PROXY STATEMENT

The Board of Directors of Sonic Foundry, Inc., a Maryland corporation (Sonic), hereby solicits the enclosed proxy. Unless instructed to the contrary on the proxy, it is the intention of the persons named in the proxy to vote the proxies:

FOR the election of Arnold B. Pollard as Director for term expiring in 2010; and

FOR the ratification of the appointment of Grant Thornton LLP as independent auditors of Sonic for the fiscal year ending September 30, 2005.

In the event that the nominee for director becomes unavailable to serve, which management does not anticipate, the persons named in the proxy reserve full discretion to vote for any other person who may be nominated. Proxies may also be authorized by telephone or over the Internet by following the instructions on the proxy card. Any stockholder giving a proxy may revoke the same at any time prior to the voting of such proxy. This Proxy Statement and the accompanying proxy are being mailed on or about April 4, 2005.

Each stockholder will be entitled to one vote for each share of Common Stock standing in his or her name on our books at the close of business on March 14, 2005 (the Record Date). On that date, we had outstanding and entitled to vote 30,173,233 shares of Common Stock.

QUORUM; VOTES REQUIRED

As of the Record Date, there were 30,173,233 shares of Common Stock outstanding and entitled to vote. Each share of outstanding Common Stock entitles the holder thereof to one vote. Votes cast by proxy or in person at the Annual Meeting will be tabulated by the inspector of elections appointed for the Annual Meeting and will determine whether or not a quorum is present. Where, as to any matter submitted to the stockholders for a vote, proxies are marked as abstentions (or stockholders appear in person but abstain from voting), such abstentions will be treated as shares that are present and entitled to vote for purposes of determining the presence of a quorum but as unvoted for purposes of determining the approval of any matter submitted to the stockholders for a vote. If a broker indicates on the proxy that it does not have discretionary authority as to certain shares to vote on a particular matter and has not received instructions from the beneficial owner, which is known as a broker non-vote, those shares will not be considered as present and entitled to vote with respect to that matter; however, such shares will be considered present for purposes of a quorum. A majority of the shares of Common Stock issued, outstanding and entitled to vote at the Annual Meeting, present in person or represented by proxy, shall constitute a quorum at the Annual Meeting.

Edgar Filing: SONIC FOUNDRY INC - Form DEF 14A

The election of the Directors requires a plurality of the votes present and entitled to vote. The approval of each other proposal requires the affirmative vote of the holders of a majority of the votes cast at the Annual Meeting.

DATE, TIME AND PLACE OF ANNUAL MEETING

The Annual Meeting will be held on May 12, 2005 at 9:00 a.m. (Central time) at the Monona Terrace Community and Convention Center, One John Nolen Drive, Madison, Wisconsin 53703.

RECORD DATE; STOCKHOLDERS ENTITLED TO VOTE

Only holders of issued and outstanding shares of Sonic's common stock as of the close of business on March 14, 2005 are entitled to notice of and to vote at the Annual Meeting, including any adjournment or postponement thereof. As of that date, there were 30,173,233 shares of Sonic's common stock outstanding, held by approximately 10,000 shareholders, of which approximately 9,500 were held in street name. The presence, in person or by proxy, at the Annual Meeting of the holders of a majority of the outstanding shares of our common stock is necessary to constitute a quorum at the Annual Meeting.

PROPOSAL ONE: ELECTION OF DIRECTOR

Our Amended and Restated Articles of Incorporation and Bylaws provide that the Board of Directors shall be divided into five classes, with each class having a five-year term. Directors are assigned to each class in accordance with a resolution or resolutions adopted by the Board of Directors, each class consisting, as nearly as possible, of one-fifth the total number of directors. Vacancies on the Board of Directors resulting from death, resignation, disqualification, removal or other causes may be filled by either the affirmative vote of the holders of a majority of the then-outstanding shares or by the affirmative vote of a majority of the remaining directors then in office, even if less than a quorum of the Board of the Directors. Newly created directorships resulting from any increase in the number of directors may, unless the Board of Directors determines otherwise, be filled only by the affirmative vote of the directors then in office, even if less than a quorum of the Board of Directors. A director elected by the Board of Directors to fill a vacancy (including a vacancy created by an increase in the number of directors) shall serve for the remainder of the full term of the class of directors in which the vacancy occurred and until such director's successor is elected and qualified.

