Notice on the business and capital alliance with Tsukishima Kikai Co., Ltd.

Please be advised that Kubota Corporation (hereinafter the Company) resolved at its Board of Directors Meeting held on July 22, 2005 to enter into a business and capital alliance with Tsukishima Kikai Co., Ltd. (hereinafter TSK) in the Water & Sewage Engineering business. And today, the Company and TSK concluded the contract of the business and capital alliance. Details of the alliances are as follows;

1. Purpose of the alliance

Business environment of Water & Sewage Engineering business is getting worse due to prevalence of water supply and sewerage systems in urban area and declining public investment.

In order to cope with this difficult environment, the Company and TSK agreed to promote alliance in the Water & Sewage Engineering business.

2. Details of the alliance

(1) Business alliance

Edgar Filing: KUBOTA CORP - Form 6-K

On this agreement, the Company and TSK will make effort to improve profitability of the Water & Sewage Engineering business through such tactics as supplying complementary products each other and joint development of new products.

The Company and TSK will establish alliance committee in August and examine what kind of the collaboration is feasible.

(2) Capital alliance

In order to reinforce the business alliance, the Company and TSK will plan to create cross-shareholding as follows;

- The Company will acquire issued TSK's shares, up to 3.6 million shares (7.89 % of total number of shares issued).
- TSK will acquire issued Company's shares, up to 5 million shares (0.38 % of total number of shares issued)

3. Schedule of the alliance

July 26, 2005: Concluding the contract of the business and capital alliance

August, 2005: Establishment of alliance committee and commencement of examination of the feasible collaborations.

4. Prospects

The effects of the alliance on the Company's consolidated results of operations and financial position is unknown at this time and will be estimated later.

< Cautionary Statements with Respect to Forward-Looking Statements >

This document may contain forward-looking statements that are based on management's expectations, estimates, projections and assumptions. These statements are not guarantees of future performance and involve certain risks and uncertainties, which are difficult to predict. Therefore, actual future results may differ materially from what is forecast in forward-looking statements due to a variety of factors, including, without limitation: general economic conditions in the Company's markets, particularly government agricultural policies, levels of capital expenditures, both in public and private sectors, foreign currency exchange rates, continued competitive pricing pressures in the marketplace, as well as the Company's ability to continue to gain acceptance of its products.
