Item 1.01 Entry into a Material Definitive Agreement.

(i) On December 16, 2004, Earle M. Jorgensen Company, a Delaware corporation (the Company), Earle M. Jorgensen Holding Company, Inc., a Delaware corporation (Holding), the Earle M. Jorgensen Employee Stock Ownership Plan (the Plan), the Benefits Committee of Holding, and the United States Department of Labor (the DOL) agreed to an amended consent order and release that modifies a consent order and release among the same parties, dated January 27, 2003. The amended consent order was filed with the District Court for the Central District of California on December 17, 2004. The amended consent order will be effective when entered by the District Court.

The amended consent order provides (a) to the extent that the Plan is required to obtain appraisals after the date of the amended consent order, the appraisals will be prepared in accordance with generally accepted appraisal principles and the Plan will no longer be required to use the appraisal methodology that historically had been employed; (b) after the date of the amended consent order, all repurchases of Holding common stock from the Plan participants who elect to put shares of Holding common stock to Holding or to sell shares of Holding common stock in connection with diversification of their account will be at an appraised value based on an appraisal prepared in accordance with generally accepted appraisal principles; (c) the floor price guaranty set forth in the original consent order is reduced from \$4.25 to \$2.15 per share to reflect the changes in the appraisal methodology and the effect of a special contribution that Holding has committed to make to the Plan and participants in the Plan with Holding common stock allocated to their accounts and after the date of a reorganization or similar event, the floor price guaranty will cease; and (d) after the date that Holding common stock, or the common stock of its successor by merger or reorganization, becomes publicly traded on a nationally recognized market in the United States, participants will cease to have the right to put the common stock of Holding or its successor to Holding or such successor.

In order to offset the change of the appraisal methodology as a result of the amended consent order, Holding adopted a program to make a special contribution of additional shares of Holding common stock or common stock equivalents to (a) the stock bonus plan; (b) a supplemental stock bonus plan; and (c) a cash bonus plan. Holding has committed to make a special contribution of 1.0817 shares of Holding common stock or its equivalent with respect to each share of Holding common stock held by the stock bonus plan. This amount is equal to (i) the difference between the appraised value as of March 31, 2004 using the old methodology and the appraised value as of March 31, 2004 using the new methodology, divided by (ii) the appraised value as of March 31, 2004 using the new methodology, adjusted for the dilutive effect of such contribution. The stock contributions will be made over the next two years in compliance with applicable Internal Revenue Code regulations.

Attached hereto as Exhibit 99.1, and incorporated herein by reference, is a copy of the Company's press release dated December 22, 2004, announcing the execution of the amended consent order.

(ii) On December 17, 2004, the Company, Holding and EMJ LLC, a Delaware limited liability company (EMJ LLC) entered into an Agreement and Plan of Merger and Reorganization (the Merger Agreement) pursuant to which Holding will be merged with and into EMJ LLC, with EMJ LLC surviving. The Merger Agreement provides that (a) all issued and outstanding shares of Holding's common stock will be converted into shares of the Company's common stock, \$0.001 par value and (b) all issued and outstanding shares of (1) Holding's 13% Cumulative Preferred Stock, \$0.01 par value, and (2) Holding's Variable Rate Cumulative Preferred Stock, \$0.01 par value, will be converted into a combination of cash and shares of Company common stock, as set forth therein. The value of the shares of the Company common stock for use as merger consideration will be determined by the price at which a share of Company common stock is sold in a public offering to be consummated concurrently with the merger.

(iii) As contemplated by the Merger Agreement, on December 17, 2004, the Company, Holding, Kelso Investment Associates, L.P., a Delaware limited partnership (KIA), Kelso Equity Partners II, L.P., a Delaware limited partnership (KEP II), KIA III-Earle M. Jorgensen, L.P., a Delaware limited partnership (KIA III), and Kelso Investment Associates IV, L.P., a Delaware limited partnership (KIA IV) and together with KIA, KEP II and KIA III, the Kelso Entities), entered into an Exchange Agreement (the Exchange Agreement) pursuant to which (a) KIA IV will, concurrently with and subject to the completion of the merger, exchange (1) all of the outstanding Series A Variable Rate Notes of Holding for a combination of cash and shares of Company common stock and (2) all of its rights pursuant to two warrants issued to it by Holding entitling KIA IV to purchase shares of the common stock of Holding held by it for Company common stock and (b) each of the Kelso Entities will vote all shares of Holding capital stock held by the Kelso Entities in favor of the adoption and approval of the Merger Agreement and the merger.

Attached hereto as Exhibit 99.1, and incorporated herein by reference, is a copy of the Company's press release dated December 22, 2004, announcing the execution of the Merger Agreement and the Exchange Agreement.

In accordance with the terms of Mr. Nelson's option agreement and the Holding stock option plan, the payment is equal to the difference between the appraised value of the Holding common stock as of March 31, 2004 of \$13.76 and the exercise price of the options of \$5.41 per share.

(v) On December 16, 2004, Holding's board of directors approved an amendment to its stock option plan, pursuant to which the number of shares of Holding common stock issuable upon the exercise of each option will be increased by a factor of

In addition, the number of shares available for grant under the Holding stock option plan was increased to 4,000,000. The amendment was adopted to maintain the intrinsic value of the options, notwithstanding the change in the valuation methodology that was required by the amended consent order.

(vi) On December 17, 2004, the Company and Kelso & Company, L.P. (Kelso) entered into an Amendment to Advisory Agreement pursuant to which the Company will pay Kelso a fee of \$6,250,000 in connection with termination of the Company's obligation to pay fees to Kelso under its financial advisory agreement with Kelso. In consideration of Mr. Nelson's agreement, the Company has agreed to pay Mr. Nelson on March 31, 2007, a stay bonus of \$3,000,000 and to extend the exercise period of his outstanding stock options two years to January 31, 2009.
