DOVER MOTORSPORTS, INC.

ANNUAL MEETING OF STOCKHOLDERS

TO BE HELD APRIL 26, 2006

INFORMATION CONCERNING SOLICITATION AND VOTING

Your vote is very important. For this reason, our Board of Directors is requesting that you permit your stock to be represented at the 2006 Annual Meeting of Stockholders by the proxies named on the enclosed proxy card. This Proxy Statement contains important information for you to consider when deciding how to vote on the matters brought before the Annual Meeting. Please read it carefully.

References in this Proxy Statement to the Company, we, us and our shall mean DOVER MOTORSPORTS, INC., a Delaware corporation, and its subsidiaries, as appropriate. This Proxy Statement is furnished in connection with the solicitation of proxies on behalf of our Board of Directors. Proxies solicited by this Proxy Statement are to be voted at the Annual Meeting or at any adjournment of the meeting.

The mailing address for our principal executive office is P.O. Box 843, Dover, Delaware 19903. This Proxy Statement and the form of proxy were first sent to our stockholders on or about March 30, 2006.

GENERAL INFORMATION ABOUT THE MEETING

Who may vote

You may vote your stock if our records show that you owned your shares as of the close of business on March 24, 2006. On that date, our outstanding capital stock consisted of 16,401,377 shares of common stock, par value \$.10 per share (the Common Stock), and 19,918,225 shares of Class A common stock, par value \$.10 per share (the Class A Common Stock). Shares of Class A Common Stock are convertible at any time into shares of Common Stock on a share-for-share basis at the option of the holder.

Voting rights in general

If you hold Common Stock, you are entitled to one vote for each share of Common Stock held. If you hold Class A Common Stock, you are entitled to ten votes for each share of Class A Common Stock held, except to the extent that voting by class is required by law. At a meeting of stockholders at which a quorum is present, a majority of the votes cast decides all questions, unless the matter is one upon which a different vote

Edgar Filing: DOVER MOTORSPORTS INC - Form DEF 14A

is required by express provision of law or our Certificate of Incorporation or By-laws. Under the General Corporation Law of the State of Delaware, holders of Common Stock and Class A Common Stock are only entitled to vote as a class with respect to certain limited matters, such as certain amendments to our Certificate of Incorporation which would change the rights of only one class of stock.

Voting your proxy

Whether you hold shares in your name or through a broker, bank or other nominee, you may vote without attending the meeting. You may vote by granting a proxy or, for shares held through a broker, bank or other nominee, by submitting voting instructions to that nominee. Instructions for voting are on your proxy card. For shares held through a broker, bank or other nominee, follow the instructions on the voting instruction card included with your voting materials. If you provide specific voting instructions, your shares will be voted as you have instructed and as the proxy holders may determine within their discretion with respect to any other matters that properly come before the meeting.

If you hold shares in your name, and you sign and return a proxy card without giving specific voting instructions, your shares will be voted as recommended by our Board on all matters and as the proxy holders may

determine in their discretion with respect to any other matters that properly come before the meeting. If you hold your shares through a broker, bank or other nominee and you do not provide instructions on how to vote, your broker or other nominee may have authority to vote your shares on certain matters.

Vote required for Election of Directors

The election of our Board nominees will require a plurality of the votes cast by the shares entitled to vote. This means that the nominees receiving the greatest number of votes will be elected. Accordingly, abstentions and broker non-votes will not affect the outcome of the election of directors. There is no class voting or cumulative voting with respect to the election of directors.

Our Chairman, Henry B. Tippie, has the right to vote shares of Common Stock and Class A Common Stock that add up to more than fifty percent of the voting power of all of our outstanding capital stock. This means that his vote is all that is needed to elect all of the Board nominees. Mr. Tippie has indicated that he intends to vote all shares under his control in favor of all of the Board nominees.

Votes needed to hold the meeting (Quorum)

The meeting will be held if a majority of our outstanding shares on the record date entitled to vote is represented at the meeting. This is called a quorum. Your shares will be counted for purposes of determining if there is a quorum, even if you wish to abstain from voting on some or all matters introduced at the meeting, if you:

are present and vote in person at the meeting; or

have properly submitted a proxy card as permitted by your proxy card.

Matters to be voted on at the meeting and conduct of the meeting

The following proposal will be presented for your consideration at the meeting:

to elect three Class I Directors to the Board of Directors.

We currently are not aware of any business to be acted upon at the meeting other than the election of directors. If other business is properly raised, your proxies have authority to vote as they think best, including authority to adjourn the meeting.

Our Chairman has broad authority to conduct the meeting so that the business of the meeting is carried out in an orderly and timely manner. We have not previously had any need to provide rules of conduct for our annual meetings and do not anticipate doing so for this meeting since the Chairman has broad discretion to establish reasonable rules for discussion, comments and questions during the meeting and, if required, is

Edgar Filing: DOVER MOTORSPORTS INC - Form DEF 14A

entitled to rely upon applicable law regarding disruptions or disorderly conduct to ensure that the meeting proceeds in a manner that is fair to all participants.

Cost of this proxy solicitation

We will pay the costs of the solicitation of proxies. We may reimburse brokerage firms and other persons representing beneficial owners of shares for expenses incurred in forwarding the voting materials to their customers who are beneficial owners and obtaining their voting instructions. In addition to soliciting proxies by mail, our board members, officers and employees may solicit proxies on our behalf, without additional compensation, personally or by telephone, or we may ask our proxy solicitor to solicit proxies on our behalf for a nominal charge.

