**Section 1 Registrant's Business and Operations**
**Item 1.01. Entry into a Material Definitive Agreement**

On December 28, 2005, the Compensation Committee of the Board of Directors of Mattel, Inc. ( Mattel ) approved the acceleration of vesting of all outstanding unvested stock options with an exercise price of \$16.09 or greater granted to employees other than Mattel's Chairman and Chief Executive Officer under the Amended and Restated Mattel 1996 Stock Option Plan, the Amended and Restated Mattel 1999 Stock Option Plan and the Mattel, Inc. 2005 Equity Compensation Plan (collectively, the Stock Option Plans ). Options held by non-employee members of the Board of Directors were excluded from the acceleration. The effective date of the acceleration was December 28, 2005; on such date, the closing price of Mattel's common stock on the New York Stock Exchange was \$15.95 per share.

The options as to which vesting was accelerated have exercise prices per share ranging from \$16.09 to \$22.52 and a weighted average exercise price per share of \$18.34. As a result of the acceleration, options for approximately 12.4 million shares became immediately exercisable. Typically, stock options granted to employees under the Stock Option Plans vest over a three-year period. The number of shares subject to, and exercise prices of, the options as to which vesting was accelerated remain unchanged.

Of the approximately 12.4 million shares subject to options as to which vesting was accelerated, approximately 1.7 million, or approximately 14%, correspond to options held by Mattel's executive officers as a group, and the following amounts correspond to options held by Mattel's named executive officers:

Named executive officer	Title	Number of shares		
		as to which option vesting was accelerated	Exercise price per share	Date of grant of option
Robert A. Eckert	Chairman & Chief Executive Officer	None	Not applicable	Not applicable
Neil B. Friedman	President, Mattel Brands	100,000	\$19.43	July 31, 2003
		150,000	\$16.96	April 30, 2004
		250,000	\$18.71	August 1, 2005
Kevin M. Farr	Chief Financial Officer	50,000	\$19.43	July 31, 2003
		75,000	\$16.96	April 30, 2004
		125,000	\$18.71	August 1, 2005
Thomas A. Debrowski	Executive Vice President, Worldwide Operations	40,000	\$19.43	July 31, 2003
		60,000	\$16.96	April 30, 2004
Matthew C. Bousquette	Former President, former Mattel Brands division	100,000	\$18.71	August 1, 2005
		None	Not applicable	Not applicable

## Edgar Filing: MATTEL INC /DE/ - Form 8-K

With regard to the accelerated options held by Mattel's executive officers who report directly to Mr. Eckert (consisting of Mr. Friedman; Mr. Farr; Mr. Debrowski; Ellen L. Brothers, Executive Vice President, Mattel and President, American Girl; Bryan G. Stockton, Executive Vice President, International; Alan Kaye, Senior Vice President, Human Resources; and Robert Normile, Senior Vice President, General Counsel and Secretary), Mattel imposed a restriction consisting of a holding period on shares underlying the portion of such options as to which vesting was accelerated. Pursuant to this restriction, each such executive officer is required to refrain from selling any shares acquired upon exercise of any portion of such options that was accelerated, until the earlier of (a) the date on which the portion of the option being exercised by such executive officer would have become vested pursuant to the option's original vesting schedule or (b) the date on which such executive officer ceases to be an executive officer of Mattel.

The primary purpose of the accelerated vesting is to enable Mattel to avoid recognizing future compensation expense associated with the accelerated stock options under the planned adoption by Mattel in 2006 of FASB Statement No. 123R, Share-Based Payment (FAS 123R). Mattel expects the accelerated vesting to reduce the pre-tax stock compensation expense it otherwise would be required to record by approximately \$30 million over the period from 2006 through 2008.
