**Item 2.02. Results of Operations and Financial Condition**

On May 26, 2005, Highwoods Properties, Inc. (the Company) issued a press release announcing operational information for the quarter ended March 31, 2005. This press release is attached hereto as Exhibit 99.1. In addition, we posted on our web site supplemental information regarding our operations for the quarter ended March 31, 2005, a copy of which is attached hereto as Exhibit 99.2.

**Item 4.02. Non-Reliance on Previously Issued Financial Statements or a Related Audit Report or Completed Interim Review**

(a) The Company has also announced that, as a result of the preparation of its 2004 financial statements and related audit by its independent auditors, Ernst & Young LLP (E&Y), the Company's SOX 404 internal control work and its previously disclosed review of lease accounting practices, the Company has identified several adjustments which impact 2004 and prior periods that need to be recorded. These adjustments relate primarily to accounting for lease incentives, depreciation and amortization expense, straight-line ground lease expense on one ground lease, and internal cost capitalization.

Based on its current assessment, the Company does not believe that any of the adjustments, individually or in the aggregate, would have a material impact on any individual prior year. However, we believe that the cumulative impact of such adjustments relating to 2003 and prior years would, if all recorded in 2004, have a material impact on 2004 GAAP net income.

At meetings held on May 22, 2005 and May 24, 2005, members of the Company's audit committee discussed these matters with management and E&Y and determined that the Company should restate its previously reported financial information. As a result of the foregoing, the determination was made by the Company's audit committee and its management that the financial statements included in the Company's amended 2003 Annual Report on Form 10-K and the interim financial statements included in the Company's Quarterly Reports during 2004, should no longer be relied upon. Subsequently, E&Y, who previously issued unqualified opinions on our financial statements for 2003, 2002 and 2001, has advised us that such opinions should no longer be relied upon. E&Y is now in the process of auditing the restated financial statements.