Our Amended and Restated Articles of Incorporation provide that the number of directors, which shall constitute the whole Board of Directors, shall be fixed exclusively by one or more resolutions adopted from time to time by the Board of Directors. Our currently authorized number of directors is seven. The seat on the Board of Directors, currently held by Arnold B. Pollard, is designated a Class II Board seat, with a term expiring as of the Annual Meeting. Mr. Pollard will stand for re-election at this Annual Meeting.

Mr. Pollard is currently a Board member of Sonic who was previously elected by the stockholders. If elected at the Annual Meeting, Mr. Pollard would serve until the 2010 Annual Meeting and until his successor is elected and qualified or until his earlier death, resignation or removal.

Nominee for Director for a Five-Year term expiring on the 2010 Annual Meeting

Arnold B. Pollard

Mr. Pollard, age 62, has been a Director of Sonic since December 1997. From 1993 until January 2002, he was the President and Chief Executive Officer of Chief Executive Group, which publishes Chief Executive magazine. For over 25 years, he has been President of Decision Associates, a management consulting firm specializing in organizational strategy and structure. Mr. Pollard has served as a Director of Firebrand Financial Group, an investment banking, brokerage, and asset management firm, since 1996, and as a Director and a member of the compensation committee of Delta Financial Corporation, a public company engaged in the business of home mortgage lending and the International Management Education Foundation, a non-profit educational organization, also since 1996. He also serves on the advisory board of PeopleTrends. From 1989 to 1991, Mr. Pollard served as Chairman and Chief Executive Officer of Biopool International, a biodiagnostic public company focusing on blood related testing; and previously served on the boards of Lillian Vernon Corp. and DEBE Systems Corp. From 1970 to 1973, Mr. Pollard served as adjunct professor at the Columbia Graduate School of Business. Mr. Pollard graduated from Cornell University (Tau

Beta Pi), and holds a doctorate in Engineering-Economics Systems from Stanford University.

The election of a Director requires the approval of a plurality of the votes cast by holders of the shares of Sonic's common stock. Any shares not voted, whether by broker non-vote or otherwise, will have no impact on the outcome of the election.

The Board of Directors unanimously recommends a vote FOR the election of Mr. Pollard as Class II Director.

MEETINGS AND COMMITTEES OF DIRECTORS

The Board of Directors met five times during the fiscal year ended September 30, 2004 (Fiscal 2004). The Board of Directors has reviewed the independence of each director under the listing standards of the National Association of Securities Dealers. Based upon its review, the Board has determined that, of the seven directors who, if elected, will serve on the Board after the annual stockholders meeting, Messrs. Kleinman, Peercy, Weis and Pollard are independent as defined under Nasdaq listing standards.

The Board of Directors has four standing committees, the Audit Committee, the Executive Compensation Committee, the Nominating Committee and the Strategy Committee.

Sonic has a standing audit committee established in accordance with Section 3(a)(58)(A) of the Securities Exchange Act of 1934, as amended (the Exchange Act). Messrs. Kleinman (chair), Pollard and Weis served on the Audit Committee until the resignation of Mr. Pollard from the committee in February 2005 and the concurrent appointment of Mr. Peercy to the Audit Committee. Sonic's Board of Directors has determined that all members of Sonic's Audit Committee are independent as that term is used in Item 7(d)(3)(iv) of Schedule 14A under the Exchange Act and as defined under Nasdaq listing standards. The Audit Committee provides assistance to the Board in fulfilling its oversight responsibility including: (i) internal and external financial reporting, (ii) risks and controls related to financial reporting, and (iii) the internal and external audit process. The Audit Committee is also responsible for recommending to the Board the selection of our independent public accountants and for reviewing all related party transactions. The Audit Committee met eight times in Fiscal 2004. A copy of the charter of the Audit Committee is available on Sonic's website.

Sonic's Board of Directors has determined that, due to his affiliation with the Graduate School of Business at the University of Chicago, and due to his serving as a director on numerous company boards, along with his other academic and business credentials, Mr. Kleinman has the requisite experience and applicable background to meet Nasdaq standards requiring financial sophistication of at least one member of the audit committee. Sonic's Board of Directors has also determined that neither Mr. Kleinman nor any other member of the Audit Committee is an audit committee financial expert as defined by applicable SEC regulations. Sonic may choose to recruit one or more directors that satisfy the current requirements for an audit committee financial expert; however, Sonic has not yet identified an individual satisfying those criteria as well as other criteria that Sonic believes are important for an individual to make a meaningful contribution to the deliberations of the Board of Directors as a whole. There can be no assurance when, or if, Sonic will identify such an individual in the foreseeable future.

