ITEM 8.01 OTHER EVENTS

On May 6, 2005, International Paper Company (the Company) received \$35,857,205 from the collection of notes receivable (the Notes) accepted in connection with the sale of the Company's Flexible Packaging business in 2001 (the Sale). The Notes had a maturity date in 2012, however they could be prepaid at anytime. The \$25 million principal amount of the proceeds will be recorded in the 2005 second quarter as an adjustment of the loss on the Sale originally recorded in the third quarter 2001. The remaining \$10,857,205 represents interest income that will also be recorded in the 2005 second quarter.

On May 10, 2005, the Board of Directors of the Company approved the International Paper Company Domestic Reinvestment Plan (the Plan), which had been approved by John V. Faraci, Chairman and Chief Executive Officer, on May 9, 2005 (the Plan), that is expected to result in repatriations of approximately \$1 billion of cash from certain of the Company's foreign subsidiaries under the American Jobs Creation Act of 2004 (the Act). Income tax expenses associated with the repatriations, currently estimated at approximately \$150 million, will be recorded in the 2005 second quarter. The Company is in the process of considering whether it will repatriate any additional amounts under the provisions of the Act.