Voting in person at the meeting

You may vote shares held directly in your name in person at the meeting. If you want to vote shares that you hold in street name at the meeting, you must request a legal proxy from your broker, bank or other nominee that holds your shares.

Changing your vote

You may revoke your proxy and change your vote at any time before the final vote at the meeting. You may do this by signing a new proxy card with a later date, voting on a later date by telephone (if permitted by your proxy card), or by attending the meeting and voting in person. However, your attendance at the meeting will not automatically revoke your proxy; you must specifically revoke your proxy.

Voting recommendations

Our Board recommends that you vote **FOR** each of the nominees to our Board of Directors.

Voting results

The preliminary voting results will be announced at the meeting. The final voting results will be tallied by our Transfer Agent and Inspector of Elections and published in our quarterly report on Form 10-Q for the fiscal quarter ended March 31, 2006.

- (1) Our Class A Common Stock entitles the holder to ten votes per share and our Common Stock has one vote per share. Class A Common Stock is convertible, at any time, on a share-for-share basis into Common Stock at the option of the holder. As a result, pursuant to Rule 13d-3 of the Securities Exchange Act of 1934, a stockholder is deemed to have beneficial ownership of the shares of Common Stock which the stockholder may acquire upon conversion of Class A Common Stock. In order to avoid overstatement, the amount of Common Stock shown above as beneficially owned does not take into account shares of Common Stock which may be acquired upon conversion of Class A Common Stock (an amount which is equal to the number of shares of Class A Common Stock held by a stockholder). The percentages shown in this table are based on 16,401,377 shares of Common Stock and 19,918,225 shares of Class A Common Stock outstanding as of March 24, 2006. The above numbers include the following shares of Common Stock subject to options granted under the Company's 2004 Stock Incentive Plan (the "Plan") which the employee has the right to acquire beneficial ownership within 60 days as specified in Rule 13d-3 of the Securities Exchange Act of 1934: Denis McGlynn, 62,448 shares; Klaus M. Belohoubek, 77,193 shares; Patrick J. Bagley, 29,999 shares; Jerome T. Miraglia, 32,998 shares; Thomas G. Wintermantel, 14,997 shares; and all

- directors and officers as a group, 217,635 shares. The above numbers include the following shares of restricted Common Stock granted under the Plan on the dates specified: (1) April 28, 2004: Denis McGlynn, 12,000 shares; Klaus M. Belohoubek, 8,000 shares; Patrick J. Bagley, 8,000 shares; Jerome T. Miraglia, 8,000 shares; Thomas G. Wintermantel, 6,000 shares; and all directors and officers as a group, 42,000 shares; (2) January 3, 2005: Denis McGlynn, 12,000 shares; Klaus M. Belohoubek, 8,000 shares; Patrick J. Bagley, 8,000 shares; Jerome T. Miraglia, 8,000 shares; Thomas G. Wintermantel, 6,000 shares; and all directors and officers as a group, 42,000 shares; and (3) January 3, 2006: Denis McGlynn, 15,000 shares; Klaus M. Belohoubek, 8,000 shares; Patrick J. Bagley, 8,000 shares; Jerome T. Miraglia, 8,000 shares; Thomas G. Wintermantel, 6,000 shares; and all directors and officers as a group, 45,000 shares. All grants of restricted Common Stock vest one-fifth per year beginning on the second anniversary of the grant date. Unvested shares are included as beneficially owned because the grantees have the right to vote the shares.
- (2) Henry B. Tippie is the executor of the Estate of John W. Rollins (the Estate).
 - (3) Includes 150,000 shares of Common Stock held by his wife, and 42,000 shares of Common Stock held as Co-Trustee, and 8,000,000 shares of Class A Common Stock held by the Estate, as to which Mr. Tippie disclaims any beneficial interest.
 - (4) 230,000 shares of Class A Common Stock owned by R. Randall Rollins are included under both the holdings of Henry B. Tippie and the holdings of Mr. Rollins. Mr. Rollins has investment power over these shares and Mr. Tippie has the right to vote these shares pursuant to a Stockholders Voting Agreement between Mr. Tippie and Mr. Rollins. The terms of this agreement are outlined below under the heading Corporate Governance and Board of Directors Committees and Meetings Controlled Corporation Status. For purposes of calculating the holdings and percentage ownership under the heading All Directors and Officers as a Group, these 230,000 shares are only included one time in order to avoid overstatement.
 - (5) Includes 10,000 shares of Common Stock and 100,000 shares of Class A Common Stock held by his wife and 15,600 shares of Common Stock and 1,000 shares of Class A Common Stock held as Trustee, as to which Mr. Weaver disclaims any beneficial interest; and 600,000 shares of Class A Common Stock owned by a partnership over which Mr. Weaver has sole voting power. 23.86% of the partnership is held directly by Mr. Weaver and 23.84% is held directly by his wife. PROPOSAL NUMBER 1

ELECTION OF DIRECTORS

Three of our Directors are standing for reelection at the Annual Meeting to serve as Class I Directors for a term of three years, and until the election and qualification of their successors. Our other five Directors are not standing for reelection because their terms as Directors extend past the Annual Meeting pursuant to provisions of our Certificate of Incorporation which provide for the election of Directors for staggered terms, with each Director serving a three-year term.

We have eight members and two vacancies on our Board of Directors. There are positions for a Class I Director and a Class II Director which will remain vacant. Our Board believes that it is in our and your best interests to keep these vacancies on the Board so that the Board may, if the opportunity arises, appoint candidates

in the future without amending our Certificate of Incorporation. A majority of the members of our Board of Directors may appoint individuals to fill the vacancies.