The Executive Compensation Committee consists of Messrs. Kleinman (chair), Pollard and Peercy. The Board of Directors has determined that all of the members are independent as defined under Nasdaq listing standards. The Executive Compensation Committee makes recommendations to the Board with respect to salaries of employees, the amount and allocation of any incentive bonuses among the employees, and the amount and terms of stock options to be granted to executive officers. The Committee is also responsible for establishing objective, formula-based performance goals, as well as subjective goals and certifying such goals as having been met. The Executive Compensation Committee met once in Fiscal 2004. A copy of the charter of the Executive Compensation Committee is available on Sonic's website.

The Nominating Committee was formed in April 2004 with Messrs. Pollard (chair) and Kleinman. The Board of Directors has determined that all of the members are independent as defined under Nasdaq listing standards. The purpose of the Nominating Committee is to evaluate and recommend candidates for election as directors, make recommendations concerning the size and composition of the Board of Directors, develop specific criteria for director independence, and assess the effectiveness of the Board of Directors. Our Board of Directors has adopted a charter for the Nominating Committee, which is available on Sonic's website. The Nominating Committee will review all candidates in the same manner regardless of the source of the recommendation. Shareholder recommendations of candidates for Board membership will be considered when submitted with sufficient detail including the candidate's name, principal occupation during the past 5 years, listing of directorships, a statement that such nominee has consented to the submission of the nomination, amount of common stock of Sonic held by the nominee and qualification addressed to:

Corporate Secretary

Sonic Foundry, Inc.

222 W. Washington Ave., Suite 775

Madison, WI 53703

The Strategy Committee, formed in October 2002, consists of Messrs. Pollard (chair), Buinevicius and Schmidt. The Strategy Committee meets regularly with senior management, an outside advisory board and other industry experts in order to develop and refine Sonic's business strategy. The Strategy Committee met in person seven times and held numerous telephonic meetings in fiscal 2004.

Each member of the Board attended at least 75% of the aggregate of the meetings of the Board and of the Committees on which he served and held during the period for which he was a Board or Committee member, respectively. Directors are expected to attend the Annual Meeting of Stockholders, and all directors attended the 2004 Annual Meeting with the exception of Mr. Weis, who was unable to do so.

DIRECTORS COMPENSATION

Our directors, who are not also our full-time employees, receive a fee of \$1,500 for attendance at each meeting of the Board of Directors and \$850 per committee meeting attended, other than the chair of our Audit committee, Mr. Kleinman, who receives \$2,000 per Audit Committee meeting attended. In addition, the chair of our strategy committee receives compensation of \$5,000 per month totaling \$60,000 in 2004 for his role in managing the activities of the strategy committee. The cash compensation paid to the five non-employee directors combined in Fiscal 2004 was \$112,700. When traveling from out-of-town, the members of the Board of Directors are also eligible for reimbursement for their travel expenses incurred in connection with attendance at Board meetings and Board Committee meetings. Directors who are also employees do not receive any compensation for their participation in Board or Board Committee meetings.

Pursuant to the Non-Employee Directors Stock Option Plan, we grant to each non-employee director who is reelected or who is continuing as a member of the Board of Directors at each annual stockholders meeting a stock option to purchase 20,000 shares of Common Stock. Further, the chair of our Audit Committee receives an additional stock option grant to purchase 5,000 shares of Common Stock per year pursuant to Sonic's Non Qualified Stock Option Plan. The exercise price of each stock option is equal to the market price of Common Stock on the date the stock option is granted. Stock options issued under the Non-Employee Directors Stock Option Plan generally will vest fully on the first anniversary of the date of grant and expire after ten years. An aggregate of 900,000 shares are reserved for issuance under the Non-Employee Directors Stock Option Plan. In addition, Mr. Pollard was granted an option to purchase 80,000 shares of Common Stock under Sonic's Non Qualified Stock Option Plan for service in his capacity as chairman of the strategy committee in fiscal 2003 and an option to purchase 76,000 shares of Common Stock under Sonic's Non Qualified Stock Option Plan and cash compensation of \$30,000 for business advisory services in February 2005.

If any change is made in the stock subject to the Non-Employee Directors Stock Option Plan, or subject to any option granted thereunder, the Non-Employee Directors Stock Option Plan and options outstanding thereunder will be appropriately adjusted as to the type(s), number of securities and price per share of stock subject to such outstanding options.

The options and warrants set forth above have an exercise price equal to the fair market value of the underlying common stock on the date of grant. The term of all such options is ten years.

