**Item 2.01. Completion of Acquisition or Disposition of Assets.**

As previously disclosed, PriceSmart, Inc. (the *Company*) entered into an agreement dated August 5, 2005 (the *Agreement*) to sell its interest (the *Divestiture*) in PSMT Philippines, Inc. (*PSMT Philippines*), the Company's Philippines subsidiary, and resolve all outstanding litigation between the Company and E-Class Corporation (*E-Class*), one of the minority shareholders of PSMT Philippines and its affiliates. The Divestiture was consummated on August 12, 2005.

Under the terms of the Agreement, the Company transferred its shares in PSMT Philippines to E-Class principal William Go in exchange for dismissal of all pending litigation in the Philippines and the San Diego Superior Court, a mutual release of all claims, and agreements by E-Class and Go to indemnify the Company and its officers, directors, stockholders and agents and to hold them harmless from any and all claims arising out of or associated with the following:

five ground leases under which PSMT Philippines is a tenant;

approximately \$6 million of debt borrowed by PSMT Philippines, 52% of which is guaranteed by the Company;

any and all lawsuits against PSMT Philippines;

any taxes, duties or VAT owed under Philippine law with respect to merchandise previously shipped, imported or cleared by Go, his affiliates or PSMT Philippines;

liabilities to PSMT Philippines employees for compensation, benefits and retirement benefits, including any severance obligations;

any membership refunds or other liability to members in the event the membership concept is terminated or the business is closed;

any claims made against the Company or its officers, directors, stockholders or agents by Go affiliates; or

Go's, E-Class or PSMT Philippines revival, reinstatement or pursuit of the litigation and claims released pursuant to the Agreement.

E-Class and Go also agreed to become directly liable for \$9.5 million of debt currently owed by PSMT Philippines to the Company and to accept the business of PSMT Philippines and the Company's shares in PSMT Philippines on an as-is basis, without any representations or warranties about the business of PSMT Philippines or its prospects, assets or liabilities.

The Company has agreed to indemnify PSMT Philippines and its officers, directors, stockholders and agents and to hold them harmless from any claims arising out of previously settled litigation between the Company and its prior Philippines licensee. The Company will have the right, but not the obligation, to continue to make available U.S. exports to PSMT Philippines on a COD basis and will provide information technology services for an agreed-upon period of time. The Company also will allow PSMT Philippines to use for one year the PriceSmart name at the four current warehouse clubs in Manila, subject to certain specified conditions.

## Edgar Filing: PRICESMART INC - Form 8-K

The Company expects to take a pre-tax charge to earnings in the Company's fiscal fourth quarter currently estimated to be approximately \$20 million to write-off amounts owed to the Company by PSMT Philippines primarily related to past merchandise shipments as well as the write-down of certain assets to expected net realizable value.

The description of the terms and conditions of the Agreement set forth herein does not purport to be complete and is qualified in its entirety by reference to the full text of the Agreement attached hereto as Exhibit 10.1, which is incorporated herein by reference.
