**Item 5.03 Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year.**

On June 10, 2005, the Board of Directors of SCOLR Pharma, Inc. (the Company) adopted Amended and Restated Bylaws (the Restated Bylaws) of the Company to supersede and replace the existing Bylaws of the Company. The Restated Bylaws include, among other things, revisions that: (i) clarify the appropriate notice and record date for stockholder meeting; (ii) clarify that vacancies on the board may filled only by the directors then in office; (iii) clarify the appropriate notice required for a board meeting; (iv) clarify the amount of time required for a stockholder's nomination for the board of directors; (v) clarify the scope of and procedures for indemnification of the Company's officers and directors; and (vi) remove unnecessary references regarding loans to directors. This description of the Restated Bylaws is qualified in its entirety by reference to the Restated Bylaws filed herewith as Exhibit 99.1.

**Item 8.01 Other Events.**

On June 14, 2005, the Company issued a press release to update three of the development-stage products that feature its patented Controlled Delivery Technology, including:

The Company reported encouraging preliminary results from the pilot bioavailability testing of its amino acid CDT-based raloxifene HCl tablets.

The Company also reported that recent clinical testing of its CDT-based extended release ibuprofen product has provided valuable data for further formulation refinement which will be required to assure that this product meets intended performance standards. The Company said that it now intends to submit an application to the Food and Drug Administration for extended release ibuprofen in mid-2006, a delay of approximately nine months from its previously announced expectations.

The Company further announced successful completion of clinical trials for its CDT-based 12 hour pseudoephedrine HCl tablet.