PROPOSAL 2: RATIFICATION OF APPOINTMENT OF INDEPENDENT AUDITORS

The Board of Directors, upon the recommendation of the Audit Committee, has appointed the firm of Grant Thornton LLP (GT) as independent auditors to audit our financial statements for the year ending September 30, 2005, and has further directed that management submit the selection of independent public accountants for certification by the stockholders at the annual meeting. GT was appointed our independent public accountants and Ernst & Young LLP (EY) was dismissed in July 2004 upon approval of the Audit Committee on July 9, 2004. Representatives of GT are expected to be present at the annual meeting to respond to stockholders' questions and to have the opportunity to make any statements they consider appropriate.

Stockholder ratification of the selection of GT as our independent auditors is not required by our Bylaws or otherwise. However, the Board is submitting the selection of GT to the stockholders for ratification as a matter of good corporate practice. If the stockholders fail to ratify the selection, the Board and the Audit Committee will reconsider whether or not to retain that firm. Even if the selection is ratified, the Board and the Audit Committee in their discretion may direct the appointment of a different independent accounting firm at any time during the year if they determine that such a change would be in the best interests of Sonic and its stockholders.

The ratification of the appointment of GT as independent public accountants requires the approval of a majority of the votes cast by holders of our shares. Shares may be voted for or withheld from this matter. Shares that are withheld and broker non-votes will have no effect on this matter because ratification of the appointment of GT requires a majority of the shares cast.

Recommendation of Board of Directors

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE FOR PROPOSAL 2 RATIFYING THE APPOINTMENT OF GT AS INDEPENDENT AUDITORS FOR SONIC.

Changes in Registrant's Certifying Accountant

On July 12, 2004, Sonic dismissed EY as its independent public accountants and appointed Grant Thornton LLP as its new independent public accountants. The decision to dismiss EY and to retain GT was approved by the Company's Audit Committee on July 9, 2004.

EY's reports on Sonic's consolidated financial statements for each of the fiscal years ended September 30, 2003 and September 30, 2002 did not contain an adverse opinion or disclaimer of opinion, nor were they qualified or modified as to uncertainty, audit scope or accounting principles, except the report of EY on Sonic's financial statements for the year ended September 30, 2002 stated that these financial statements were prepared based on the assumption that Sonic will continue as a going concern and that Sonic's working capital deficiency as well as a current convertible debt obligation and no long-term credit availability at September 30, 2002 raised substantial doubt about Sonic's ability to continue as a going concern.

In connection with the audits of Sonic's financial statements for each of the two fiscal years ended September 30, 2003 and 2002 and through July 12, 2004, there were no disagreements with EY on any matters of accounting principles or practices, financial statement disclosure, or auditing scope and procedures which, if not resolved to EY's satisfaction, would have caused EY to make reference to the subject matter in their report. There were no reportable events, as that term is described in Item 304(a)(1)(v) of Regulation S-K.

Sonic provided EY with a copy of the foregoing disclosures originally filed on Form 8-K dated July 12, 2004 and requested that EY review such disclosures and provide a letter addressed to the Securities and Exchange Commission as specified by Item 304(a)(3) of Regulation S-K. A copy of such letter, dated July 15, 2004, was filed as Exhibit 16 to such Form 8-K.

During the fiscal years ended September 30, 2003 and September 30, 2002, and the subsequent interim period through July 12, 2004, Sonic did not consult with GT regarding any of the matters or events set forth in Item 304(a)(2)(i) and (ii) of Regulation S-K.

Relations with Independent Auditors

GT has served as our independent public accountants since appointment in July 2004. As stated in Proposal 2, the Board has selected GT to serve as our independent auditors for the fiscal year ending September 30, 2005.

Edgar Filing: SONIC FOUNDRY INC - Form DEF 14A

Audit services performed by GT for fiscal 2004 consisted of the examination of our financial statements, review of third quarter fiscal results, and services related to filings with the Securities and Exchange Commission (SEC). Audit services performed by EY for fiscal 2004 consisted of the review of our first two fiscal quarters and services related to filings with the SEC. We also retained GT and EY to perform certain other tax and consultative services. All fees paid to GT were reviewed, considered for independence and upon determination that such payments were compatible with maintaining such auditors' independence, approved by Sonic's audit committee prior to performance.

