PROXY STATEMENT

ANNUAL MEETING OF SHAREHOLDERS

JUNE 14, 2005

INFORMATION CONCERNING SOLICITATION AND VOTING

The following information is provided in connection with the solicitation of proxies by and on behalf of the Board of Directors of BJ s Restaurants, Inc. (the Company) in connection with the Annual Meeting of Shareholders of the Company (the Annual Meeting) and adjournments or postponements thereof to be held on June 14, 2005 at the Company s BJ s Restaurant & Brewhouse located at 16060 Beach Boulevard, Huntington Beach, California 92647, at 9:00 a.m., Pacific Time for the purposes stated in the Notice of Annual Meeting of Shareholders preceding this Proxy Statement.

SOLICITATION AND REVOCATION OF PROXIES

A form of proxy is being furnished herewith by the Company to each shareholder and in each case is solicited on behalf of the Board of Directors of the Company for use at the Annual Meeting. We made copies of this Proxy Statement available to shareholders beginning on May 20, 2005. The Company will bear the cost of the solicitation of proxies, including the charges and expenses of brokerage firms and others forwarding the solicitation material to beneficial owners of stock. The Company may pay persons holding shares in their names or the names of their nominees for the benefit of others, such as brokerage firms, banks, depositaries, and other fiduciaries, for costs incurred in forwarding soliciting materials to their principals. The costs of such solicitation are not expected to exceed \$5,000. Directors, officers and regular administrative employees of the Company may solicit proxies personally, by telephone or telegraph but will not be separately compensated for such solicitation services.

Shareholders are requested to complete, date and sign the accompanying proxy and return it promptly to the Company. Any proxy given may be revoked by a shareholder at any time before it is voted at the Annual Meeting and all adjournments thereof by filing with the Secretary of the Company a notice in writing revoking it, or by duly executing and submitting a proxy bearing a later date. Proxies may also be revoked by any shareholder present at the Annual Meeting who expresses a desire to vote such shares in person. Subject to such revocation, all proxies duly

Edgar Filing: BJ's RESTAURANTS INC - Form DEF 14A

executed and received prior to, or at the time of, the Annual Meeting will be voted FOR the election of all nine of the nominee-directors specified herein, FOR the approval of BJ's Restaurants, Inc. 2005 Equity Incentive Plan, and FOR the ratification of the selection of Ernst & Young LLP as the Company's independent registered public accounting firm for fiscal year 2005, unless a contrary choice is specified in the proxy. Where a specification is indicated as provided in the proxy, the shares represented by the proxy will be voted and cast in accordance with the specification made therein. As to other matters, if any, to be voted upon, the persons designated as proxies will take such actions as they, in their discretion, may deem advisable. The persons named as proxies were selected by the Board of Directors of the Company and each of them is a Director of the Company.

Your execution of the enclosed proxy will not affect your right as a shareholder to attend the Annual Meeting and to vote in person.

Under the Company's bylaws and California law, shares represented by proxies that reflect abstentions or broker non-votes (i.e., shares held by a broker or nominee which are represented at the Annual Meeting, but with respect to which such broker or nominee is not empowered to vote on a particular proposal) will be counted as shares that are present and entitled to vote for purposes of determining the presence of a quorum. Any shares represented at the Annual Meeting but not voted (whether by abstention, broker non-vote or otherwise) will have no impact on the election of directors, except to the extent that the failure to vote for an individual results in another individual receiving a larger proportion of votes. Any shares represented at the Annual Meeting but not voted (whether by abstention, broker non-vote or otherwise) with respect to ratification and approval of the 2005 Equity Incentive Plan and ratification of the selection of Ernst & Young LLP will have the same effect as votes against such proposals. Broker non-votes will be treated as unvoted for purposes of determining approval of any such proposals and will not be counted as votes for or against such proposals.

SHAREHOLDERS VOTING RIGHTS

Only holders of record of the Company's Common Stock, no par value (Common Stock), at the close of business on May 2, 2005 (the Record Date) will be entitled to notice of, and to vote at, the Annual Meeting. On such date, there were 22,585,886 shares of Common Stock outstanding, with one vote per share.

With respect to election of directors, assuming a quorum is present, the nine candidates receiving the highest number of votes are elected. See Nomination and Election of Directors. To approve BJ's Restaurants, Inc. 2005 Equity Incentive Plan, assuming a quorum is present, the affirmative vote of shareholders holding a majority of the voting power represented and voting at the meeting (which shares voting affirmatively also constitute at least a majority of the required quorum) is required. To ratify the appointment of Ernst & Young LLP, assuming a quorum is present, the affirmative vote of shareholders holding a majority of the voting power represented and voting at the meeting (which shares voting affirmatively also constitute at least a majority of the required quorum) is required. A quorum is the presence in person or by proxy of shares representing a majority of the voting power of the Common Stock.

NOMINATION AND ELECTION OF DIRECTORS
(PROPOSAL NO. 1 ON PROXY CARD)

The Company's directors are to be elected at each annual meeting of shareholders. At this Annual Meeting, nine directors are to be elected to serve until the next annual meeting of shareholders and until their successors are elected and qualify. The nominees for election as directors at this Annual Meeting set forth in the table below are all recommended by the Board of Directors of the Company. In the event that any of the nominees for director should become unable to serve if elected, it is intended that shares represented by proxies which are executed and returned will be voted for such substitute nominee(s) as may be recommended by the Company's existing Board of Directors.

The nine nominee-directors receiving the highest number of votes cast at the Annual Meeting will be elected as the Company's directors. Subject to certain exceptions specified below, shareholders of record on the Record Date are entitled to cumulate their votes in the election of the Company's directors (i.e., they are entitled to the number of votes determined by multiplying the number of shares held by them times the number of directors to be elected) and may cast all of their votes so determined for one person, or spread their votes among two or more persons as they see fit. No shareholder shall be entitled to cumulate votes for a given candidate for director unless such candidate's name has been placed in nomination prior to the vote and the shareholder has given notice at the Annual Meeting, prior to the voting, of the shareholder's intention to cumulate his or her votes. If any one shareholder has given such notice, all shareholders may cumulate their votes for candidates in nomination. Discretionary authority to cumulate votes is hereby solicited by the Board of Directors if any shareholder gives notice of his or her intention to exercise the right to cumulative voting. In that event, the Board of Directors will instruct the proxy holders to vote all shares represented by proxies in a manner that will result in the approval of the maximum number of directors from the nominees selected by the Board of Directors that may be elected with the votes held by the proxy holders.

Determination of Director Independence

Pursuant to the *Corporate Governance Guidelines*, the Board undertook its annual review of director independence in February 2005. During these reviews, the Board considered transactions and relationships between each director or any member of his or her immediate family and the Company and its subsidiaries and affiliates, including those reported under "Certain Relationships and Related Transactions". The Board also examined transactions and relationships between directors or their affiliates and members of the Company's senior management or their affiliates. As provided in the *Corporate Governance Guidelines*, the purpose of this review was to determine whether any such relationships or transactions were inconsistent with a determination that the director is independent.

Edgar Filing: BJs RESTAURANTS INC - Form DEF 14A

As a result of this review, the Board affirmatively determined that all of the directors nominated for election at the annual meeting are independent of the Company and its management under the standards set forth in the

Corporate Governance Guidelines, with the exception of Paul A. Motenko, Jeremiah J. Hennessy, Gerald W. Deitchle and James A. Dal Pozzo. Messrs. Motenko and Hennessy are considered inside directors because of their employment as senior executives of the Company. Under the newly adopted independence standard in the *Guidelines*, Mr. Dal Pozzo is considered a non-independent outside director because of the amount of food products purchased by the Company from The Jacmar Companies, which employs Mr. Dal Pozzo as President. Mr. Deitchle is now considered a non-independent director because, as of February 1, 2005, he became the Company's President and Chief Executive Officer.

As Louis Mucci has become the Company's Chief Financial Officer, he is no longer considered an independent director as defined by NASDAQ. He has agreed to not seek re-election to the Board until a majority of Board membership is composed of sufficient independent directors to allow for him joining the Board.

Board Meetings

The Board met six times during fiscal 2004. Each director attended all of the meetings of the Board and Committees on which he served. All Directors attended the Company's annual shareholders' meeting in June 2004. Each of the directors of the Company attended 75% or more of the aggregate of the total number of meetings of the Board of Directors held during the period in which he was a director.

Audit Committee

The Company maintains an Audit Committee which reviews and reports to the Board on various auditing and accounting matters, including the annual audit report from the Company's independent public accountants. From January 2004 until March 15, 2004, the Audit Committee consisted of Louis Mucci (Chairman), Steve Leonard and John Grundhofer. On March 15, 2004, Mr. Mucci accepted the position of Chief Financial Officer of the Company and resigned from his position on the Audit Committee. On March 16, 2004, Mr. Shann Brassfield accepted a position on the Audit Committee and Mr. John F. Grundhofer accepted the position of Chairman of the Audit Committee and, from March 2004 through July 2004, the Audit Committee consisted of Mr. Grundhofer (Chairman), Mr. Leonard and Mr. Brassfield. In July 2004, Mr. Bouts and in September 2004 Mr. Bassi joined the Audit Committee, when Mr. Brassfield resigned from the Audit Committee and Mr. Leonard resigned from the Committee and Board. Thereafter, from September 2004 through the remainder of fiscal year 2004, the Audit Committee consisted of Mr. Grundhofer (Chairman), Mr. Bouts and Mr. Bassi. The Audit Committee held four meetings during the last fiscal year. See Report of the Audit Committee for a further description of the functions performed by the Audit Committee.

Compensation Committee

The Compensation Committee determines executive compensation policies, administers compensation plans, reviews programs and policies and monitors the performance and compensation of certain officers and other employees. The Compensation Committee determines appropriate awards under the Company's 1996 Stock Option Plan. The Compensation Committee consisted of Messrs. J. Roger King, Steve Leonard and Shann Brassfield during the fiscal year 2004. Mr. King is the Chairman of the Compensation Committee. Mr. Peter Bassi accepted a position on the Compensation Committee when Mr. Leonard resigned from the Board. The Compensation Committee held three meetings during the last fiscal year.

