## Section 8 OTHER EVENTS

## ITEM 8.01 OTHER EVENTS

Beginning with the quarter ended September 30, 2004, we changed the manner of disclosure of financial information on our two segments, (1) exploration and production and (2) marketing. Previously, segment information was provided through our disclosure of financial information of our guarantor and non-guarantor subsidiaries, as our marketing operations were the only non-guarantor subsidiaries. On September 18, 2004, the marketing subsidiaries became guarantors of our senior debt, and, as a result, disclosure of financial information of our subsidiaries in the manner provided in previous filings is no longer required. We are filing with this current report audited consolidated financial statements in order to conform the presentation of prior year segment financial information to the presentation of segment financial information in the unaudited consolidated financial statements included in our Form 10-Q for the quarter ended September 30, 2004.

Note 8 of the notes to the audited consolidated financial statements included in exhibit 99 presents the following segment information for each of the three years in the period ended December 31, 2003. Other than the described conforming changes in note 8, the consolidated financial statements included in exhibit 99 are the same as the consolidated financial statements appearing in Item 8 of our Form 10-K for the year ended December 31, 2003.