Fiscal 2004 and 2003 Audit Firm Fee Summary

During fiscal 2004 and 2003, we retained EY and GT to provide services in the following categories and amounts:

	Years Ended September 30,	
	2004	2003
GT		
Audit Fees	\$ 77,425	\$
Audit Related	10,300	
Tax Related	620	
Other Fees		
EY		
Audit Fees	49,810	157,650
Audit Related		5,915
Tax Related	39,740	27,465
Other Fees	1,500	

All of the services described above were approved by Sonic's audit committee and prior to performance. The Audit Committee may, in its discretion, delegate to one or more of its members the authority to pre-approve any audit or non-audit services to be performed by the independent auditors, provided that any such approvals are presented to the Audit Committee at its next scheduled meeting. The audit committee has determined that the payments made to its independent accountants for these services are compatible with maintaining such auditors independence.

REPORT OF THE AUDIT COMMITTEE ¹

The Audit Committee's role includes the oversight of our financial, accounting and reporting processes, our system of internal accounting and financial controls and our compliance with related legal and regulatory requirements, the appointment, engagement, termination and oversight of our independent auditors, including conducting a review of their independence, reviewing and approving the planned scope of our annual audit, overseeing the independent auditors' audit work, reviewing and pre-approving any audit and non-audit services that may be performed by them, reviewing with management and our independent auditors the adequacy of our internal financial controls, and reviewing our critical accounting policies and the application of accounting principles. The Audit Committee held eight meetings during fiscal 2004.

In February 2005, the Board accepted the resignation of Mr. Pollard and appointed Mr. Percy to the Audit Committee. Msrs. Kleinman, Weis and Percy meet the rules of the SEC for audit committee membership and are independent as that term is used in Item 7(d)(3)(iv) of Schedule 14A under the Exchange Act and under Nasdaq listing standards. In April 2004, the Board approved revisions to the Audit Committee Charter to reflect new rules and standards set forth in certain SEC regulations as well as changes to Nasdaq listing standards. A copy of the Audit Committee Charter was attached as Exhibit A to the 2004 proxy statement filed on April 26, 2004, and is available on Sonic's website.

As set forth in the Audit Committee Charter, management of Sonic is responsible for the preparation, presentation and integrity of Sonic's financial statements and for the effectiveness of internal control over financial reporting. Management and the internal auditing department are responsible for maintaining Sonic's accounting and financial

reporting principles and internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. The independent auditors are responsible for auditing Sonic's financial statements and expressing an opinion as to their conformity with generally accepted accounting principles.

We have reviewed and discussed with our independent auditors, GT, matters required to be discussed pursuant to Statement on Auditing Standards No. 61 (Communications with Audit Committees). We have received from the auditors a formal written statement describing the relationships between the auditor and Sonic that might bear on the auditor's independence consistent with Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees). We have discussed with GT matters relating to its independence, including a review of both audit and non-audit fees, and considered the compatibility of non-audit services with the auditors' independence.

The members of the Audit Committee are not full-time employees of Sonic and are not performing the functions of auditors or accountants. As such, it is not the duty or responsibility of the Audit Committee or its members to conduct field work or other types of auditing or accounting reviews or procedures or to set auditor independence standards. Members of the Committee necessarily rely on the information provided to them by management and the independent accountants. Accordingly, the Audit Committee's considerations and discussions referred to above do not assure that the audit of Sonic's financial statements has been carried out in accordance with generally accepted auditing standards, that the financial statements are presented in accordance with generally accepted accounting principles or that Sonic's auditors are in fact independent.

We have reviewed and discussed with management and GT the audited financial statements. We discussed with GT the overall scope and plans of their audit. We met with GT, with and without management present, to discuss results of their examination, their evaluation of Sonic's internal controls, and the overall quality of Sonic's financial reporting.

Based on the reviews and discussions referred to above and our review of Sonic's audited financial statements for fiscal 2004, we recommended to the Board that the audited financial statements be included in the Annual Report on Form 10-K for the fiscal year ended September 30, 2004, for filing with the SEC.

Respectfully submitted,

The salaries of each of Messrs. Buinevicius and Schmidt are subject to increase each year at the discretion of the Board of Directors. Messrs. Buinevicius and Schmidt are also entitled to incidental benefits of employment under the agreements. If the employee becomes disabled, he may terminate his employment and receive all salary owed to him at that time, prorated, plus a lump sum equal to the highest annual salary and bonus paid to him in any of the three years immediately preceding the termination. Pursuant to the employment agreements, each of Messrs. Buinevicius and Schmidt has agreed not to disclose our confidential information and not to compete against us during the term of his employment agreement and for a period of two years thereafter. Such non-compete clauses may not be enforceable, or may only be partially enforceable, in state courts of relevant jurisdictions.