Governance and Nomination Committee

The Company also maintains a Governance and Nomination Committee that is responsible for developing and implementing policies and practices relating to corporate governance, including reviewing and monitoring implementation of the Company's corporate governance. In addition, the Committee develops and reviews background information on candidates for the Board and makes recommendations to the Board regarding such candidates. The Committee also prepares and supervises the Board's annual review of directors' independence and the Board's performance self-evaluation. The charter of the Governance and Nomination Committee is available on the Company's website (www.bjsbrewhouse.com). The Governance and Nominating Committee considers candidates for Board membership suggested by its members and other Board members, as well as management and shareholders. A shareholder who wishes to recommend a prospective nominee for the Board should notify the Company's Director of Corporate Relations or any member of the Governance and Nominating Committee in writing with whatever supporting material the shareholder considers appropriate. The Governance and Nominating Committee will also consider whether to nominate any person nominated by a shareholder pursuant to the provisions of the Company's bylaws relating to shareholder nominations.

Once the Governance and Nominating Committee has identified a prospective nominee, the Committee makes an initial determination as to whether to conduct a full evaluation of the candidate. This initial determination is based on whatever information is provided to the Committee with the recommendation of the prospective candidate, as well as the Committee's own knowledge of the prospective candidate, which may be

supplemented by inquiries to the person making the recommendation or others. The preliminary determination is based primarily on the need for additional Board members to fill vacancies or expand the size of the Board and the likelihood that the prospective nominee can satisfy the evaluation factors described below. If the Committee determines, in consultation with the Chairman of the Board and other Board members, as appropriate, that additional consideration is warranted, it may request the third-party search firm to gather additional information about the prospective nominee's background and experience and to report its findings to the Committee. The Committee then evaluates the prospective nominee against the standards and qualifications set out in the Company's *Corporate Governance Guidelines*, including:

the ability of the prospective nominee to represent the interests of the shareholders of the Company;

the prospective nominee's standards of integrity, commitment and independence of thought and judgment;

the prospective nominee's ability to dedicate sufficient time, energy and attention to the diligent performance of his or her duties, including the prospective nominee's service on other public company boards;

the extent to which the prospective nominee contributes to the range of talent, skill and expertise appropriate for the Board;

the extent to which the prospective nominee helps the Board reflect the diversity of the Company's shareholders, employees, customers, guests and communities.

The Committee also considers such other relevant factors as it deems appropriate, including the current composition of the Board, the balance of management and independent directors, the need for Audit Committee expertise and the evaluations of other prospective nominees. In connection with this evaluation, the Committee determines whether to interview the prospective nominee, and if warranted, one or more members of the Committee, and others as appropriate, interview prospective nominees in person or by telephone. After completing this evaluation and interview, the Committee makes a recommendation to the full Board as to the persons who should be nominated by the Board, and the Board determines the nominees after considering the recommendation and report of the Committee.

The Governance and Nomination Committee was established in March 2004 and consists of Mr. Grundhofer, Mr. Brassfield and Mr. King, all of whom are independent directors. Mr. Grundhofer serves as Chairman of the Governance and Nomination Committee. The Governance and Nomination Committee held two meetings during the last fiscal year.

Any shareholder, who wishes to communicate directly with the Board of Directors or one or more specific directors, may send a letter addressed to the Board of Directors or to the specific directors intended to be addressed to the Company's principal office. Alternatively, a shareholder may send an email to Ms. Dianne Scott at dscott@bjsrestaurants.com, and indicate in the email the specific directors to whom the communication is addressed. The Company will forward all communications to the Board of Directors or to the specific directors identified by the shareholder. The Company's current policy is to send every shareholder's communication addressed to the Board of Directors or to one or more specific directors to the identified directors.

REPORT OF AUDIT COMMITTEE

The following Audit Committee report does not constitute soliciting material and shall not be deemed filed or incorporated by reference into any other Company filing under the Securities Act of 1933, as amended or the Securities Exchange Act of 1934, as amended, except to the extent the Company specifically incorporates this Audit Committee report by reference therein.

In accordance with its written charter adopted by the Board of Directors, the Audit Committee assists the Board in overseeing and monitoring the Company's financial reporting practices. A copy of the Audit Committee Charter was attached as Exhibit 1 to the 2004 proxy. The members of the Audit Committee are independent (as such term is defined in Rule 4200(a)(14) of the National Association of Securities Dealers' listing standards, which are applicable to the Company as a result of the listing of its Common Stock on the NASDAQ Market). In addition, all members of the Audit Committee have been designated as financial experts (as such term is defined in SEC Release Nos. 33-8177A and 33-8177).

As more fully described in its charter, the Audit Committee oversees the Company's financial reporting and internal control processes on behalf of the Board of Directors, as well as the independent audit of the Company's consolidated financial statements by the Company's independent auditors. The Audit Committee approved the engagement of Ernst & Young LLP (E&Y) as the Company's independent auditors for fiscal year 2004. Management has the primary responsibility for the Company's financial statements and the financial reporting process, including the Company's system of internal controls. In fulfilling its oversight responsibilities, the Audit Committee reviewed and discussed the Company's audited financial statements for fiscal 2004 with management and E&Y. Management and E&Y have represented to the Audit Committee that the Company's consolidated financial statements were prepared in accordance with generally accepted accounting principles.

The Committee reviewed with the independent auditors, who are responsible for expressing an opinion on the conformity of those audited financial statements with accounting principles generally accepted in the United States, their judgments as to the quality, not just the acceptability, of the Company's accounting principles and such other matters as are required to be discussed with the Committee under auditing standards generally accepted in the United States, including matters required to be discussed by Statement on Auditing Standards No. 61, *Communication with Audit Committees*. In addition, the Committee has discussed with the independent auditors the auditors' independence from management and the Company including the matters in the written disclosures required by the Independence Standards Board and considered the compatibility of non-audit services with the auditors' independence.

The Committee discussed with the Company's independent auditors the overall scope and plans for their respective audits. The Committee meets with the independent auditors, with and without management present, to discuss the results of their examinations, their evaluations of the Company's internal controls, and the overall quality of the Company's financial reporting.

In reliance on the reviews and discussions referred to above, the Committee recommended to the Board of Directors (and the Board has approved) that the audited financial statements be included in the Annual Report on Form 10-K for the year ended January 2, 2005 for filing with the Securities and Exchange Commission. The Committee and the Board have also recommended, subject to shareholder approval, the

Edgar Filing: BJ's RESTAURANTS INC - Form DEF 14A

selection of Ernst & Young LLP as the Company's independent auditors for its fiscal year 2005.

EMPLOYMENT AGREEMENTS

Each of Mr. Paul Motenko and Mr. Jeremiah Hennessy have employment agreements with the Company dated March 25, 1996, the terms of which were amended in November 2000 as a result of the change in control provisions of those agreements that were triggered in November 2000 when more than 15% of the Company's outstanding Common Stock was acquired by The Jacmar Companies. These modifications included: (1) an increase in annual base salary from approximately \$150,000 per year to \$225,000 per year, (2) an extension of the agreements to December 31, 2006, and (3) a grant of options for 330,679 shares of Common Stock at an exercise price of \$2.75, subject to approval of the shareholders of the Company or, if the shareholders did not approve the option, an increase in base salary by an additional \$170,000 per year. Options were approved at the 2001 Annual Shareholders Meeting and options were granted. Pursuant to their employment agreements, Mr. Motenko and Mr. Hennessy are each entitled to receive annual cash compensation of \$225,000, subject to escalation annually in accordance with the Consumer Price Index (the CPI). In addition, the employment agreements entitle each of the Executives to receive two annual bonuses based on the Company's financial performance, one for attainment of specified earnings before interest, amortization, depreciation and income taxes (EBITDA), and one for attainment of specified pre-tax income. The EBITDA bonus entitles each Executive to receive the following amounts if the following EBITDA amounts are attained for each fiscal year during the term of their respective employment agreements:

EBITDA	Cash Bonus
\$2,000,000	\$ 25,000
\$3,000,000	\$ 35,000
\$6,000,000	\$ 80,000
\$9,000,000	\$ 150,000

Based on the above bonus formula, for the year ended January 2, 2005, each of Messrs. Motenko and Hennessy earned a cash bonus of \$150,000 based on the Company's EBITDA for fiscal 2004 of approximately \$13,878,000. The pre-tax income bonus provision of the employment agreements would entitle each Executive to receive the following amounts if the following pre-tax income amounts (as reported in the

Edgar Filing: BJs RESTAURANTS INC - Form DEF 14A

Company's audited annual financial statements) are attained for each fiscal year during the term of the employment agreements, commencing with the fiscal year ending December 31, 2001.

Pre-Tax Income	Cash Bonus
\$7,166,000	\$ 25,000
\$14,333,000	\$ 75,000
\$28,665,000	\$ 150,000

