-

Item 2.02 Results of Operations and Financial Condition

This current report on Form 8-K/A relates to the current report on Form 8-K filed on October 27, 2005 in which Sprint Nextel Corporation (Sprint Nextel) furnished a copy of the press release dated October 26, 2005 that announced its 2005 third quarter results.

As part of the announcement of 2005 third quarter results, Sprint Nextel furnished pro forma consolidated statements of operations (unaudited) for each of the quarters ended March 31, 2004 through September 30, 2005, presented as if the Sprint Nextel merger occurred at the beginning of each period presented. In the determination of pro forma net income or loss, the income tax (expense) benefit reported in each of the pro forma statements of operations included the tax benefit of tax valuation allowance releases relating to the acquired company occurring in these periods associated with the benefit of capital loss carryforwards.

Sprint Nextel has revised the pro forma statements of operations (unaudited) to reflect these valuation allowance releases as balance sheet reductions to goodwill rather than as a tax benefit. Accordingly, income tax expense (benefit) has been revised, resulting in a decrease to pro forma net income (or increase to pro forma net loss), and a decrease to pro forma adjusted net income, of \$84 million for the quarter ended September 30, 2005, \$25 million for the quarter ended June 30, 2005, \$178 million for the quarter ended March 31, 2005, \$28 million for the quarter ended December 31, 2004, and \$154 million for the quarter ended September 30, 2004. This revision also results in a decrease to pro forma diluted earnings per share (or increase to pro forma diluted loss per share) of \$0.02 for the quarter ended September 30, 2005, \$0.01 for the quarter ended June 30, 2005, \$0.06 for the quarter ended March 31, 2005, \$0.01 for the quarter ended December 31, 2004, and \$0.06 for the quarter ended September 30, 2004. In addition, pro forma adjusted EPS (earnings per share) excluding amortization and depreciation has been revised to \$0.38 for the quarter ended September 30, 2005 and \$0.26 for the quarter ended September 30, 2004, and is reconciled as follows:

	Quarter Ended September 30,	
	2005	2004
Diluted earnings (loss) per share	\$ 0.14	\$ (0.70)
Special items	0.08	0.80
Adjusted earnings per share*(1)	0.22	0.11
Amortization and depreciation (a)	0.16	0.15
Adjusted EPS* excluding amortization & depreciation	0.38	0.26

(a) Represents the diluted per share effect of the incremental net amortization and depreciation expense, net of tax, of \$465 million in 2005 and \$443 million in 2004 associated with purchase accounting step-up.

(1) Totals may not foot due to rounding.

The revised pro forma statements of operations (unaudited) are furnished as Exhibit 99.

Item 9.01 Financial Statements and Exhibits

Edgar Filing: SPRINT NEXTEL CORP - Form 8-K/A

Exhibit No.