REPORT OF THE EXECUTIVE COMPENSATION COMMITTEE¹

The Executive Compensation Committee (the Committee) of the Board of Directors is composed entirely of outside, non-management directors. The Committee sets and administers the policies governing annual compensation of executive officers, including cash compensation and stock option programs for executive employees.

Compensation Policies

Sonic Foundry operates in the competitive and rapidly changing high technology and rich media communications environment. The goals of our executive compensation program are to motivate executives to achieve our business objectives in this environment and reward them for their achievement, foster teamwork, and attract and retain executive officers who contribute to our long-term success. During fiscal 2004, we used primarily salary, incentive bonuses, stock options and personal use of company vehicles to meet these goals. Sonic's executive compensation programs are intended to attract and retain qualified executives and to motivate them to achieve goals that will lead to appreciation of stockholder value.

Our philosophy and guiding principles are to provide compensation levels that are comparable to those offered by other leading high technology companies. Our compensation policies align the interests of our officers with the long-term interests of our stockholders through stock compensation. For example, following completion of fiscal 2004, we granted an aggregate of 350,000 options to purchase shares of common stock under our Non-Qualified Stock Option Plan. Another principle is that a substantial portion of each executive's compensation be in the form of an incentive bonus. Receipt of this bonus, is contingent upon meeting both individual performance goals and company objectives. However, we retain the authority to alter the bonus amounts because qualitative factors and long-term results need to be evaluated as well as the short-term operating results. Factors used in determining bonus amounts granted in October

¹ The material in this report is not soliciting material, is not deemed filed with the SEC and is not to be incorporated by reference in any filing of Sonic under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended, whether made before or after the date hereof and irrespective of any general incorporation language in any such filing.

2004 included individual performance impacting successful new product releases and achievement of 200+% revenue growth. Executive bonus granted in October 2004 totaled \$160,000.

Annual Compensation

The salary portion of executive compensation is determined annually by reference to multiple surveys of high technology companies. The executive officers are matched to each position by comparing their responsibilities to the survey description most accurately representing their position with us by content, organizational level and level of revenue. Given the officers' levels of responsibility and our past performance, we target a competitive salary for each executive officer. A substantial portion of the annual compensation of each executive officer would normally have been in the form of an incentive bonus, which becomes a greater portion of an officer's potential total compensation as the executive's level of responsibility increases.

Long-term Compensation.

The Committee has utilized stock options for all employees to motivate and retain them for the long-term. The Committee believes that these forms of compensation closely align the employee's interests with those of stockholders and provide a major incentive to them in building stockholder value.

Options are typically granted annually and are subject to vesting provisions to encourage employees to remain employed with Sonic Foundry. The Committee granted options to executives on November 26, 2004 following completion of fiscal 2004.

Each executive officer receives stock options based upon that officer's relative position, responsibilities and performance by the individual over the previous fiscal year and the officer's anticipated performance, responsibilities and cash compensation. Additionally, we consider the net present value of the grant compared to typical grants at high technology companies of a similar size to Sonic Foundry. We also review the prior level of grants to the officers and to other members of senior management, including the number of shares that continue to be subject to vesting under outstanding options, in setting the level of options to be granted to the executive officers.

Stock options are granted at an option price equal to the fair market value of Sonic's Common Stock on the date of the grant and are subject to vesting over varying periods. The option-vesting period is designed to encourage employees to work with a long-term view of Sonic's welfare and to establish their long-term affiliation with Sonic. It is also designed to reduce employee turnover and to retain the knowledge and skills of valued staff.

Chief Executive Officer Compensation

In an effort to conserve cash in a weak economy, Mr. Buinevicius asked the compensation committee to reduce his base compensation from \$250,000 to \$200,000 as of January 1, 2001 and further to \$1,229 in December 2001. Mr. Buinevicius was granted 750,000 Common Stock options issued under the Non-Qualified Stock Option Plan as consideration for reducing his salary and 250,000 performance-based stock options. The Committee increased Mr. Buinevicius' annual base compensation to \$200,000 upon the successful sale of the desktop software business in July 2003 and returned it to the level of \$250,000 in October 2004. Further, Mr. Buinevicius was awarded a cash bonus of \$40,000 in October 2004 and granted an option to purchase 50,000 shares of common stock in November 2004.

Respectfully submitted,

EXECUTIVE COMPENSATION COMMITTEE