The pre-tax income levels required to receive each bonus level for each fiscal year following the 2002 fiscal year have been increased by 20% per year. Based on the above bonus formula, for the year ended January 2, 2004, each of Messrs. Motenko and Hennessy earned a cash bonus of \$25,000 based on the Company's pre tax income for fiscal 2004 of approximately \$8,551,000. Messrs. Motenko and Hennessy are entitled to certain other fringe benefits including use of a Company automobile or automobile allowance, life insurance coverage, disability insurance, family health insurance and the right to participate in the Company's customary executive benefit plans. The employment agreements further provide that following the voluntary or involuntary termination of their employment by the Company, each Executive is entitled to demand registration rights with respect to the Common Stock held by or issuable to him. Upon the occurrence of any Termination Event (as hereinafter defined), the Company may terminate the employment agreements. If such termination occurs, the Executive will be entitled to receive all amounts payable by the Company under his employment agreement to the date of termination. If the Company terminates the employment agreement for a reason other than the occurrence of a Termination Event or if the Executive terminates the employment agreement because of a breach by the Company of its obligations thereunder or for Good Reason (as hereinafter defined), the Executive will be entitled to receive any and all payments and benefits which would have been due to him from the Company up to and including December 31, 2006 or any extension thereof had his employment not been terminated. Termination Event means any of the following: (i) the willful and continued failure by the Executive to substantially perform his duties under the Employment Agreement (other than any such failure resulting from the Executive's incapacity due to physical or mental illness) after demand for substantial performance is delivered by the Company specifically identifying the manner in which the Company believes the Executive has not substantially performed his duties; (ii) the Executive being convicted of a crime constituting a felony; (iii) the Executive intentionally committing acts or failing to act, either of which involves willful malfeasance with the intent to maliciously harm the business of the Company; (iv) the Executive's willful violation of the confidentiality provisions under the Employment Agreement; or (v) death or physical or mental disability which results in the inability of the Executive to perform the required services for an aggregate of 180 calendar days during any period of 12 consecutive months. No act, or failure to act, on the Executive's part shall be considered willful unless intentionally done, or intentionally omitted to be done, by him not in good faith and without reasonable belief that his action or omission was in the best interest of the Company. Notwithstanding the foregoing, a Termination Event shall not have been deemed to have occurred unless and until there shall have been delivered to the Executive a copy of a resolution, duly adopted by the affirmative vote of not less than a majority of the entire membership of the Board at a meeting of the Board called and held for such purpose (after reasonable notice to the Executive and an opportunity for him, together with his counsel, to be heard before the Board), finding that, in the good faith opinion of the Board, the Executive conducted, or failed to conduct, himself in a manner set forth above in clauses (i)-(iv), and specifying the particulars thereof in detail. For purposes of the Employment Agreement, Good Reason shall mean (i) any removal of the Executive from, or any failure to re-elect the Executive to his current office except in connection with termination of the Executive's employment for disability; provided, however, that any removal of the Executive from, or any failure to re-elect the Executive to his current office (except in connection with termination of the Executive's employment for disability) shall not diminish or reduce the obligations of the Company to the Executive under the employment agreement; (ii) a reduction of ten percent (10%) or more in the Executive's then current base salary; (iii) any failure by the Company to comply with any of its obligations to the Executive under the employment agreement; (iv) for any reason within 120 days following a Change of Control (as defined in the employment agreement); or (v) the failure of the Company to obtain the assumption of the employment agreement by any successor to the Company, as provided in the employment agreement. Messrs. Motenko and Hennessy amended their employment agreements making them Co-Chairman upon the hiring of Gerald W. Deitchle as CEO.

On December 26, 2000, the Company's former President, Mr. Klinger, voluntarily terminated his employment agreement with the Company under the change in control provisions of his employment agreement, which were substantially identical to those described above with respect to the employment agreements of Messrs. Motenko and Hennessy. Under Mr. Klinger's employment agreement, he had certain rights to receive compensation equal to the amount of compensation to which he would have been entitled under his agreement for its remaining term which expired on March 24, 2004. Mr. Klinger's compensation under the severance

provisions of his agreement was the same as that earned by Mr. Motenko and Mr. Hennessy for fiscal years 2001, 2002 and 2003 and the first three months of 2004. The Company has made all the payments required under the employment agreement and no further payments are required to be made to Mr. Klinger.

Under the three year employment agreement of the Company with Michael A. Nahkunst dated March 20, 2002; Mr. Nahkunst is entitled to receive a base salary of \$200,000 per year and an annual bonus of \$67,772 to be paid over the first year of employment. During 2003, Mr. Nahkunst's base salary was increased to \$250,000. Bonus payments for the second and third year of the agreement are at the discretion of the Company. Mr. Nahkunst also received a stock option grant of 150,000 shares on his first day of employment with vesting over a five year period. If Mr. Nahkunst is terminated without cause, he is entitled to up to one year of salary payments and all remaining stock options would vest. Mr. Nahkunst is entitled to certain other fringe benefits including an automobile allowance, life insurance, disability insurance, family health insurance and the right to participate in the Company's customary executive benefit plans. Mr. Nahkunst employment agreement expired on March 21, 2005 and he left the Company.

Under the employment agreement of the Company with C. Douglas Mitchell dated September 17, 2002; Mr. Mitchell is entitled to receive a base salary of \$150,000 per year and an annual bonus of \$25,000 to be paid over the first year of employment. Bonus payments for subsequent years are at the discretion of the Company. Mr. Mitchell also received a stock option grant of 50,000 shares on his first day of employment with vesting over a five year period. Mr. Mitchell resigned as Chief Financial Officer on March 12, 2004. The Company paid Mr. Mitchell a severance at his prevailing base salary for a twelve-week period from his date of resignation.

Under the eighteen month employment agreement of the Company with Louis M. Mucci dated March 15, 2004; the executive is entitled to receive a base salary of \$185,000 per year and an annual bonus of \$25,000 to be paid over the first year of employment. Bonus payments for subsequent years are at the discretion of the Company. Mr. Mucci also received a stock option grant of 12,000 shares on the first day of employment with vesting over a three year period.

On January 19, 2005, the Company announced that Gerald W. (Jerry) Deitchle had been named President and CEO of the Company and his employment commenced February 1, 2005. Under the terms of Mr. Deitchle's employment contract, he is entitled to receive annual cash compensation of \$300,000, subject to escalation annually in accordance with the Consumer Price Index (CPI). In addition, Mr. Deitchle will be entitled to receive a cash bonus of \$125,000 if 2005 earnings before interest, amortization, depreciation and income taxes (EBITDA) equals or exceeds \$16,000,000 and an additional \$25,000 if 2005 EBITDA equals or exceeds \$18,000,000. Additional bonuses for 2005 and all bonuses thereafter, as well as increases in compensation above the minimum CPI escalation rate stated above, shall be determined by the Board in its sole discretion. Mr. Deitchle's employment agreement with the Company expires on December 1, 2009.

Mr. Deitchle is entitled to certain other fringe benefits including a \$20,000 non-accountable moving allowance, up to \$3,000 per year for unreimbursed out-of-pocket costs associated with an annual physical examination, reimbursement of up to \$10,000 in legal fees incurred in connection negotiation of the terms of his employment, use of a Company automobile or automobile allowance, family health insurance and the right to participate in the Company's customary executive benefit plans.

Mr. Deitchle received an initial grant of stock options to purchase 275,000 shares of the Company's common stock under the Company's existing stock option plan. These options will vest 100,000 on the date of grant and 87,500 on the second and third anniversary of the date of grant. Additionally, Mr. Deitchle received a stock option grant of 25,000 shares upon joining the Company's Board of Directors in November 2004, with 12,500 options vesting on the first and second anniversary of the date of grant. Mr. Deitchle shall be entitled to additional stock option or other equity-based compensation from time to time as determined by the Board of Directors of the Company.

Either the Company or Mr. Deitchle may terminate Mr. Deitchle's employment at any time. If the termination is by the Company for Cause (as defined below), as a result of the death or Disability (as defined below) of Mr. Deitchle, or by Mr. Deitchle for other than Good Reason (as defined below), Mr. Deitchle will be entitled to receive all amounts payable by the Company under his employment agreement to the date of termination (including a prorated portion of any accrued bonuses). In addition, if the termination is by the Company or Mr. Deitchle as a result of Disability, to the extent that Mr. Deitchle is not covered by any other comprehensive insurance that provides a comparable level of benefits, the Company will pay Mr. Deitchle an amount equivalent to his COBRA payments for up to 18 months following the termination or the maximum term allowable by then applicable law for coverage of Mr. Deitchle and his eligible dependents. For purposes hereof, Disability shall mean incapacity due to physical or mental illness which results in Mr. Deitchle being absent from the full-time performance of substantially all of his material duties with the Company for 90 consecutive days or 180 days in any 12 month period.

In the event of termination of employment by the Company without Cause or by Mr. Deitchle for Good Reason, Mr. Deitchle shall be entitled to receive the following: (i) such Base Salary, vacation, prorated bonus and other benefits as have been earned through the date of termination and, to the extent that Mr. Deitchle is not covered by any other comprehensive insurance that provides a comparable level of benefits, the Company will pay Mr. Deitchle an amount equivalent to his COBRA payments for up to 18 months following the termination or the maximum term allowable by then applicable law for coverage of Mr. Deitchle and his eligible dependents, (ii) a lump sum severance equal to the greater of (a) one year's then current base salary, or (b) fifty percent (50%) of the base salary that would be due to him (including annual increases) between the date of termination and the end of the remaining term of his employment.

For purposes of Mr. Deitchle's employment agreement, Cause means (i) an act or acts of dishonesty undertaken by Mr. Deitchle and intended to result in material personal gain or enrichment of him or others at the expense of the Company; (ii) gross misconduct that is willful or deliberate on Mr. Deitchle's part and that, in either event, is materially injurious to the Company, (iii) the conviction of Mr. Deitchle of a felony; or (iv) the material breach of any terms and conditions of his employment agreement by Mr. Deitchle, which breach has not been cured within 30 days after written notice thereof from the Company. The cessation of employment by Mr. Deitchle shall not be deemed to be for Cause unless and until there shall have been delivered to Mr. Deitchle a copy of a resolution, duly adopted by the affirmative vote of not less than a majority of the entire membership of the Board (not including Mr. Deitchle) at a meeting of the Board called and held for such purpose (after reasonable notice to Mr. Deitchle and an opportunity for him, together with his counsel, to be heard before the Board), finding that, in the good faith opinion of the Board, one or more causes for termination exist and specifying the particulars thereof in detail.

For purposes of Mr. Deitchle's employment agreement, Good Reason means (i) any removal of Mr. Deitchle from, or any failure to nominate or re-elect Mr. Deitchle to, his current office and/or the Board, except in connection with termination of Mr. Deitchle's employment for death, Disability or Cause, (ii) the failure of the Company to obtain the assumption of this Agreement by any successor to the Company, as provided in this Agreement, (iii) the material breach by the Company of any terms and conditions of Mr. Deitchle's employment agreement, which breach has not been cured by the Company within thirty (30) days after written notice thereof to the Company from Mr. Deitchle, or (iv) in the event of certain events constituting a change in control of the Company (a) (1) any reduction in Mr. Deitchle's then-current base salary or any material reduction in Mr. Deitchle's comprehensive benefit package (other than changes, if any, required by group insurance carriers applicable to all persons covered under such plans or changes required under applicable law), (2) the assignment to Mr. Deitchle of duties that represent or constitute a material adverse change in Mr. Deitchle's position, duties, responsibilities and status with the Company immediately prior to a change in control, or (3) a material adverse change in Mr. Deitchle's reporting responsibilities, titles, offices, or any removal of Mr. Deitchle from, or any failure to re-elect Mr. Deitchle to, any of such positions; except in connection with the termination of Mr. Deitchle's employment for Cause, upon the Disability or death of Mr. Deitchle, or upon the voluntary termination by Mr. Deitchle; (b) the relocation of Mr. Deitchle's place of

employment from the location at which Mr. Deitchle was principally employed immediately prior to the date of the change in control to a location more than 50 miles from such location; or (c) the failure of any successor to the Company to assume and agree to perform its obligations under Mr. Deitchle's employment agreement.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

During fiscal 2004, Messrs. King, Brassfield, and Bassi served on the Compensation Committee. No member of the Compensation Committee was, during fiscal 2004, an officer or employee of the Company, a former officer of the Company or any of its subsidiaries or had a relationship requiring disclosure by the Company under Item 404 of Regulation S-K. No executive officer of the Company has served on the board of directors or compensation committee of any other entity that has or has had one or more executive officers who served as a member of the Company's Board of Directors or the Compensation Committee during fiscal 2004.

