypro brands, has created a \$2 billion water technology business with approximately 8,000 employees worldwide that will now be known as Pentair Water. The Company intends to continue to conduct the WICOR business for the same purpose as previously conducted. The Company financed the \$850 million cash purchase price, excluding purchase price adjustments and approximately \$25 million of assumed debt, through available and committed lines of credit, primarily under an \$850 million bridge credit facility syndicated by Bank of America, N.A., as administrative agent, and U.S. Bank National Association and Bank of America Securities, LLC, as joint lead arrangers and joint book running managers. The purchase price that the Company paid for WICOR was determined on the basis of arm's length negotiations between the parties. There is no material relationship between Wisconsin Energy Corporation and the Company or any of its affiliates, directors or officers or any of their associates.

The Stock Purchase Agreement is filed as an exhibit to this Current Report on Form 8-K and is incorporated herein by reference. The brief summary of the material provisions of the Stock Purchase Agreement set forth above is qualified in its entirety by reference to the Stock Purchase Agreement filed as an exhibit hereto.
