Horace Mann Educators Corporation

We have audited the accompanying statement of net assets available for benefits of Horace Mann Supplemental Retirement and Savings Plan (the Plan) as of December 31, 2004, and the related statement of changes in net assets available for benefits for the year then ended. These financial statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan at December 31, 2004, and the changes in net assets available for benefits for the year then ended, in conformity with U.S. generally accepted accounting principles.

Our audit was performed for the purpose of forming an opinion on the 2004 basic financial statements taken as a whole. The supplemental schedule, Schedule H, Line 4i Schedule of Assets (Held at End of Year) as of December 31, 2004, is presented for the purpose of additional analysis and is not a required part of the basic financial statements, but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. This supplemental schedule is the responsibility of the Plan's management. The supplemental schedule has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

Notes to Financial Statements

December 31, 2004

1. General Plan Information

Description of the Plan

The Horace Mann Supplemental Retirement and Savings Plan (the Plan) is sponsored by Horace Mann Service Corporation (HMSC) which is a wholly owned subsidiary of Horace Mann Educators Corporation (HMEC). HMSC and HMEC are collectively referred to as the Company. The following brief description of the Plan is provided for general information purposes. Readers should refer to the actual Plan document or the employee summary plan description for additional information.

The Plan is a defined-contribution plan covering all employees of the Company. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Contributions and Vesting

Participating employees may contribute up to 20% of eligible compensation, including salary, overtime, commissions, and certain incentive bonuses on a before-tax basis to one or more of twenty available investment funds. Effective January 1, 2004, compensation used to determine Company contributions will no longer include bonuses for non-commissioned employees.

The total pre-tax contributions by a participant were limited to \$13,000 in 2004 and \$12,000 in 2003 (the limit will increase to \$1,000 each year until it reaches \$15,000 in 2006, after which the limit will be subject to adjustments to reflect increases in the cost of living pursuant to Section 402(g) of the Internal Revenue Code). Participating employees who reached age 50 or older during the Plan year have the opportunity to make pretax, catch-up contributions subject to federal limits.

Prior to January 1, 2002, the Company contributed an amount equal to 50% of the first 6% of eligible compensation contributed by participating employees. Employer contributions and earnings thereon vested 20% for each year of service, with full vesting occurring after five years of service. In addition, employer contributions generally become fully vested in the event of disability or death. Forfeitures of nonvested employer contributions serve to reduce future Company matching contributions. Participant contributions and earnings thereon are fully vested at all times. Effective January 1, 2002, the Plan became a safe harbor Plan.

Notes to Financial Statements (continued)

1. General Plan Information (continued)

The Company contributes 3% of eligible compensation to every employee. The automatic 3% Company contribution replaces the 50% Company match of the first 6% contributed. The 3% Company contribution is 100% vested at the time the contribution is made and is participant-directed. Company match contributions made prior to January 1, 2002, will continue to vest at the rate of 20% per year of service.

In accordance with the Omnibus Budget Reconciliation Act of 1993, eligible compensation for purposes of contributions was limited to \$205,000 and \$200,000 in 2004 and 2003, respectively.

Participant Accounts and Benefits

Each participant's account is credited with the participant's contribution, the Company's contribution, and an allocation of Plan investment earnings and charged with an allocation of administrative expenses. The benefit to which a given participant is entitled is the benefit that can be provided from that participant's vested account. A participant subaccount is maintained in each of the investment funds in which a participant chooses to invest. There were 2,416 and 2,553 participants at December 31, 2004 and 2003, respectively.

Trust Agreement

Except for participant loans, all Plan assets are in a Master Trust held by The Northern Trust Quantitative Advisors, Inc. The Master Trust also includes the specifically identified assets of the HMSC Money Purchase Pension Plan. At December 31, 2004 and 2003, the assets of the Plan represent 46% and 45%, respectively of the total assets in the Master Trust. The assets of the Plan are participant-directed investments and are deposited in a Horace Mann Life Insurance Company (HMLIC) Group Annuity Contract (Fixed Account), mutual funds, or HMEC Common Stock. Prior to September 30, 2004, investments were available through the HMLIC Group Annuity Contract Separate Account that consisted of seven Horace Mann Mutual Funds. Other mutual fund options listed on the following page were also available. Effective October 1, 2004, the sponsorship of the Horace Mann Mutual Funds was transferred to Wilshire Associates, Inc.

2. Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements have been prepared using the accrual basis of accounting.

2. Summary of Significant Accounting Policies (continued)

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Quoted market prices are used to value investments in common stock. Shares of mutual funds are valued at the net asset value of shares held by the Plan at year-end. Investments in the fixed fund are stated at contract value, which approximates fair value. Purchases and sales of securities are recorded on a trade-date basis. Participant loans are valued at the unpaid principal balance, which approximates fair value. Interest and dividend income is recorded as earned on an accrual basis.

Net Appreciation in Fair Value of Investments

In the statements of changes in net assets available for benefits, the Plan presents the net appreciation (depreciation) in the fair value of its investments which consists of realized gains or losses and the unrealized appreciation (depreciation) on those investments.

Plan Expenses

The Plan pays all Plan administrative expenses, consisting primarily of recordkeeping, trustee, audit, and legal fees. All investment fees have been included in the quarterly performance gains or losses reported for individual Plan funds.

Payment of Benefits

Benefit payments are recorded when paid.

Use of Estimates

Edgar Filing: HORACE MANN EDUCATORS CORP /DE/ - Form 11-K

The preparation of the Plan's financial statements in conformity with U.S. Generally Accepted Accounting Principles requires the Plan administrator to make estimates and assumptions that affect the reported amounts of net assets available for benefits at the date of the financial statements and the changes in net assets available for benefits during the reporting period. Actual results could differ from those estimates.

2. Summary of Significant Accounting Policies (continued)

Risks and Uncertainties

The Plan provides for investments in mutual funds and Horace Mann Educator Corporation common stock. Investment securities are exposed to various risks including, but not limited to, interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term.

3. Investments

HMLIC Group Annuity Contract (Fixed and Separate Accounts)

Fixed Account

Within the HMLIC Group Annuity Contract plan, participants may invest in a fixed interest rate fund. Plan assets invested in this fixed interest rate fund are guaranteed by HMLIC and, as a result, are presented in the financial statements at contract value. Contract value represents contributions made under the contract, plus interest at the contract rate, less withdrawals by participants. The fair value of the group annuity contract is approximately equal to contract value at December 31, 2004 and 2003.

The actual credited interest rate on the group annuity contract was 4.50% for the years ended December 31, 2004 and 2003, respectively.

The minimum guaranteed annual interest rate per the group annuity contract is 4.50%. The actual credited interest rate may be reset by HMLIC with 30 days advance notice. The rate was unchanged from 2003 at 4.50%.

Rowe Price Small Cap Stock Fund and the T. Rowe Price Small Cap Value Fund, the Davis Value Portfolio, the Strong Opportunity Fund II, the J.P. Morgan U.S. Disciplined Equity Portfolio, and the Putnam VT Vista Fund. The sponsorship of the HMLIC mutual funds was transferred to Wilshire Associates Inc. on October 1, 2004.

The investments of the underlying mutual funds are primarily common stocks, U.S. government and corporate bonds, and short-term commercial paper. Short-term commercial paper is presented at cost, which approximates fair value.