Certain of the members of the Company's Board of Directors or their affiliates have entered into transactions or arrangements with the Company during the past fiscal year which transactions and arrangements are described in "Certain Relationships and Related Transactions" below.

REPORT OF THE COMPENSATION COMMITTEE ON EXECUTIVE COMPENSATION

The Compensation Committee makes this report on executive compensation pursuant to Item 402 of Regulation S-K. Notwithstanding anything to the contrary set forth in any of the Company's previous filings under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended (the "Exchange Act"), that might incorporate future filings, including this Proxy Statement, in whole or in part, this report and the graph which follows this report shall not be incorporated by reference into any such filings, and such information shall be entitled to the benefits provided in Item 402(a)(9) of Regulation S-K.

The Compensation Committee reviews the performance of the Company's officers and key employees and reports to the Board of Directors. In such capacity, the Committee administers the executive compensation plans, reviews programs and policies, and monitors the performance and compensation of executive officers and other key employees, except for Mr. Motenko and Mr. Hennessy (and, effective February 1, 2005, Mr. Deitchle) whose compensation is established under Employment Agreements described elsewhere in this Proxy Statement. See "Executive Compensation and Other Matters" Employment Agreements. The Committee makes recommendations regarding option grants to executive officers and other employees pursuant to the Company's 1996 Stock Option Plan.

As to executives and other key employees, other than Messrs. Motenko, Hennessy and Deitchle, the Board establishes compensation designed to achieve an overall level of compensation which is competitive with other companies in the restaurant industry in each geographical area in which the Company operates.

The Company's compensation program consists of three main components: base salary, bonus and long term incentives in the form of stock options. The bonus and long-term incentives constitute the at risk portion of the compensation program. In general, compensation is determined based upon individual performance, responsibility and achievement in light of the Company's goals and expectations.

The Compensation Committee generally adheres to compensation policies that are designed to (i) attract and retain individuals with outstanding ability, (ii) motivate and reward such individuals for outstanding performance, (iii) create a portion of the total compensation that is based on the

Edgar Filing: BJs RESTAURANTS INC - Form DEF 14A

performance of the Company as well as of the individual employee and (iv) within the foregoing basic parameters, compensate employees in the middle to the top of the range of compensation offered by comparable companies.

As described above, the Committee compensated its Former Co-Chief Executive Officers pursuant to Employment Agreements previously approved by the Board of Directors, as modified and extended with respect to Paul Motenko and Jeremiah Hennessy pursuant to new Employment Agreements effective as of January 1, 2001. Such Employment Agreements provide for basic compensation as well as the possibility of significant additional bonus compensation based upon formulas specifically tied to performance criteria for the Company. In addition, the Company compensates its current President and Chief Executive Officer, Gerald W. Deitchle, pursuant to an Employment Agreement effective as of February 1, 2005. Mr. Deitchle's Employment Agreement also provides for basic compensation as well as the possibility of additional bonus compensation based upon formulas specifically tied to performance criteria for the Company.

The Compensation Committee determined, for 2004, that the Company's EBITDA was approximately \$13,878,000 and pretax income was approximately \$8,551,000, and that based on the contractual bonus formula for EBITDA and pretax income, each of Paul Motenko and Jeremiah Hennessy earned a cash bonus of \$175,000 for the fiscal year ended January 2, 2005.

Respectfully submitted,

The Compensation Committee

Shann M. Brassfield

PERFORMANCE GRAPH

Set forth below is a line graph comparing the cumulative total shareholder return on Common Stock against the cumulative return of the Standard & Poor 500 Stock Index and the Media General Restaurant Group Index for the past five years. The graph assumes that \$100 was invested at inception in the Common Stock and in each of the indices and that all dividends were reinvested.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

As of January 2, 2005, Jacmar Companies and their affiliates (collectively referred to herein as "Jacmar") owned approximately 41.3% of our outstanding common stock. James Dal Pozzo, a member of our Board of Directors, is the President of Jacmar. Jacmar, through its specialty wholesale food distributorship, is our largest supplier of food, beverage and paper products. Jacmar sells products to us at prices comparable to those offered by unrelated third parties. Jacmar supplied us with \$19.3 million, \$14.6 million and \$11.5 million of food, beverage and paper products for fiscal 2004, 2003 and 2002, respectively, and 57.1%, 53.5% and 60.0% of our total costs for these products, respectively. We had trade payables to Jacmar related to these products of \$2.2 million and \$1.1 million at January 2, 2005 and December 28, 2003, respectively. The Board of Directors has reviewed the terms of the agreements relating to pricing between Jacmar and the Company, and believes that the terms are at least as favorable or more favorable than the Company could obtain from another third party offering comparable goods and services.

APPROVAL OF BJ S RESTAURANTS, INC. 2005 EQUITY INCENTIVE PLAN

(PROPOSAL NO. 2 ON PROXY CARD)

General

At the Annual Meeting, shareholders of the Company will be asked to consider a proposal to ratify and approve the BJ s Restaurants, Inc. 2005 Equity Incentive Plan (the 2005 Plan). The 2005 Plan is a broad-based plan in which all employees, officers, directors and consultants to the Company are eligible to participate. On May 19, 2005, the Board adopted, subject to shareholder approval, the BJ s Restaurants, Inc. 2005 Equity Incentive Plan. The Board of Directors unanimously recommends a vote FOR the approval of the BJ s Restaurants, Inc. 2005 Equity Incentive Plan.

The purpose of the 2005 Plan is to further the growth and success of the Company s business and attract and retain the most talented employees, officers, directors and consultants by aligning the long-term interest of such persons with those of the shareholders through equity-based compensation and by providing rewards for exceptional performance and long-term incentives for future contributions to the success of the Company.

The 2005 Plan is intended to provide the Company with greater flexibility in designing stock and performance based incentives for non-executive officer employees in the corporate, brewery and field supervision organizations who hold key managerial positions; restaurant general managers and executive kitchen managers upon assuming their respective positions; and other salaried restaurant-level, brewery and corporate employees. While there are many important resources required for the Company to execute successfully its national expansion plan, the most critical resource is the availability of highly qualified and experienced personnel at all levels. The Board believes that the Company s 2005 Plan will provide an important competitive advantage to the Company with respect to the recruitment, motivation and retention of critical personnel, including executives, restaurant management, field supervision, and corporate support staff.

The Company currently awards stock options to employees through the BJ s Restaurants, Inc. 1996 Stock Option Plan, as amended (the Current Plan). The 2005 Plan allows for increased flexibility in the types of equity awards that can be granted in the future, whereas the Current Plan allows for stock options grants only. The greater flexibility of the 2005 Plan, in types and specific terms of awards, will allow future awards to be based on then-current objectives for aligning compensation with increasing long-term shareholder value. Shareholder approval of the 2005 Plan will permit the Company to award long-term equity incentive compensation that achieves these goals.

As of May 10, 2005, the Company has an aggregate of approximately 82,887 shares remaining for future awards under the Current Plan. No further awards will be made pursuant to the Current Plan upon shareholder approval of the 2005 Plan. However, to the extent that options that have been granted under the Current Plan expire or are terminated without exercise, the shares that were subject to such expired or terminated options will become available for awards made under the 2005 Plan. In addition, the Company is requesting 3,500,000 new shares be approved for future awards under the 2005 Plan.

Summary of the 2005 Equity Incentive Plan

The following description of the material terms of the 2005 Plan is qualified in all respects by reference to the 2005 Plan, the full text of which is attached to this proxy statement as Appendix A.

Administration

The Compensation Committee will administer the 2005 Plan, with certain actions subject to the review and approval of the full Board or a panel consisting of all of the independent directors. The Committee will have full power and authority to determine when and to whom awards will be granted, including the type, amount, form of payment and other terms and conditions of each award, consistent with the provisions of the 2005 Plan. In addition the Committee has the authority to interpret the 2005 Plan and the awards granted under the 2005 Plan,

and establish rules and regulations for the administration of the 2005 Plan. The Committee may delegate the administration of the 2005 Plan to the Company's officers, including the maintenance of records of the awards and the interpretation of the terms of the awards.

Eligible Participants

Any employee, officer, consultant or director providing services to the Company or to any subsidiary of the Company, who is selected by the Committee, is eligible to receive awards under the 2005 Plan. As of May 10, 2005, the Company had 4,560 employees, all of whom were eligible to participate in the 2005 Plan.

Shares Available for Awards

The aggregate number of shares of the Common Stock that may be issued as awards under the 2005 Plan will include 3,500,000 shares of Common Stock plus any shares that are subject to options granted under the Current Plan that are forfeited or expire subsequent to the effective date of the 2005 Plan. As of May 10, 2005 there were options to purchase 2,160,003 shares of Common Stock outstanding under the Current Plan. The aggregate number of shares of Common Stock which may be granted to any one participant in any one year under the 2005 Plan is 300,000. The maximum aggregate number of shares of Common Stock which may be granted as incentive stock options (ISOs) is 1,000,000. The Committee may adjust the aggregate number of shares reserved for issuance under the 2005 Plan in the case of a stock dividend or other distribution, including a stock split, merger, extraordinary dividend, or other similar corporate transaction or event, in order to prevent dilution or enlargement of the benefits or potential benefits intended to be provided under the 2005 Plan.