Unless you WITHHOLD AUTHORITY, the proxy holders will vote FOR the election of each of the nominees named below to a three-year term as a Director. Although our Board of Directors does not contemplate the possibility, in the event a nominee is not a candidate or is unable to serve as Director at the time of the election, unless you WITHHOLD AUTHORITY, the proxies will be voted for such nominee as is designated by our Board of Directors to fill the vacancy.

The name and age of each of our Directors and each of the nominees, his principal occupation, and the period during which he has served us as a Director are set forth below.

CORPORATE GOVERNANCE AND BOARD OF DIRECTORS

COMMITTEES AND MEETINGS

Our Board of Directors held five meetings during the year ended December 31, 2005. All meetings were attended by one hundred percent of the Board. Board members are encouraged to attend our Annual Meeting of Stockholders and all Board members were in attendance at last year's meeting.

Audit Committee

Our Audit Committee consists of Kenneth K. Chalmers, Chairman, R. Randall Rollins and Jeffrey W. Rollins. The Audit Committee held five meetings during the year ended December 31, 2005. The Committee's functions are described below under the caption Report of the Audit Committee. Our Board has determined that each of our Audit Committee members is an independent director and that each member qualifies as an audit committee financial expert as those terms are defined by applicable New York Stock Exchange and Securities and Exchange Commission rules and regulations.

We have adopted Independence Guidelines for determining whether a director qualifies as independent. A copy of these guidelines may be found at our website (www.dovermotorsports.com) under the heading Investor Relations. In accordance with the rules of the New York Stock Exchange, no director will qualify as independent unless our Board affirmatively determines that the director has no material relationship with the Company that would affect the director's independence. In addition to the independence standards which have been promulgated by the New York Stock Exchange, we have adopted certain categorical standards to assist in making a determination of independence. Relevant text from our Independence Guidelines setting forth these standards is reproduced below:

*Except in special circumstances, as determined by a majority of the independent members of the Board, the following relationships will be considered **not** to be material relationships that would affect a Board member's independence:*

(i) If the director, or a member of the director's immediate family, has received less than one hundred thousand dollars (US \$100,000) per year in direct compensation from the Company (other than director and committee fees and pension or other forms of deferred compensation for prior service which are not contingent in anyway on continued services) within the past three (3) years.

(ii) If the director is a director or officer, or any member of the director's immediate family is a director or officer of a bank to which the Company is indebted, and the total amount of the indebtedness does not exceed one percent (1%) of the total assets of the bank for any of the past three (3) years.

(iii) If the director or any member of the director's immediate family serves as an officer, director, trustee or primary spokesperson of a charitable or educational organization, and donations by the Company do not exceed the greater of two percent (2%) or one million dollars (US \$1,000,000) of the organization's total annual charitable receipts for any of the past three (3) years.

(iv) If the director has a relationship with the Company of a type covered by item 404(a) and/or item 404(b) of the Securities and Exchange Commission's Regulation S-K (or any successor regulation), and that relationship need not, according to the terms of those items and any then-current proxy regulations, be disclosed in the Company's annual proxy statement (except for relationships described elsewhere in these guidelines in which case the other guideline will govern).

(v) If the director, or a member of the director's immediate family, has direct or beneficial ownership (as defined by Rule 13d to the Securities Exchange Act of 1934) of any amount of any class of common stock of the Company.

Our Board has also determined that each of our Audit Committee members is independent based on these standards.

Executive Committee

Our Executive Committee consists of Henry B. Tippie, Chairman, and Denis McGlynn. The Executive Committee held seven meetings during the year ended December 31, 2005. The Executive Committee has the power to exercise all of the powers and authority of our Board of Directors in the management of the business and affairs of the Company in accordance with the provisions of our By-laws.

Compensation and Stock Incentive Committee

Our Compensation and Stock Incentive Committee consists of Henry B. Tippie, Chairman, and R. Randall Rollins. The Compensation and Stock Incentive Committee held four meetings during the year ended December 31, 2005. The Committee establishes compensation and benefits for the Company's directors, officers and key employees and administers the Company's Stock Incentive Plan including the granting of restricted stock awards to various employees of the Company and its subsidiaries.

Nominating and Corporate Governance Committee

Our Nominating and Corporate Governance Committee consists of Henry B. Tippie, Chairman, and R. Randall Rollins. The Committee does not have a formal charter; it was formed by resolution of the full Board of Directors in 2002 for the following purposes:

to recommend to our Board of Directors nominees for director and to consider any nominations properly made by a stockholder;

upon request of our Board of Directors, to review and report to the Board with regard to matters of corporate governance; and

to make recommendations to our Board of Directors regarding the agenda for our annual stockholder's meetings and with respect to appropriate action to be taken in response to any stockholder proposals.

The Nominating and Corporate Governance Committee held one meeting during the fiscal year ended December 31, 2005. We are not required by law or by New York Stock Exchange rules to have a nominating committee since we are a controlled corporation as described below under the heading **Controlled Corporation Status**. We established the Nominating and Corporate Governance Committee to promote responsible corporate governance practices and we currently intend to maintain the Committee going forward.

