Harmony Gold Announces Institutional Shareholder Services

Support for Proposed Merger with Gold Fields

ISS Recommends Shareholders Vote FOR Harmony Proposals

Johannesburg, South Africa, October 29, 2004 - Harmony Gold Mining Company Limited (NYSE: HMY ; JSE: HAR) today announced that Institutional Shareholder Services, Inc. (ISS) released reports recommending that the company s shareholders vote in favor of the proposed merger with Gold Fields (NYSE: GFI ; JSE: GFI) at the special meeting scheduled for November 12, 2004.

ISS is the world s leading independent provider of proxy voting and corporate governance services, serving more than 1,000 institutional and corporate clients worldwide and issuing vote recommendations for more than 28,000 companies across 102 markets worldwide.

Bernard Swanepoel, Chief Executive of Harmony stated, We are pleased that ISS agrees that shareholders should vote in favor of all Harmony proposals. The backing of ISS is an important step in moving forward with this merger, as it provides a credible, independent endorsement that this transaction is truly in the best interest of all shareholders.

In reviewing the Harmony proposal, ISS examined whether the merger makes strategic sense, particularly from a long-term investor perspective. ISS concluded that the merger would have a positive impact on shareholders revenue streams and their investments, and that the effect on their voting rights would not be disproportionate to that benefit.

ISS noted Harmony s track record of achieving higher cost savings with its acquired assets and that if Harmony could obtain a unit cost reduction of 15% annually, the Company could justify the premium paid for control of Gold Fields shares.

ISS also noted that:

The proposed merger is in line with Harmony s strategic plan of growth

The new Harmony would be better equipped to compete and gain access to capital internationally

A larger, more diversified Harmony could manage risk more effectively