If any shares of Common Stock subject to any award or to which an award relates, granted under the Current Plans or the 2005 Plan, are forfeited, become unexercisable, or if any award terminates without the delivery of any shares, the shares of Common Stock previously set aside for such awards will be available for future awards under the 2005 Plan.

The aggregate number of shares of Common Stock that may be issued under the 2005 Plan will be reduced by 2.0 for each share delivered in settlement of any award of restricted stock, restricted stock unit, stock appreciation right (SAR), performance shares or performance units, and one share for each share delivered in settlement of an option.

Types of Awards

The 2005 Plan permits the grant of the following awards:

nonqualified stock options

incentive stock options

restricted stock

restricted stock units

stock appreciation rights

performance shares

performance units

Awards may be granted alone, in addition to, or in combination with any other award granted under the 2005 Plan.

Stock Options. Options granted under the 2005 Plan may be either incentive stock options or nonqualified stock options. Incentive stock options are options which are designated as such by the Company and which meet certain requirements under Section 422 of the Code and the regulations thereunder. Any option which does not satisfy these requirements will be treated as a nonqualified stock option.

The holder of an option will be entitled to purchase a number of shares of Common Stock at a specified exercise price during a specified time period, all as determined by the Committee. The option exercise price may be payable either in cash or, at the discretion of the Committee, in shares of Common Stock having a fair market value on the exercise date equal to the exercise price.

Restricted Stock and Restricted Stock Units. The holder of restricted stock will own shares of Common Stock subject to restrictions imposed by the Committee (including for example, restrictions on the right to vote the restricted shares or to receive any dividends with respect to the shares) and subject to forfeiture to the Company if the holder does not satisfy certain requirements (including, for example, continued employment with the Company) for a specified period of time. The holder of restricted stock units will have the right, subject to any restrictions imposed by the Committee, to receive shares of Common Stock, or a cash payment equal to the fair market value of those shares, at some future date determined by the Committee, provided that the holder has satisfied certain requirements (including, for example, continued employment with the Company until such future date).

Stock Appreciation Rights. Participants may be granted stand-alone SARs. The holder of a stand-alone SAR is entitled to a distribution from the Company equal to the excess of the fair market value of the shares that are the subject of the SAR on the surrender date over the aggregate exercise price payable for such shares. The holder of stand-alone SARs may receive, at the discretion of the Committee, the excess of the fair market value (on the exercise date) of the subject shares over the exercise price for such shares in the form of a cash payment or shares of Common Stock.

Performance Compensation Awards. Participants may be granted performance compensation awards that are intended to qualify as performance based compensation within the meaning of Section 162(m) of the Internal Revenue Code of 1986, as amended (the Code). Such awards may take the form of performance shares or performance units and will be subject to the attainment of performance goals relating to the performance criteria selected by the Committee. Performance goals must be based solely on one or more of the following business criteria: (i) cash flow; (ii) earnings per share, including earnings per share as adjusted (a) to exclude the impact of any (1) significant acquisitions or dispositions of businesses by the Company, (2) one-time, non-operating charges and (3) accounting changes (including but not limited to any accounting changes that require the expensing of stock options and any accounting changes the Company adopts early); and (b) for any stock split, stock dividend or other recapitalization; (iii) earnings before interest, taxes, and amortization; (iv) return on equity; (v) total shareholder return; (vi) share price performance; (vii) return on capital; (viii) return on assets or net assets; (ix) revenue; (x) income; (xi) operating income; (xii) operating profit; (xiii) profit margin; (xiv) return on operating revenue; (xv) return on invested capital; (xvi) market price; (xvii) brand recognition/acceptance; (xviii) customer satisfaction; (xix) productivity; or (xx) sales growth and volume. Performance goals with respect to a given award will be determined by the Board or Committee prior to expiration of the first 90 days of any performance period (or, if shorter, the maximum period permitted under Section 162(m) of the Code).

Performance shares are performance compensation awards that are denominated in terms of a specified number of shares of Common Stock, which shares or their future cash equivalent (or a combination of both) may be paid to the Participant upon achievement of applicable performance goals during a specified performance period established by the Committee. Performance units are performance compensation awards that are denominated in terms of a specified dollar value that is set by the Committee (or that is determined by reference to a performance formula) which value may be paid in cash, in shares of Common Stock or in such combination as the Committee may determine, upon achievement of applicable performance goals during a specified performance period established by the Committee.

Certain Terms and Conditions of Awards

Change of Control. In the event of a Change of Control of the Company (as defined in the 2005 Plan), subject to certain limitations and restrictions as more fully described in the 2005 Plan:

Edgar Filing: BJs RESTAURANTS INC - Form DEF 14A

options and SARs may become fully vested and immediately exercisable for the greater of the time period specified in the original option or SAR award (but subject to termination upon termination of service to the Company) or one year following the date of the Change of Control;

restriction periods and restrictions imposed on restricted stock or restricted stock units and performance-based awards may lapse; and

restrictions and limitations and other conditions applicable to other awards may lapse, and the awards may become free of restrictions, limitations or conditions and become fully vested and transferable.

Generally, accelerated vesting or lapse of restrictions on awards held by an employee will occur only if an employee's employment is terminated within a year after a Change in Control, the acquiring company does not assume outstanding awards or substitute equivalent awards or other conditions in the 2005 Plan are satisfied.

Termination of Employment. Vested Awards granted under the 2005 Plan will expire, terminate, or otherwise be forfeited as follows:

three (3) months after the effective date of termination of a participant other than a non-employee director (in which case the date will be six months following the date such non-employee director ceases to be a director), including voluntary termination by the participant, other than in the circumstances described below;

upon termination of a participant for misconduct (as defined in the 2005 Plan);

twelve (12) months after the date on which a participant, other than a non-employee director, suffers total or permanent Disability (as defined in the 2005 Plan);

twelve (12) months after the death of a participant; and

six (6) months after the date of the participant's Retirement (as defined in the 2005 Plan).

Duration, Termination and Amendment. The 2005 Plan will terminate on the tenth anniversary of the date the Company's shareholders approve the plan, unless terminated by the Board or the Committee earlier, or extended by an amendment approved by the Company's shareholders. No awards may be made after the termination date. However, unless otherwise expressly provided in an applicable award agreement, any award granted under the 2005 Plan prior to the expiration may extend beyond the end of such period through the award's normal expiration date.

The Board, and the Committee, may generally amend or terminate the plan as determined to be advisable. Shareholder approval may also be required for certain amendments by the Internal Revenue Code, the rules of Nasdaq, or rules of the Securities and Exchange Commission. The Board or the Committee has specific authority to amend the plan without shareholder approval to comply with legal, regulatory and listing requirements and to avoid unanticipated consequences determined to be inconsistent with the purpose of the 2005 Plan or any award agreement.

Prohibition on Repricing Awards. Without the approval of the Company's shareholders, no option or SAR may be amended to reduce its exercise price or grant price and no option or SAR may be canceled and replaced with an option or SAR having a lower exercise price.

Transferability of Awards. Unless otherwise provided by the Committee, awards under the 2005 Plan may only be transferred by will or the laws of descent and distribution. The Committee may permit further transferability pursuant to conditions and limitations that it may impose, except that no transfers for consideration will be permitted.

Continuation of Automatic Grants for Non-Employee Directors

The 2005 Plan provides that the automatic stock option grants made to non-employee directors of the Company under the Current Plan will continue under the 2005 Plan until such time as such grants are terminated or amended by the Board or the Governance and Nomination Committee thereof. As a result, the 2005 Plan provides that each non-employee director (an Eligible Director) will receive, as an initial grant, on the date that

the person becomes an Eligible Director, a nonqualified stock option to purchase 25,000 shares of Common Stock, which shall become exercisable as to 12,500 shares on or after the first anniversary date of the grant of such Option and as to the remaining 12,500 shares on or after the second anniversary date of the grant of such Option. In addition, after the initial option grant, each Eligible Director shall automatically receive, on January 15 of each year, an additional nonqualified stock option for that number of shares of Common Stock that shall result in an option value of \$30,000 based on the Black-Scholes method of option valuation; provided that a director will not receive an additional annual grant on the first January 15 date that occurs after the initial grant unless the initial grant date is at least 270 days after the first January 15 date that occurs after the initial grant. Each additional nonqualified stock option granted to Eligible Directors shall become exercisable as to one-third (1/3) of the total number of shares covered thereby on or after the first anniversary date of the grant of such option, and an additional one-third (1/3) of such total number of shares on or after each consecutive anniversary date thereafter until the option has become exercisable as to all of such total number of shares. In addition to the foregoing option grants, each non-employee director may receive other types of award grants under the 2005 Plan at the discretion of the Board and Compensation Committee; provided, however, that non-employee directors are not eligible to receive incentive stock options.

Each nonqualified stock option granted to Eligible Directors pursuant to the automatic grant provisions will have an exercise price equal to 100% of the fair market value of a share of Common Stock on the grant date and shall expire upon the earliest of: (i) ten years from the date the option was granted, (ii) the termination of the Plan, and (iii) six months after the date on which the person ceases to be any of a director, consultant or employee of the Company and its subsidiaries, except that if the cessation of services was caused by the person's death or disability, the expiration of one year after the cessation of such services.

As of May 10, 2005, Eligible Directors consisted of Messrs. Bassi, Bouts, Brassfield, Dal Pozzo, Grundhofer and King who held options to purchase an aggregate of 30,155, 30,155, 55,924, 55,924, 45,924 and 45,924 shares of Common Stock under the Current Plan, respectively.

Federal Income Tax Consequences

The federal income tax consequences of awards under the 2005 Plan to the Company and the Company's employees, officers, directors and consultants are complex and subject to change. The following discussion is only a summary of the general rules applicable to the 2005 Plan. Recipients of awards under the 2005 Plan should consult their own tax advisors since a taxpayer's particular situation may be such that some variation of the rules described below will apply.