Controlled Corporation Status

We have elected to be treated as a controlled corporation as defined by New York Stock Exchange Rule 303A. This Rule provides that a controlled corporation need not comply with the requirements of Sections 303A.01, 303A.04 and 303A.05 of the New York Stock Exchange Listed Company Manual. Section 303A.01 requires that listed companies have a majority of independent directors. As a controlled corporation, this Section does not apply to us. We are only required to make an independence determination relative to our audit committee members all three of whom are independent. Two of our directors, Denis McGlynn and Patrick J. Bagley are employees of the Company and, therefore, cannot be considered independent. No other directors or their immediate family members are employees of ours. Our Board is not required to and has not formally made an assessment as to the independence of these directors. Sections 303A.04 and 303A.05 require that listed

companies have a nominating & corporate governance committee and a compensation committee, in each case composed entirely of independent directors. In addition, each committee must have a charter that addresses both the committee's purpose and responsibilities and the need for an annual performance evaluation by the committee. While we have a nominating/corporate governance committee and a compensation committee, we are not required to and do not comply with all of the provisions of Sections 303A.04 and 303A.05. We are a controlled corporation because a single person, Henry B. Tippie, the Chairman of our Board of Directors, controls in excess of fifty percent of our voting power. This means that he has the ability to determine the outcome of the election of directors at our annual meetings and to determine the outcome of many significant corporate transactions, many of which only require the approval of a majority of the Company's voting power. Such a concentration of voting power could also have the effect of delaying or preventing a third party from acquiring control over the Company at a premium.

Mr. Tippie's voting control emanates from his direct and indirect holdings of Common Stock and Class A Common Stock, from his status as executor of the Estate of John W. Rollins, our largest stockholder, and from certain shares as to which he has voting rights pursuant to a voting agreement described below. As of March 24, 2006, Mr. Tippie has control over approximately 52.3% of the voting power of the Company.

On December 2, 2005, Mr. Tippie and R. Randall Rollins, another one of our directors, entered into an Amended and Restated Stockholders Voting Agreement and Irrevocable Proxy pursuant to which Mr. Rollins grants to Mr. Tippie the right to vote 230,000 shares of Class A Common Stock owned by Mr. Rollins. Mr. Rollins is also the beneficial owner of an additional 1,800,000 shares of Class A Common Stock and 290,700 shares of Common Stock, none of which are subject to this agreement. We are advised that one of the purposes of the agreement was to maintain the Company's status as a controlled corporation.

The Company is not a party to the Stockholders Voting Agreement and Irrevocable Proxy. The agreement is attached to a Schedule 13D filing made by the Estate of John W. Rollins and Mr. Tippie and filed with the SEC on December 2, 2005. Under the terms of this agreement, Mr. Rollins and Mr. Tippie agree to consult with each other relative to matters involving the voting of shares of our stock yet each stockholder reserves the right to vote shares beneficially owned by him in any manner he sees fit in his sole discretion, except that Mr. Rollins grants to Mr. Tippie the right to vote 230,000 shares of Class A Common Stock owned by Mr. Rollins. The agreement has an initial one (1) year term and continues for nine (9) successive one (1) year terms unless Mr. Rollins terminates the agreement prior to its anniversary date. The agreement automatically terminates in the event that Mr. Tippie ceases to control more than 50% of the voting power of the Company (measured by voting control in the outstanding shares of the Company's Common Stock and Class A Common Stock on a combined basis) or in the event of the death or incapacity of Mr. Tippie. The agreement shall not in any way restrict Mr. Rollins' right to sell, gift or otherwise dispose of the 230,000 shares of Class A Common Stock and shall cease to have any force and effect with respect to any such shares which may be sold, gifted or otherwise disposed of. In the event that all of the 230,000 shares of Class A Common Stock are sold, gifted or otherwise disposed of, the agreement automatically terminates. Mr. Tippie is also free at any time to cede voting control back to Mr. Rollins by providing written notice of such intention, in which event the agreement automatically terminates.

Director Nominations

Under Delaware law, there are no statutory criteria or qualifications for directors. The law does permit a corporation to prescribe reasonable qualifications in its by-laws or certificate of incorporation. Our By-laws require that at the time of nomination for a directorship, the nominee must own no less than 500 shares of our Common Stock. No other criteria or qualifications have been prescribed by us at this time. Our Nominating and Corporate Governance Committee does not have a formal charter or a formal policy with regard to the consideration of director candidates, however, it acts under the guidance of the Corporate Governance Guidelines approved by our Board and posted on our website (www.dovermotorsports.com) under the heading Investor Relations. We believe that we should preserve maximum flexibility in order to select directors with sound judgment and other qualities which are desirable in corporate governance. According to our Corporate Governance Guidelines, we believe our Board of Directors should be responsible for selecting its own members.

Our Board delegates the screening process involved to the Nominating and Corporate Governance Committee. This Committee is responsible for determining the appropriate skills and characteristics required of Board members in the context of the then current make-up of our Board. This determination should take into account all factors which the Committee considers appropriate, such as independence, experience, strength of character, mature judgment, technical skills, diversity, age and the extent to which the individual would fill a present need on the Board. Our By-laws provide that nominations for the election of directors may be made by any stockholder entitled to vote for the election of directors. Nominations must comply with an advance notice procedure which generally requires that written notice be received by our Secretary not less than ninety days prior to the anniversary of the prior year's annual meeting and set forth the name, age, business address and, if known, residence address of the nominee proposed in the notice, the principal occupation or employment of the nominee for the past five years and evidence that the nominee owns not less than 500 shares of our Common Stock. We have not engaged, nor do we believe that it is necessary to engage, any third party to assist us in identifying director candidates. We have not received a recommendation for a director nominee from a stockholder. All of the nominees to be voted on at our Annual Meeting are existing directors standing for reelection.

