**Item 1.01. Entry Into A Material Definitive Agreement**

**Debenture Purchase Agreement**

On June 9, 2005, we entered into a Debenture Purchase Agreement with an investor, pursuant to which we may issue debentures in the principal amount of up to \$2,500,000. On June 9, 2005, we issued \$1,200,000 of convertible debentures and \$150,000 of convertible debentures as compensation for the transaction (together, the debentures ). We may issue up to an additional \$1,300,000 of principal of debentures at one or more additional closings prior to August 9, 2005. The debentures have a two year term and accrue interest at 12% per year payable in arrears in shares of our stock at the conversion price at conversion or maturity.

Commencing on December 9, 2005 until the maturity date, the debentures are convertible at the option of the holder into shares of our common stock at a conversion price equal to \$0.05 per share. The debentures are not repayable in cash and will be automatically converted into shares of our common stock at maturity at the conversion price. In no event is the holder entitled to convert the debentures for a number of shares of our common stock in excess of that number of shares of common stock which, upon giving effect to such conversion, would cause the aggregate number of shares of common stock beneficially owned by the holder and its affiliates to exceed 4.99% of the outstanding shares of our common stock following such conversion (unless the holder provides us sixty five (65) days prior written notice that this provision shall not apply).

We have agreed to prepare and file a registration statement under the Securities Act of 1933, as amended, that includes the shares of common stock issuable upon conversion of the debentures by July 19, 2005 and to have such registration statement effective by October 17, 2005.

Issuance of the debentures sold was exempt from registration pursuant to Rule 506 of Regulation D promulgated under Section 4(2) of the Securities Act. The debentures were sold to an accredited investor in a private transaction without the use of any form of general solicitation or advertising. The underlying securities are restricted securities subject to applicable limitations on resale.