Nonqualified Options. Under current federal income tax law, the grant of a nonqualified option under the 2005 Plan will have no federal income tax consequences to the Company or the optionee (unless the options are publicly traded). Generally, upon exercise of a nonqualified stock option granted under the 2005 Plan, the excess of the fair market value of the stock at the date of exercise over the option price (the "Spread") is taxable to the optionee as ordinary income and is subject to withholding. All such amounts taxable to an employee are deductible by the Company as compensation expense. The deduction will be allowed for the taxable year of the Company which includes the end of the taxable year in which the optionee includes an amount in income.

Code Section 162(m) generally denies a tax deduction to any publicly held corporation for compensation that exceeds one million dollars paid to certain senior executives in a taxable year, subject to an exception for performance based compensation as defined in the Code and subject to certain transition provisions. The Company has structured the 2005 Plan and intends to structure any stock option grants to senior executive officers who may be subject to Section 162(m) in a manner that is intended to satisfy the performance-based compensation exception. However, the Company reserves the authority to award non-deductible compensation as it deems appropriate. In addition, notwithstanding the Company's efforts, ambiguities and uncertainties regarding the application and interpretation of Section 162(m) make it impossible to provide assurance that performance-based compensation will, in fact, satisfy the requirements for deductibility under Section 162(m). Thus, Section 162(m) could limit the deductibility of compensation related to the exercise of options granted under the 2005 Plan.

Generally, the shares received on exercise of an option under the 2005 Plan are not subject to restrictions on transfer or risks of forfeiture and, therefore, the optionee will recognize income on the date of exercise of a nonqualified stock option. However, if the optionee is subject to Section 16(b) of the Exchange Act, the Section 16(b) restriction will be considered a substantial risk of forfeiture for tax purposes. Under current law, employees who are either directors or officers of the Company will be subject to restrictions under Section 16(b) of the Exchange Act during their term of service and for up to six months after termination of such service. SEC Rule 16b-3 provides an exemption from the restrictions of Section 16(b) for the grant of derivative securities, such as stock options, under qualifying plans. Because the 2005 Plan satisfies the requirements for exemption under SEC Rule 16b-3, the grant of options will not be considered a purchase and the exercise of the options to acquire the underlying shares of Common Stock will not be considered a purchase or a sale. Thus, ordinary income will be recognized and the Spread will be measured on the date of exercise.

The taxable income resulting from the exercise of a nonqualified stock option will constitute wages subject to withholding and the Company will be required to make whatever arrangements are necessary to ensure that funds equaling the amount of tax required to be withheld are available for payment, including the deduction of required withholding amounts from the optionee's other compensation and requiring payment of withholding amounts as part of the exercise price. The tax basis for the Company common stock acquired is the option price plus the taxable income recognized. An optionee will recognize gain or loss on the subsequent sale of shares acquired upon exercise of a nonqualified stock option in an amount equal to the difference between the amount realized and the tax basis of such shares. Such gain or loss will be long-term or short-term capital gain or loss, depending upon whether the shares have been held for more than one year.

Incentive Stock Options. There will be no federal income tax consequences to the Company or the employee as a result of the grant of an incentive stock option. The optionee also will not recognize income when the incentive stock option is exercised (subject to the alternative minimum tax rules discussed below). Generally, the Company receives no deduction at the time of exercise.

In the event of a disposition of shares acquired upon exercise of an incentive stock option, the tax consequences depend upon how long the employee has held the shares. If the employee does not dispose of the shares within two years after the incentive stock option was granted, or within one year after the incentive stock option was exercised and shares were purchased, then the employee must recognize only a long-term capital gain or loss. The Company is not entitled to any deduction under these circumstances.

If the optionee fails to satisfy either of the foregoing holding periods, then he or she must recognize ordinary income in the year of disposition (referred to as a disqualifying disposition). The amount of such ordinary income generally is determined under the rules applicable to nonqualified options (see above) based on the Spread at the date of exercise. However, such ordinary income will in no event exceed the amount of the gain realized on the sale, provided that the disposition involves an arm's-length sale or exchange with an unrelated party. Any gain in excess of the amount taxed as ordinary income will be treated as capital gain. The Company, in the year of the disqualifying disposition, is entitled to a deduction equal to the amount of ordinary income recognized by the optionee.

The Spread under an incentive stock option is treated as an adjustment in computing alternative minimum taxable income (AMTI) for the year of exercise. As a result, the Spread on an incentive stock option will be included in income for purposes of the alternative minimum tax even though it is not included in taxable income for purposes of determining the regular tax liability of an optionee. A subsequent disqualifying disposition of shares acquired upon exercise of an incentive stock option will eliminate the AMTI adjustment if the disposition occurs in the same taxable year as the exercise. A disqualifying disposition in a subsequent taxable year will not affect the alternative minimum tax computation in the earlier year.

Payment of Option Exercise Price in Shares. To the extent an optionee pays all or part of the option exercise price of a nonqualified stock option by tendering shares of common stock owned by the optionee, the tax consequences described above apply except that the number of shares of common stock received upon such

exercise which is equal to the number of shares surrendered in payment of the option price will have the same tax basis and holding periods as the shares surrendered. The additional shares of common stock received upon such exercise will have a tax basis equal to the amount of ordinary income recognized on such exercise and a holding period which commences on the day following the date of recognition of such income. Under proposed Treasury regulations, if an optionee exercises an incentive stock option by tendering shares of Company common stock previously acquired by the exercise of an incentive stock option that have not satisfied statutory holding period requirements, a disqualifying disposition will occur and the optionee will recognize income and be subject to other basis allocation and holding period requirements.

Restricted Stock Awards. Stock granted under the 2005 Plan may, in the determination of the Committee, be subject to rights of repurchase and other transfer restrictions. The tax consequences of stock granted under the 2005 Plan depends on whether the stock is subject to restrictions and if so, whether the restrictions are deemed to create a substantial risk of forfeiture under Code Section 83 (for example, stock granted under the 2005 Plan which is subject to our right to repurchase the stock at a price that is less than fair market value which right lapses over a period of continued employment is considered a substantial risk of forfeiture under Code Section 83).

If stock is not subject to a substantial risk of forfeiture, the recipient normally will recognize taxable ordinary income equal to the value of the stock in the year in which the stock is granted less the amount paid for that stock. If the stock is subject to a substantial risk of forfeiture, the recipient normally will recognize taxable ordinary income as and when the substantial risk of forfeiture lapses in the amount of the fair market value of the shares no longer subject to the substantial risk of forfeiture less the amount paid for the stock. Upon disposition of the stock, the recipient will recognize a capital gain or loss equal to the difference between the selling price and the sum of the amount paid for the stock plus any amount recognized as ordinary income upon grant or vesting of the stock. The gain or loss will be long or short-term depending on how long the recipient held the stock.

A recipient of stock subject to a substantial risk of forfeiture may make an election under Code Section 83(b) to recognize ordinary income in the year the recipient purchases the restricted stock, rather than waiting until the substantial risk of forfeiture lapses. If the stock recipient makes a Section 83(b) election, the recipient will be required to recognize as ordinary income in the year the recipient purchases the stock the difference, if any, between the fair market value of the stock on the purchase date and the purchase price paid. If the stock recipient makes a Section 83(b) election, the recipient will not be required to recognize any income when the substantial risk of forfeiture lapses.

Generally, with respect to employees, we are required to withhold from regular wages or supplemental wage payments an amount based on the ordinary income recognized. Subject to the requirement of reasonableness, the provisions of Section 162(m) of the Code and the satisfaction of a tax reporting obligation, we will generally be entitled to a business expense deduction equal to the taxable ordinary income realized by the stock recipient.

Stock Appreciation Rights. Generally, the recipient of a SAR will not recognize any taxable income at the time the SAR is granted. With respect to stand-alone SARs, if the holder receives the appreciation inherent in the SARs in cash, the cash will be taxable as ordinary compensation income to the employee at the time that it is received. If the holder receives the appreciation inherent in the stand-alone SARs in stock, the holder will recognize ordinary compensation income equal to the excess of the fair market value of the stock on the day it is received over any amounts paid by the holder for the stock.

The income recognized by the holder of a stand-alone SAR will generally be subject to U.S. income tax withholding and employment taxes.

In general, the Company will not be entitled to a federal income tax deduction upon the grant or termination of stand-alone SARs. However, upon the exercise of either a stand-alone SAR, the Company will be entitled to a

deduction for federal income tax purposes equal to the amount of ordinary income that the holder is required to recognize as a result of the exercise, provided that the deduction is not otherwise disallowed under the Code.

Performance Compensation Awards. Generally, the recipient of a performance compensation award will not recognize any taxable income at the time the award is made but will generally recognize taxable income at the time the award is paid. If the performance compensation award is payable in cash, the cash will be taxable as ordinary compensation income to the participant at the time that it is received. If the holder receives the performance compensation award in stock, the participant will recognize ordinary compensation income equal to the excess of the fair market value of the stock on the day it is received over any amounts paid by the holder for the stock.

The income recognized by the holder of a performance compensation award will generally be subject to U.S. income tax withholding and employment taxes.

In general, the Company will not be entitled to a federal income tax deduction upon the grant or termination of performance compensation awards. However, upon payment of a performance compensation award, the Company will be entitled to a deduction for federal income tax purposes equal to the amount of ordinary income that the participant is required to recognize as a result of such payment, provided that the deduction is not otherwise disallowed under the Code.

New 2005 Plan Benefits

Vote Required for Approval of the 2005 Plan

Approval of the proposal to ratify and approve the 2005 Plan requires the affirmative vote of the holders of a majority of the shares of Common Stock of the Company present, or represented, and entitled to vote at the Annual Meeting.