Corporate Governance Guidelines

We have adopted Corporate Governance Guidelines to promote better understanding of our policies and procedures. At least annually, the Board reviews these guidelines. A copy of our current Corporate Governance Guidelines may be found at our website (www.dovermotorsports.com) under the heading Investor Relations. As required by the rules of the New York Stock Exchange, our Corporate Governance Guidelines require that our non-management directors meet in at least two regularly scheduled executive sessions per year without management. Our Chairman will generally act as the presiding director but our guidelines provide that the meetings may be chaired by other directors depending on the nature of the matter to be considered.

At our website (www.dovermotorsports.com), under the heading Investor Relations, you may access a copy of our Corporate Governance Guidelines, our Audit Committee Charter and our Code of Business Conduct. We will also provide a copy of any of these documents, free of charge, to any record or beneficial stockholder. Please make your request in writing, addressed to Patrick J. Bagley, Senior Vice President-Finance and Chief Financial Officer, Dover Motorsports, Inc., P.O. Box 843, Dover, DE 19903.

Director Communications

We have a process for interested parties, including stockholders, to send communications to our Board. Communications to any member of our Board of Directors, to the entire Board of Directors or to any Committee or group of Directors, such as our non-management Directors should be mailed as follows:

In addition to the Board of Directors or Committee meeting attendance fees, the following fees are paid quarterly for the chairmanships noted: Chairman of the Board, \$5,000; Chairman of the Audit Committee, \$3,000; Chairman of the Executive Committee, \$3,000; Chairman of the Compensation & Stock Incentive Committee, \$2,000; and Chairman of the Nominating & Corporate Governance Committee, \$1,000.

REPORT OF THE AUDIT COMMITTEE

Our Audit Committee is established pursuant to our By-laws and the Audit Committee Charter adopted by the Board of Directors on January 28, 2004, which is available at our website (www.dovermotorsports.com) under the heading "Investor Relations."

Management is responsible for our internal controls, assessing the effectiveness of these controls and the financial reporting process. Our independent registered public accounting firm is responsible for performing an independent audit of our consolidated financial statements, management's assessment of internal control over financial reporting as of the Company's year end and the effectiveness of our internal control over financial reporting in accordance with the standards of the Public Company Accounting Oversight Board (United States) and for issuing reports on such. The Audit Committee's responsibility is generally to monitor and oversee these processes, as described in the Audit Committee Charter. It is not the duty of the Audit Committee to determine that our financial statements are complete and accurate and in accordance with U.S. generally accepted accounting principles or to plan or conduct audits; these are the responsibility of our management and independent registered public accounting firm, respectively.

Each member of our Audit Committee is independent in the judgment of the Company's Board of Directors and as required by the listing standards of the New York Stock Exchange.

In fulfilling its oversight responsibilities with respect to the year ended December 31, 2005, our Audit Committee:

Edgar Filing: DOVER MOTORSPORTS INC - Form DEF 14A

Approved the terms of the engagement of KPMG LLP as our independent registered public accounting firm for the year ended December 31, 2005;

Reviewed and discussed with our management and the independent registered public accounting firm our audited consolidated financial statements as of December 31, 2005 and for the year then ended;

Discussed with the independent registered public accounting firm the matters required to be discussed by the American Institute of Certified Public Accountants' Statement on Auditing Standards No. 61,

Communication with Audit Committees, the rules of the Securities and Exchange Commission and the standards of the Public Company Accounting Oversight Board (United States); and

Received from the independent registered public accounting firm written affirmation of their independence and discussed the firm's independence from the Company.

Reviewed and discussed with the independent registered public accounting firm and our internal auditors the overall scope and plan for their respective audits and reviewed and discussed with each, with and without management present, the results of their examinations, the evaluations of the Company's internal controls and the overall quality of the Company's accounting principles.

Reviewed and discussed with management its assessment as to the effectiveness of the Company's internal control over financial reporting as of the Company's year end.

Based upon the review and discussions referred to above, the Committee recommended to our Board of Directors that our audited consolidated financial statements, as of December 31, 2005 and for the year then ended, and management's assessment of the Company's internal control over financial reporting, be included in our Annual Report on Form 10-K for the year ended December 31, 2005 for filing with the Securities and Exchange Commission. In giving this recommendation to our Board of Directors, the Audit Committee has relied in part on:

management's representation that such consolidated financial statements have been prepared with integrity and objectivity and in conformity with U.S. generally accepted accounting principles; and

the reports of our independent registered public accounting firm with respect to such consolidated financial statements.

**REPORT OF THE COMPENSATION AND STOCK INCENTIVE COMMITTEE OF THE
BOARD OF DIRECTORS ON EXECUTIVE COMPENSATION**

During the fiscal year ended December 31, 2005, the members of our Compensation and Stock Incentive Committee held primary responsibility for determining executive compensation levels.

We are engaged in a highly competitive industry. As a consequence, we view our ability to attract and retain qualified executives as the cornerstone of our future success. In order to accomplish this objective, we have endeavored to structure our executive compensation in a fashion that takes into account our operating performance and the individual performance of the executive.

Edgar Filing: DOVER MOTORSPORTS INC - Form DEF 14A

Of necessity, this analysis is subjective in nature and not based upon a structured formula. The factors referred to above are not weighted in an exact fashion.

Pursuant to the above compensation philosophy, the total annual compensation of our executive officers is made up of one or more of three elements. The three elements are salary, an annual incentive and, in some years, grants of stock options or other stock based awards such as restricted stock.

The salary of each executive officer is determined by the Compensation and Stock Incentive Committee. In making its determinations the Committee gives consideration to our operating performance for the prior fiscal year and the individual executive's performance.

