All reports and other documents filed by the Registrant since the end of the fiscal year covered by the Registrant's document referred to in paragraph (1) above pursuant to Sections 13(a) and (c), 14 and 15(d) of the Securities Exchange Act of 1934, as amended (the Exchange Act), prior to the filing of a post-effective amendment which indicates that all securities offered hereunder have been sold or which deregisters all such securities then remaining unsold, shall be deemed to be incorporated by reference in this Registration Statement and to be a part hereof from the date of filing of such reports and documents.

Any statement contained herein or in a document incorporated or deemed to be incorporated by reference herein shall be deemed to be modified or superseded for purposes of this Registration Statement to the extent that a statement contained herein or in any other subsequently filed document which also is or is deemed to be incorporated by reference herein modifies or supersedes such earlier statement. **Item 4. Description of Securities.**

Not applicable for the Registrant's common stock offered by this registration statement.

The deferred compensation obligations of the Registrant registered hereunder (the Obligations) are unsecured general obligations of the Registrant to pay the value of deferred compensation accounts of participants in accordance with the Plan. The Obligations will rank equally with other unsecured and unsubordinated indebtedness of the Registrant outstanding from time to time. Capitalized terms used in this Item 4 and not otherwise defined in this Registration Statement have the respective meanings attributed to such terms in the Plan.

## Edgar Filing: SMITHFIELD FOODS INC - Form S-8

The Plan allows for deferred stock grants consisting of a number of stock units determined by the board of directors. Each stock unit awarded entitles the director to receive one share of Common Stock. An initial stock grant of 1,000 stock units was made to each non-employee director as of the effective date of the Plan and, currently, additional stock grants of 1,000 stock units are made to each non-employee director immediately after each annual meeting of shareholders (with stock grants of 1,000 stock units made to each non-employee director after the 2005 annual meeting of shareholders). The board of directors may modify the amount or timing of such additional stock grants at any time.

Each director may make the following choices with respect to cash fees paid as an annual retainer and meeting fees (excluding expense reimbursements): (a) to receive the fees currently in cash, or (b) to defer receipt of 25%, 50%, 75% or 100% of the cash and receive it in the future as shares of Common Stock. The deferral election must be made before the start of the year to which it pertains. Deferral elections made under the Smithfield Foods, Inc. 2004 Non-Employee Director Deferral Plan for 2005 have been assumed by the Plan for 2005. A deferral election is irrevocable with respect to the year to which it pertains. A deferral election can be changed for each calendar year.

The Registrant's obligations to pay the deferred stock grants and the fees deferred shall be maintained in bookkeeping accounts (a deferral account) in the form of stock units, each a hypothetical share of Common Stock. A deferral account will be credited with a number of stock units equal to (a) the number of stock units for each deferred stock grant and (b) the fees deferred divided by the fair market value of the Common Stock.

Under the Plan, the Registrant may establish a trust to hold shares of Common Stock related to this liability. The Registrant has established a trust for the Plan. The trust assets will be subject to the claims of creditors of the Registrant in the event of bankruptcy.

All stock units will be credited for stock splits and similar events. Any dividends attributable to the stock units will be deemed reinvested in Common Stock. A director has the right to direct the trustee as to the voting of the director's allocable portion of the shares in the trust.

Based on the director's prior election, distributions from the deferral accounts will commence on the director's separation of service from the Board for any reason (including resignation or death) or a specified number of years (between one and five) following the director's separation of service. A director may also elect to have distributions commence upon a change in control. Distributions are made in a single lump sum or in annual installments of up to ten years, as previously elected by the director. In the absence of an election, distributions will be made in a lump sum upon the director's separation of service. Under certain conditions, a director who has previously elected to have distributions commence upon separation of service (or who has made no election) may make a subsequent election to delay the commencement of distributions for five years. No acceleration of distributions is permitted. The payment of stock units will be made in shares of Common Stock. The payment of deemed investments (as discussed in the next paragraph below) will be made in cash.

While a director is a member of the Board, all of the director's benefits under the Plan will be maintained in stock units. Following separation of service, a director may elect to transfer all or any part of such director's stock units into one or more deemed investments approved from time to time by the Nominating and Governance Committee. Such transfers and any further reallocations among stock units and deemed investments may be made subject to restrictions determined appropriate by the Nominating and Governance Committee.

A director may designate one or more beneficiaries to receive any distributions under the Plan after the death of the director.

If not sooner terminated by the Board of Directors, the Plan will terminate on January 19, 2015 or until there are no remaining shares available under the Plan.

The Board of Directors may suspend or terminate the Plan or amend the Plan in any respect; provided, however, no amendment may be made without shareholder approval to the extent that shareholder approval is required by law or stock exchange regulation. An amendment or termination of the Plan may not impair the rights of a director with respect to any benefit previously deferred under the Plan.

**Item 6. Indemnification of Directors and Officers.**

Under the Articles of Incorporation (the Articles ) of the Registrant, the liability of officers and

directors to the Registrant is eliminated to the fullest extent permitted by Virginia law. Under Virginia law, the liability of an officer or director cannot be limited or eliminated if the officer or director engages in willful misconduct or a knowing violation of the criminal law or of any federal or state securities law, including, without limitation, any claim of unlawful insider trading or manipulation of the market for any security.

To the fullest extent permitted by Virginia law, the Articles require the Registrant to indemnify any director or officer who is, was or is threatened to be made a party to any proceeding because he or she is or was a director or officer of the Registrant, or because he or she is or was serving the Registrant or any other legal entity in any capacity at the request of the Registrant while a director or officer of the Registrant, against any liability, including reasonable expenses and legal fees, incurred in the proceeding. Under the Articles, proceeding is broadly defined to include pending, threatened or completed actions of all types, including actions by or in the right of the Registrant. Similarly, liability is defined to include not only judgments, but also settlements, penalties, fines and certain excise taxes. The Articles also provide that the Registrant may, but is not obligated to, indemnify its other employees or agents. The indemnification provisions also require the Registrant to pay reasonable expenses incurred by a director or officer of the Registrant in a proceeding in advance of the final disposition of any such proceeding, provided that the indemnified person undertakes to repay the Registrant if it is ultimately determined that such person was not entitled to indemnification. Virginia law does not permit indemnification against willful misconduct or a knowing violation of the criminal law.

The rights of indemnification provided in the Articles are not exclusive of any other rights which may be available under any insurance or other agreement, by vote of stockholders or disinterested directors or otherwise. In addition, the Articles authorize the Registrant to purchase and maintain insurance on behalf of any person who is or was a director, officer, employee or agent of the Registrant, whether or not the Registrant would have the power to provide indemnification to such person, to protect any such person against any liability arising from his or her service to the Registrant or any other legal entity at the request of the Registrant.

#### **Item 8. Exhibits.**

See Exhibit Index following signatures.

#### **Item 9. Undertakings.**

(1) The undersigned Registrant hereby undertakes:

(a) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933, as amended (the Securities Act );

(ii) To reflect in the prospectus any facts or events arising after the effective date of the Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the Registration Statement;

## Edgar Filing: SMITHFIELD FOODS INC - Form S-8

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the Registration Statement or any material change to such information in the Registration Statement;

*provided, however,* that paragraphs (1)(a)(i) and (1)(a)(ii) of this section do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the Registrant pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference in this Registration Statement.

(b) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(2) The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the Registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to section 15(d) of the Exchange Act) that is incorporated by reference in the Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.