SECTION 4. *SHARES SUBJECT TO THE PLAN.*

(a) RESERVATION OF SHARES. The shares of Common Stock reserved under this Plan will include reserved shares of Common Stock as to which an option award granted has been forfeited or terminated without exercise under the Former Plan plus an additional Three Million Five Hundred Thousand (3,500,000) shares of Common Stock. Subject to the provisions of Sections 5 of the Plan, the maximum aggregate number of Shares (adjusted, proportionately, in the event of any stock split or stock dividend with respect to the Shares) which may be granted as Incentive Stock Options under the Plan shall not exceed One Million (1,000,000) Shares. The aggregate number of Shares available for issuance under the Plan will be reduced by one Share for each Share delivered in settlement of an Option and by two Shares for each Share delivered in settlement of any Award of Restricted Stock, Restricted Stock Units, SARs, or Performance Shares or Performance Units unless a greater reduction is specified by the Committee with respect to a specific Award grant. If an Award expires, is forfeited or becomes unexercisable for any reason without having been exercised in full, the undelivered Shares which were subject thereto shall, unless the Plan shall have been terminated, become available for future Awards under the Plan. Shares available for issuance under the Plan shall be increased by any shares of Common Stock subject to outstanding awards under the Former Plan on the Effective Date that later cease to be subject to such awards for any reason other than such awards having been exercised, subject to adjustment from time to time as provided in Section 5, which shares of Common Stock shall, as of the date such shares cease to be subject to such awards, cease to be available for grant and issuance under the Former Plan, but shall be available for issuance under the Plan. The Shares may be authorized but unissued, or reacquired shares of Common Stock. The Company, during the term of this Plan, will at all times reserve and keep available such number of Shares as shall be sufficient to satisfy the requirements of the Plan.

(b) **TIME OF GRANTING AWARDS.** The date of grant of an Award shall, for all purposes, be the date on which the Company completes the corporate action relating to the grant of such Award and all conditions to the grant have been satisfied, provided that conditions to the exercise of an Award shall not defer the date of grant. Notice of a grant shall be given to each Participant to whom an Award is so granted within a reasonable time after the determination has been made.

(c) **SECURITIES LAW COMPLIANCE.** Shares shall not be issued pursuant to the exercise of an Award unless the exercise of such Award and the issuance and delivery of such Shares pursuant thereto shall comply with all relevant provisions of law, including, without limitation, the Securities Act of 1933, as amended, the Exchange Act, the rules and regulations promulgated under either such Act, and the requirements of any stock exchange or quotation system upon which the Shares may then be listed or quoted, and shall be further subject to the approval of counsel for the Company with respect to such compliance.

(d) **SUBSTITUTIONS AND ASSUMPTIONS.** The Board or the Committee shall have the right to substitute or assume Awards in connection with mergers, reorganizations, separations, or other transactions to which Section 424(a) of the Code applies, provided such substitutions and assumptions are permitted by Section 424 of the Code and the regulations promulgated thereunder. The number of Shares reserved pursuant to Section 4(a) may be increased by the corresponding number of Awards assumed and, in the case of a substitution, by the net increase in the number of Shares subject to Awards before and after the substitution.

SECTION 5. ADJUSTMENTS TO SHARES SUBJECT TO THE PLAN. If any change is made to the Shares by reason of any stock split, stock dividend, recapitalization, combination of shares, exchange of shares or other change affecting the outstanding Shares as a class without the Company's receipt of consideration, appropriate adjustments shall be made to (i) the maximum number and/or class of securities issuable under the Plan, (ii) the number and/or class of securities and/or the price per Share covered by outstanding Awards under the Plan and (iii) the Maximum Annual Participant Award. The Committee may also make adjustments described in (i)-(iii) of the previous sentence in the event of any distribution of assets to shareholders other than a normal cash dividend, if any. In determining adjustments to be made under this Section 5, the Committee may take into account such factors as it deems appropriate, including the restrictions of applicable law and the potential tax consequences of an adjustment, and in light of such factors may make adjustments that are not uniform or proportionate among outstanding Awards. Adjustments, if any, and any determinations or interpretations, including any determination of whether a distribution is other than a normal cash dividend, made by the Committee shall be final, binding and conclusive. For purposes of this Section 5, conversion of any convertible securities of the Company shall not be deemed to have been effected without receipt of consideration.

Except as expressly provided herein, no issuance by the Company of shares of any class, or securities convertible into shares of any class, shall affect, and no adjustment by reason thereof shall be made with respect to, the number or price of Shares subject to an Award.

A-9

(c) NO EMPLOYMENT/SERVICE RIGHTS. Nothing in the Plan shall confer upon any Participant the right to an Award or to continue in service as an Employee or Consultant for any period of specific duration, or interfere with or otherwise restrict in any way the rights of the Company (or any Subsidiary employing or retaining such person), or of any Participant, which rights are hereby expressly reserved by each, to terminate such person's services at any time for any reason, with or without cause.

(d) AWARDS TO NON-EMPLOYEE DIRECTORS; CONTINUATION OF AUTOMATIC GRANTS. The aggregate number of Shares with respect to which Awards may be granted to Non-Employee Directors under the Plan shall be 500,000 shares of Common Stock (increased proportionately in the event of any stock split or stock dividend with respect to the Shares). Unless and until amended or terminated by the Board or the Governance and Nomination Committee thereof, the automatic Award grants to Non-Employee Directors contemplated by Section 17.6 of the Former Plan shall terminate under the Former Plan and continue under the Plan from and after the Effective Date. Notwithstanding anything to the contrary contained in the Former Plan, unless otherwise determined by the Board or the Committee, all Non-Employee Directors shall be eligible to receive the automatic Award grants contemplated by Section 17.6 of the Former Plan.

SECTION 7. PROCEDURE FOR EXERCISE OF AWARDS; RIGHTS AS A SHAREHOLDER.

(a) PROCEDURE. An Award shall be exercised when written, electronic or verbal notice of exercise has been given to the Company, or the brokerage firm or firms approved by the Company to facilitate exercises and sales under this Plan, in accordance with the terms of the Award by the person entitled to exercise the Award and full payment for the Shares with respect to which the Award is exercised has been received by the Company or the brokerage firm or firms, as applicable. The notification to the brokerage firm shall be made in accordance with procedures of such brokerage firm approved by the Company. Full payment may, as authorized by the Committee, consist of any consideration and method of payment allowable under Section 7(b) of the Plan. The Company shall issue (or cause to be issued) such share certificate promptly upon exercise of the Award. In the event that the exercise of an Award is treated in part as the exercise of an Incentive Stock Option and in part as the exercise of a Nonqualified Stock Option pursuant to Section 10(a), the Company shall issue a share certificate evidencing the Shares treated as acquired upon the exercise of an Incentive Stock Option and a separate share certificate evidencing the Shares treated as acquired upon the exercise of a Nonqualified Stock Option, and shall identify each such certificate accordingly in its share transfer records. No adjustment will be made for a dividend or other right for which the record date is prior to the date the share certificate is issued, except as provided in Section 5 of the Plan.

(b) METHOD OF PAYMENT. The consideration to be paid for any Shares to be issued upon exercise or other required settlement of an Award, including the method of payment, shall be determined by the Committee at the time of settlement and which forms may include: (i) with respect to an Option and subject to any restrictions or limitations imposed under applicable law, a request that the Company or the designated brokerage firm conduct a cashless exercise of the Option; (ii) cash; and (iii) tender of shares of Common Stock owned by the Participant in accordance with rules established by the Committee from time to time. Shares used to pay the exercise price shall be valued at their Fair Market Value on the exercise date. Payment of the aggregate exercise price by means of tendering previously-owned shares of Common Stock shall not be permitted when the same may, in the reasonable opinion of the Company, cause the Company to record a loss or expense as a result thereof.

(c) WITHHOLDING OBLIGATIONS. To the extent required by applicable federal, state, local or foreign law, the Committee may and/or a Participant shall make arrangements satisfactory to the Company for the satisfaction of any withholding tax obligations that arise with respect to any Incentive Stock Option, Nonqualified Stock Option, SAR, Restricted Stock or Restricted Stock Units, Performance Shares, Performance Units or any sale of Shares. The Company shall not be required to issue Shares or to recognize the disposition of such Shares until such obligations are satisfied. These obligations may be satisfied by having the Company withhold a portion of the Shares that otherwise would be issued to a Participant under such Award or by tendering Shares previously acquired by the Participant in accordance with rules established by the Committee from time to time.

(d) **SHAREHOLDER RIGHTS.** Except as otherwise provided in this Plan, until the issuance (as evidenced by the appropriate entry on the books of the Company or of a duly authorized transfer agent of the Company) of the share certificate evidencing such Shares, no right to vote or receive dividends or any other rights as a shareholder shall exist with respect to the Shares subject to the Award, notwithstanding the exercise of the Award.

(e) **NON-TRANSFERABILITY OF AWARDS.** An Award may not be sold, pledged, assigned, hypothecated, transferred, or disposed of in exchange for consideration, except that an Award may be transferred by will or by the laws of descent or distribution and may be exercised, during the lifetime of the Participant, only by the Participant; unless the Committee permits further transferability, on a general or specific basis, in which case the Committee may impose conditions and limitations on any permitted transferability.

SECTION 8. *EXPIRATION OF AWARDS.*

(a) **EXPIRATION, TERMINATION OR FORFEITURE OF AWARDS.** Unless otherwise provided in the applicable Award Agreement or any severance agreement, vested Awards granted under this Plan shall expire, terminate, or otherwise be forfeited as follows:

(iii) twelve (12) months after the date on which a Participant other than a Non-Employee Director ceased performing services as a result of his or her total and permanent Disability;

(iv) twelve (12) months after the date of the death of a Participant whose Active Status terminated as a result of his or her death; and

(v) six (6) months after the date on which the Participant ceased performing services as a result of Retirement.

(b) **EXTENSION OF TERM.** Notwithstanding subsection (a) above, the Committee shall have the authority to extend the expiration date of any outstanding Option, other than an Incentive Stock Option, or SAR in circumstances in which it deems such action to be appropriate (provided that no such extension shall extend the term of an Option or SAR beyond the date on which the Option or SAR would have expired if no termination of the Employee's Active Status had occurred).

SECTION 9. *EFFECT OF CHANGE OF CONTROL.* Notwithstanding any other provision in the Plan to the contrary, the following provisions shall apply unless otherwise provided in the most recently executed agreement between the Participant and the Company, or specifically prohibited under applicable laws, or by the rules and regulations of any applicable governmental agencies or national securities exchanges or quotation systems.

(iv) With respect to any Employee, upon the occurrence of a Change of Control described in Section 2(f)(iv) in connection with which each Award is not assumed or an equivalent award substituted by such successor entity or a parent or subsidiary of such successor entity.