Annual incentive compensation packages for our executive officers are discretionary and based on each individual officer's performance. There exists a special discretionary incentive for ten officers of the Company and its subsidiaries, including the Company's five executive officers pursuant to which each may be entitled to receive a cash incentive from \$3,000 to \$15,000 based upon the attainment by the Company of certain financial metrics. In addition, the Compensation and Stock Incentive Committee has resolved that the determination of a discretionary annual incentive for the Executive Vice President for FYE 2006 will be dependent upon an overall favorable evaluation of the Executive Vice President's performance and be calculated as one percent of the year over year increase in the Company's EBITDA, as determined by this Committee in its sole discretion. There is no formal agreement for this discretionary incentive.

Awards under the Company's Stock Incentive Plan are purely discretionary, are not based upon any specific formula and may or may not be granted in any given fiscal year. Grants are made under the Plan and the Plan is administered pursuant to Rule 16b-3 of the Securities Exchange Act of 1934. When considering the grant of stock based awards, the Committee gives consideration to our overall performance and the performance of individual employees.

We expect that, as in past years, the salary and other compensation paid to our executive officers will qualify for income tax deductibility under the limits of Section 162(m) of the Internal Revenue Code. However, it is possible that, where merited, the Committee may authorize compensation which may not, in a specific case, be fully deductible by the Company.

CEO COMPENSATION

The CEO's compensation is determined by the Compensation and Stock Incentive Committee. As is the case with respect to the executive officers, the CEO's compensation is based upon our operating performance and his individual performance. The CEO's compensation consists of the same three elements identified above with respect to executive officers: salary, an annual incentive, and, in some years, grants of stock options or other stock based awards such as restricted stock. The determination of salary and the grant of stock based awards, if any, are subjective and not based upon any specific formula or guidelines. With respect to an annual incentive, our Compensation & Stock Incentive Committee has resolved that the determination of a discretionary annual incentive for FYE 2006 will be dependent upon an overall favorable evaluation of the Chief Executive Officer's performance and be calculated as five percent of the year over year increase in the Company's pre-tax earnings less \$100,000, as determined by this Committee in its sole discretion. There is no formal agreement for this discretionary incentive. The incentive disclosed for the CEO in the Summary Compensation Table below was determined by this calculation. The formula is reviewed by the Committee annually. The CEO is also one of the executives entitled to participate in the \$3,000 to \$15,000 special cash incentive described above. The CEO is not a member of the Committee and does not participate in the deliberations of the Committee when his salary or incentive is determined.

COMPLIANCE WITH SECTION 16(a) OF THE SECURITIES EXCHANGE ACT

Section 16(a) of the Securities Exchange Act of 1934 requires our officers and directors and persons who own more than ten percent of a registered class of the Company's equity securities to file reports of ownership and changes in ownership with the Securities and Exchange Commission. Officers, directors and greater than ten percent stockholders are required to furnish the Company with copies of all Section 16(a) forms they file.

Edgar Filing: DOVER MOTORSPORTS INC - Form DEF 14A

Based on our review of the copies of such forms, we believe that during fiscal year ended December 31, 2005, all filing requirements applicable to our officers, directors and greater than ten percent beneficial owners were complied with.

COMMON STOCK PERFORMANCE

The graph below compares the cumulative total return of the following:

our Common Stock;

the S&P Composite 500 Index; and

an index of peer companies.

The peer index we selected consists of the following companies engaged in the motorsports business: the Company, Speedway Motorsports, Inc. and International Speedway Corporation. The graph assumes that the value of the investment in our Common Stock and each index was 100 at December 31, 2000 and all dividends were reinvested. Appropriate adjustment has also been made relative to our spin-off of our gaming business to Dover Downs Gaming & Entertainment, Inc. on April 1, 2002. This spin-off is treated as a special dividend and the value of the shares acquired in the spin-off assumed to have been reinvested. The comparisons in this table are required by the Securities and Exchange Commission and, therefore, are not intended to forecast or be necessarily indicative of any future return on our Common Stock.

* \$100 invested on December 31, 2000 in stock or index-including reinvestment of dividends. Fiscal year ending December 31.

EXECUTIVE COMPENSATION

Shown below is information concerning the annual compensation for the fiscal years ended December 31, 2005, 2004 and 2003 of those persons who were, at December 31, 2005:

our Chief Executive Officer; and

our four other most highly compensated executive officers whose total annual salary exceeded \$100,000:

EMPLOYMENT AND NON-COMPETE AGREEMENTS

Edgar Filing: DOVER MOTORSPORTS INC - Form DEF 14A

We have entered into employment and non-compete agreements with all of our executive officers and non-compete agreements with one additional director. Following is a summary of certain material terms of these agreements.

Executive Officer Agreements

The employment and non-compete agreements entered into with all of our executive officers were entered into on February 13, 2006 (superseding the earlier agreements dated June 16, 2004) and are substantially identical in the following respects.

The agreements are only operative in the event of a Change in Control (as defined below). The agreements do not create an employment agreement between the Company and any executive officer providing for employment for any period of time prior to a Change in Control. All of our executive officers can be terminated

at the will of the Company at any time prior to a Change in Control with or without Cause (as defined below). The agreements all have a two (2) year term and shall automatically renew for successive two (2) year terms, provided that at any time prior to any such renewal, the Company's Compensation and Stock Incentive Committee has discretion to terminate the automatic renewal provision. Change in Control is defined under the agreements to mean the earlier to occur of (a) ten (10) days following the closing of a tender offer for the Company's stock or (b) the closing of a merger or similar transaction (Transaction) of the Company and any other entity; provided, however, a Transaction the result of which is the stockholders of the Company's voting securities immediately prior to the Transaction own, directly or indirectly in substantially the same proportion, at least 60% of the voting securities of the survivor of such Transaction immediately following such Transaction shall not be a Change in Control.

There are no other agreements or understandings between the Company and any executive officer which guarantee continued employment or guarantee any level of compensation, including incentive or bonus payments, to the executive officer.

In the event of a Change in Control during the term of the agreements and provided that the executive officer is employed by the Company when the Change in Control occurs, the Company must pay to the executive officer a certain Change in Control Fee in the amount described below. Each agreement specifies an Extension Period for a certain number of months, also as described below, during which the executive officer shall receive a monthly payment equal to one-twelfth of the sum of (a) the executive officer's then-current annual base salary (excluding any incentive or bonus), and (b) the amount of any cash bonus awarded to the executive officer for the then-most recently concluded fiscal year of the Company (the Monthly Amount). The agreements for the Chief Executive Officer and the Executive Vice President provide that for purposes of calculating the Monthly Amount, the executive officer's cash bonus shall be deemed to be not less than 75% and not greater than 125% of the average cash bonus awarded to the executive officer for the then most recently concluded fiscal year of the Company and the preceding two fiscal years. The executive officer shall also be entitled to health, welfare and certain fringe benefits no less favorable than those which he had prior to the Change in Control.

During the Extension Period, the executive officer agrees not to, directly or indirectly, engage in any capacity in the motorsports business or to assist any business that is in the motorsports business and that competes with the Company within a 100 mile radius of any of the Company's facilities. The executive officer is also prohibited, during the Extension Period, from soliciting the Company's customers and employees.

During the Extension Period, the executive officer shall continue as an employee. The Company is free to terminate the executive officer with or without Cause. If termination is without Cause, the Company shall continue to pay the Monthly Amount for the Extension Period. If the termination is for Cause, the Company shall continue to pay one-half of the Monthly Amount since the agreement allocates 50% of the Monthly Amount post-termination to severance and 50% is paid in consideration of the executive officer's non-compete covenants. Cause is defined under the agreement to mean a unanimous determination by the Board of Directors that the executive officer has been convicted of a felony, has embezzled from or committed fraud against the Company, which embezzlement or fraud has a material adverse financial impact on the Company or gross insubordination which has continued after written notice of such from the Board of Directors which determination is upheld by a final, non-appealable arbitration award.

The executive officer shall be entitled to continue receiving the Monthly Amount during the Extension Period if he voluntarily terminates his employment for Good Reason. Good Reason is defined under the agreements to mean a (i) reduction in title, responsibilities, administrative support or support services, (ii) relocation of executive officer's office, (iii) travel at a level that exceeds the travel requirements before the Change in Control, (iv) any breach by the Company of its obligations under the agreement, (v) any breach by the purchaser under a merger or acquisition agreement pursuant to which the Change in Control takes place relating to employee benefits or directors' and officers' insurance or indemnification provisions, or (vi) any reason whatsoever two months after the Change in Control.

Upon termination of the executive officer's employment, he shall also be entitled to receive a pension benefit calculated on the Monthly Amount for the remainder of the Extension Period equal to the amount which he would have received under the Company's retirement program had he remained an employee eligible to participate in the retirement program, which benefit will be paid in a lump sum using actuarial assumptions under the retirement program and the discount rate which would be utilized for purposes of funding a plan termination.

To the extent that any of the payments or benefits due to the executive officer constitute an excess parachute payment under the Internal Revenue Code and result in the imposition of an excise tax, the agreement requires that the executive be paid the amount of such excise tax by the Company plus any additional amounts necessary to place the executive officer in the same after-tax position as he would have been had no excise tax been imposed.

The executive officers individual agreements provide for the following: *Denis McGlynn, President and Chief Executive Officer* \$500,000 Change in Control Fee and 60 Month Extension Period. Mr. McGlynn's agreement also requires that for a 24 month period following a Change in Control he will provide certain assistance to the Company with respect to legislative matters within the State of Delaware. *Jerome T. Miraglia, Executive Vice President* \$200,000 Change in Control Fee and 24 Month Extension Period. *Patrick J. Bagley, Senior Vice President-Finance and Chief Financial Office* \$250,000 Change in Control Fee and 24 Month Extension Period. *Klaus M. Belohoubek, Senior Vice President-General Counsel and Secretary* \$250,000 Change in Control Fee and 24 Month Extension Period. Mr. Belohoubek's agreement also requires that the Company provide him with certain accommodations relative to office space and office equipment through January 2008. *Thomas G. Wintermantel, Treasurer* \$175,000 Change in Control Fee and 24 month Extension Period.

Director Agreement

In addition to the five executive officer agreements described above, we have entered into a non-compete agreement with the Chairman of our Board of Directors. This agreement was entered into June 16, 2004 and is substantially identical to the Executive Officer Agreements described above in the following respects.

The Agreement is only operative in the event of a Change in Control. Change in Control is defined in this agreement in the same manner as defined in the Executive Officer Agreements. Mr. Tippie's agreement has no expiration date and shall continue in effect as long as he remains a director of the Company.

In the event of a Change in Control during the term of Agreement and provided that the director serves as a director of the Company when the Change in Control occurs, the Company must pay to the director a \$750,000 Change in Control Fee.

For the one (1) year period following the Change in Control, the director agrees not to compete with the Company in the motorsports business or to solicit the Company's customers and employees. The scope of the non-competition covenants and the territory covered are the same as provided in the Executive Officer Agreements.