(ii) any restriction periods and restrictions imposed on Restricted Stock or Restricted Stock Units that are not performance-based shall lapse;

(iii) any restriction periods and restrictions imposed on Restricted Stock, Restricted Stock Units, and Performance Compensation Awards that are performance-based shall lapse, unless such performance-based Awards remain outstanding after the Change of Control (or are assumed by any successor entity) and the applicable Performance Criteria can be accurately tracked following the Change of Control; and

(iv) the restrictions and deferral limitations and other conditions applicable to any other Awards shall lapse, and such other Awards shall become free of all restrictions, limitations or conditions and become fully vested and transferable to the full extent of the original grant.

SECTION 10. GRANT, TERMS AND CONDITIONS OF OPTIONS.

(a) DESIGNATION. Each Option shall be designated in an Award Agreement as either an Incentive Stock Option or a Nonqualified Stock Option. However, notwithstanding such designations, to the extent that the aggregate Fair Market Value of the Shares with respect to which Options designated as Incentive Stock Options are exercisable for the first time by any Employee during any calendar year (under all plans of the Company) exceeds \$100,000, such excess Options shall be treated as Nonqualified Stock Options. (a) DESIGNATION. Restricted Stock or Restricted Stock Units may be granted either alone, in addition to, or in tandem with other Awards granted under the Plan. Restricted Stock or Restricted Stock Units may include a dividend equivalent right, as permitted by Section 5. After the Committee determines that it will offer Restricted Stock or Restricted Stock Units, it will advise the Participant in writing or electronically, by means of an Award Agreement, of the terms, conditions and restrictions, including vesting, if any, related to the offer, including the number of Shares that the Participant shall be entitled to receive or purchase, the price to be paid, if any, and, if applicable, the time within which the Participant must accept the offer. The offer shall be accepted by execution of an Award Agreement or as otherwise directed by the Committee. Restricted Stock Units may be paid as permitted by Section 7(b). The term of each award of Restricted Stock or Restricted Stock Units shall be at the discretion of the Committee.

(b) PERFORMANCE BASED STOCK AWARDS. The Committee may elect to grant Restricted Stock and/or Restricted Stock Units that are intended to qualify as performance based compensation under Section 162(m) of the Code. (c) VESTING. Subject to the provisions of Section 9 of this Plan, unless the Committee determines otherwise, the Award Agreement shall provide for the forfeiture of the non-vested Shares underlying Restricted Stock or Restricted Stock Units upon the termination of a Participant's Active Status. (i) A Participant may be granted stand-alone stock appreciation rights (Stand-Alone SARs) that are not tied to any underlying Option under Section 10 of the Plan. The Stand-Alone SAR shall cover a specified number of Shares and shall be exercisable upon such terms and conditions as the Committee shall establish. Upon exercise of the Stand-Alone SAR, the holder shall be entitled to receive a distribution from the Company in an amount equal to the excess of (A) the aggregate Fair Market Value (on the exercise date) of the Shares underlying the exercised right over (B) the aggregate base price in effect for those Shares.

(ii) The number of Shares underlying each Stand-Alone SAR and the base price in effect for those Shares shall be determined by the Committee at the time the Stand-Alone SAR is granted. In no event, however, may the base price per Share be less than the Fair Market Value per underlying Share on the grant date.

(iii) The distribution with respect to an exercised Stand-Alone SAR may be made in Shares valued at Fair Market Value on the exercise date, in cash, or partly in Shares and partly in cash, as the Committee shall deem appropriate.

(c) EXERCISED SARs. The Shares issued in settlement of any SARs exercised under this Section 12 shall not be available for subsequent issuance under the Plan. In accordance with Section 4, Shares underlying any exercised SARs that were not issued in settlement of the SAR shall become available for future issuance under the Plan.

SECTION 13. GRANT, TERMS AND CONDITIONS OF PERFORMANCE COMPENSATION AWARDS.

(a) GRANTS. The Committee shall have the full power and authority, exercisable in its sole discretion, to grant Performance Compensation Awards in the form of Performance Units or Performance Shares to Employees (including Officers) and shall evidence such grant in an Award Agreement that is delivered to the Participant setting forth the terms and conditions of the Award. The Committee may, at the time of grant of a Performance Compensation Award, designate such Award as a Performance Compensation Award in order that such Award constitutes qualified performance-based compensation under Code Section 162(m), in which event the Committee shall have the power to grant such Performance Compensation Award upon terms and conditions that qualify it as qualified performance-based compensation within the meaning of Code Section 162(m).

(b) ELIGIBILITY. The Committee shall, in its sole discretion, designate within the first 90 days of a Performance Period (or, if shorter, within the maximum period allowed under Section 162(m) of the Code) which Participants will be eligible to receive Performance Compensation Awards in respect of such Performance Period. However, designation of a Participant eligible to receive an Award hereunder for a Performance Period shall not in any manner entitle the Participant to receive payment in respect of any Performance Compensation Award for such Performance Period. The determination as to whether or not such Participant becomes entitled to payment in respect of any Performance Compensation Award shall be decided solely in accordance with the provisions of this Section 13. Moreover, designation of a Participant eligible to receive a Performance Compensation Award hereunder for a particular Performance Period shall not require designation of such Participant eligible to receive a Performance Compensation Award hereunder in any subsequent Performance Period and designation of one person as a Participant eligible to receive a Performance Compensation Award hereunder shall not require designation of any other person as a Participant eligible to receive a Performance Compensation Award hereunder in such period or in any other period.

(c) DISCRETION OF COMMITTEE WITH RESPECT TO PERFORMANCE COMPENSATION AWARDS. With regard to a particular Performance Period, the Committee shall have full discretion to select the length of such Performance Period, the type(s) of Performance Compensation Awards to be issued, the Performance Criteria that will be used to establish the Performance Goal(s), the kind(s) and/or level(s) of the Performance Goals(s) that is (are) to apply, or any combination of the foregoing, and the Performance Formula. Within the first 90 days of a Performance Period (or, if shorter, within the maximum period allowed under Section 162(m) of the Code), the Committee shall, with regard to the Performance Compensation Awards to be issued for such Performance Period, exercise its discretion with respect to each of the matters enumerated in the immediately preceding sentence and record the same in writing.

(d) MODIFICATION OF PERFORMANCE GOALS. The Committee is authorized at any time during the first ninety (90) days of a Performance Period (or, if shorter, within the maximum period allowed under Section 162(m) of the Code), or any time thereafter (but only to the extent the exercise of such authority after such 90-day period (or such shorter period, if applicable) would not cause the Performance Compensation Awards

granted to any participant for the Performance Period to fail to qualify as qualified performance-based compensation under Section 162(m) of the Code), in its sole discretion, to adjust or modify the calculation of a Performance Goal for such Performance Period to the extent permitted under Section 162(m) of the Code (i) in the event of, or in anticipation of, any unusual or extraordinary corporate item, transaction, event or development affecting the Company (to the extent applicable to such Performance Goal) or (ii) in recognition of, or in anticipation of, any other unusual or nonrecurring events affecting the Company (to the extent applicable to such Performance Goal), or the financial statements of the Company (to the extent applicable to such Performance Goal), or of changes in applicable rules, rulings, regulations or other requirements of any governmental body or securities exchange, accounting principles, law or business conditions.

(e) PAYMENT OF PERFORMANCE COMPENSATION AWARDS.

(i) A Participant must be employed by the Company on the last day of a Performance Period to be eligible for payment in respect of a Performance Compensation Award for such Performance Period. Notwithstanding the foregoing, in the discretion of the Committee, Performance Compensation Awards may be paid to Participants in the event of Retirement of such Participant or with respect to a Participant whose Active Status as an employee has terminated after the beginning of the Performance Period for which a Performance Compensation Award is made, or to the designee or estate of a Participant who died prior to the last day of a Performance Period.

(ii) A Participant shall be eligible to receive payments in respect of a Performance Compensation Award only to the extent that (1) the Performance Goal(s) for such period are achieved and certified by the Committee in accordance with Section 13(e)(iii) and (2) the Performance Formula as applied against such Performance Goal(s) determines that all or some portion of such Participant's Performance Compensation Award has been earned for the Performance Period.

(iii) Following the completion of a Performance Period, the Committee shall meet to review and certify in writing whether, and to what extent, the Performance Goals for the Performance Period have been achieved and, if so, to calculate and certify in writing that amount of the Performance Compensation Awards earned for the period based upon the Performance Formula. The Committee shall then determine the actual size of each Participant's Performance Compensation Award for the Performance Period.

(iv) [Intentionally omitted]

(v) The Performance Compensation Awards granted for a Performance Period shall be paid to Participants as soon as administratively possible following completion of the certifications required by Section 13(e)(iii), unless the Committee shall determine that any Performance Compensation Award shall be deferred.

(vi) In no event shall any discretionary authority granted to the Committee by the Plan be used to (1) grant or provide payment in respect of Performance Compensation Awards for a Performance Period if the Performance Goals for such Performance Period have not been attained, or (2) increase a Performance Compensation Award for any Participant at any time after the first 90 days of the Performance Period (or, if shorter, the maximum period allowed under Section 162(m)).

which the Board deems appropriate to enhance the Company's ability to claim deductions related to stock option exercises); provided that to the extent required by the Code or the rules of Nasdaq or the SEC, shareholder approval shall be required for any amendment of the Plan. Subject to the foregoing, it is specifically intended that the Board or Committee may amend the Plan without shareholder approval to comply with legal, regulatory and listing requirements and to avoid unanticipated consequences deemed by the Committee to be inconsistent with the purpose of the Plan or any Award Agreement.

(b) **PARTICIPANTS IN FOREIGN COUNTRIES.** The Committee shall have the authority to adopt such modifications, procedures, and sub-plans as may be necessary or desirable to comply with provisions of the laws of foreign countries in which the Company or its Subsidiaries may operate to assure the viability of the benefits from Awards granted to Participants performing services in such countries and to meet the objectives of the Plan.

(c) **EFFECT OF AMENDMENT OR TERMINATION.** Any amendment or termination of the Plan shall not affect Awards already granted and such Awards shall remain in full force and effect as if this Plan had not been amended or terminated, unless mutually agreed otherwise between the Participant and the Committee, which agreement must be in writing and signed by the Participant and the Company.

SECTION 16. SHAREHOLDER APPROVAL. The effectiveness of the Plan is subject to approval by the shareholders of the Company in accordance with applicable Nasdaq rules.