The agreement contains no provision relative to continuing the director's tenure with the Company for any fixed period of time prior to a Change in Control. There are no other agreements or understandings between the Company and any director which guarantee the director's continued tenure with the Company or guarantee any level of compensation, including incentive or bonus payments, to the director.

Edgar Filing: DOVER MOTORSPORTS INC - Form DEF 14A

The agreements contain the same tax gross-up as provided in the executive officer agreements described above to the extent that the payments to the director constitute an excess parachute payment under the Internal Revenue Code.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

In conjunction with our spin-off of Dover Downs Gaming & Entertainment, Inc. (Gaming & Entertainment) on April 1, 2002, we entered into various agreements with Gaming & Entertainment that addressed the allocation of assets and liabilities between the companies and that define the companies' relationship after the separation. These include the Real Property Agreement, the Transition Support Services Agreement, and the Tax Sharing Agreement. Patrick J. Bagley, Kenneth K. Chalmers, Denis McGlynn, Jeffrey W. Rollins, John W. Rollins, Jr., R. Randall Rollins and Henry B. Tippie are all Directors of both companies. Denis McGlynn and Klaus M. Belohoubek are executive officers of both companies.

The Real Property Agreement governs certain leases and easements affecting our Dover, Delaware facility. The Transition Support Services Agreement provides for each of the Company and Gaming & Entertainment to provide each other with certain administrative and operational services. The agreement may be terminated in whole or in part 90 days after the request of the party receiving the services or 180 days after the request of the party providing the services. The Tax Sharing Agreement provides for, among other things, the treatment of income tax matters for periods beginning before and including the date of the spin-off and any taxes resulting from transactions effected in connection with the spin-off.

During the year ended December 31, 2005, Gaming & Entertainment allocated corporate costs of \$1,613,000 to us for certain administrative and operating services, and we allocated costs of \$113,000 to Gaming & Entertainment. The allocations were based on an analysis of each company's share of the costs. In connection with our 2005 NASCAR event weekends at Dover International Speedway, Gaming & Entertainment provided certain catering services for which we were invoiced \$938,000. We invoiced Gaming & Entertainment \$113,000 for tickets purchased to the 2005 events and other event related items. The net costs incurred by each company for these services are not necessarily indicative of the costs that would have been incurred if the companies had been unrelated entities and/or had otherwise independently managed these functions; however, management believes that these costs are reasonable.

Use by Gaming & Entertainment of our 5/8-mile harness racing track is under an easement we granted which does not require the payment of any rent. Under the terms of the easement, Gaming & Entertainment has exclusive use of our harness track during the period beginning November 1 of each year and ending April 30 of the following year, together with set up and tear down rights for the two weeks before and after such period. The harness track is located on property we own and is on the inside of our one-mile motorsports superspeedway. Gaming & Entertainment's indoor grandstands are used by us at no charge in connection with our motorsports events. We also lease our principal executive office space from Gaming & Entertainment. Various easements and agreements relative to access, utilities and parking have also been entered into between us and Gaming & Entertainment relative to our respective Dover, Delaware facilities.

Our Chairman, Henry B. Tippie, controls in excess of fifty percent of our voting power. Please refer to the discussion above under the heading, Corporate Governance and Board of Directors' Committees and Meetings' Controlled Corporation Status. Mr. Tippie also controls in excess of fifty percent of Gaming & Entertainment's voting power.

BENEFIT PLANS

Pension Plans

Our Pension Plan is a non-contributory qualified defined benefit plan. All of our full time employees are eligible to participate in the Pension Plan. Up to September 30, 1989, retirement benefits were equal to the sum of from 1% to 1.8% of an employee's annual cash compensation for each year of service to age 65. Commencing October 1, 1989 and thereafter, retirement benefits are equal to the sum of 1.35% of earnings up to

covered compensation, as that term is defined in the Pension Plan, and 1.7% of earnings above covered compensation.

Pensionable earnings includes regular salaries or wages, commissions, bonuses, overtime earnings and short-term disability income protection benefits.

Retirement benefits are not subject to any reduction for Social Security benefits or other offset amounts. An employee's benefits may be paid in certain alternative forms having actuarially equivalent values. Retirement benefits are fully vested after the completion of five years of credited service or, if earlier, upon reaching age 55. The maximum annual benefit under a qualified pension plan is currently \$175,000 beginning at the Social Security retirement age (currently age 65).

The Company maintains a non-qualified, defined benefit plan, called the Excess Benefit Plan, which provides benefits that would otherwise be provided under the qualified pension plan but for maximum benefit and compensation limits applicable under federal tax law.

Annual pension benefit projections for the executives whose salary is reported in the Summary Compensation Table assume:

that the participant remains in the service of the Company until age 65;

that the participant's earnings continue at the same rate as paid in the fiscal year ended December 31, 2005 during the remainder of his service until age 65; and

that the qualified and non-qualified plans continue without substantial modification.

The estimated annual benefit at retirement for each of these executives is: Denis McGlynn, \$130,300; Jerome T. Miraglia, \$70,600; Patrick J. Bagley, \$34,700; Klaus M. Belohoubek, \$83,300; and Thomas G. Wintermantel, \$62,900.

401(k) Retirement Plan

We have a deferred compensation plan pursuant to section 401(k) of the Internal Revenue Code for all of our full time employees who have completed ninety (90) days of service. Covered employees may contribute up to 15% of their compensation for each calendar year. In addition, the Company contributes up to an additional 100% of the first \$250 of compensation contributed by any covered employee to the plan. An employee's maximum annual contribution to the plan beginning in 2006 is \$15,000 for employees under age 50 and \$20,000 for employees over age 50. All contributions are funded currently.
