**Notice on the new Company's actions for the health hazard of asbestos**

**for residents near the former Kanzaki Plant**

Kubota Corporation (hereinafter the Company) attended the meeting of the Association of patients suffering from mesothelioma and asbestos-related disease and their families (hereinafter the Association) on December 25, 2005 and announced that the Company intended to consider further actions for residents near the former Kanzaki plant in place of current consolation payment system.

The Company has established the outline of internal policy of Relief Payment System for the Asbestos-Related Patients and the Family Members of the Deceased near the Former Kanzaki Plant (hereinafter the Relief System) through discussion with the Association, which will be in place of current consolation payment systems. The purpose and the outline of the Relief System are as follows;

**1. The purpose of the Relief System**

The Company will establish the Relief System, which is different from the Law for the Relief of Patients Suffering from Asbestos-Related Diseases (hereinafter the New Asbestos Law), for the purpose of reducing the burden of patients and their families who are facing severe condition as much as possible from a viewpoint of corporate social responsibility as a manufacturer that once manufactured asbestos-containing products, while the Company has not found a reasonable ground yet between handling asbestos in the former Kanzaki Plant and the asbestos-related health hazard around it.

**2. The outline of the Relief System**

(1) Amount of payments under the Relief System

The Company will pay the relief payment per an eligible person, ranging from ¥25 million at a minimum to ¥46 million at a maximum.

(2) Conditions to be eligible for the payment under the Relief System

Persons who meet the following conditions are eligible for the payment under the Relief System

Certification under New Asbestos Law (either (a) or (b))

## Edgar Filing: KUBOTA CORP - Form 6-K

- (a) Certified as an eligible patient who are suffering from the designated diseases specified in the New Asbestos Law
  
- (b) Certified as an eligible person for receiving special condolence money and special funeral fees under the New Asbestos Law

Occupational history

Persons who had not handled any asbestos at their workplaces

Location and period (either (a) or (b))

- (a) Residents who had lived for one year or more in principle within 1 kilometer or less from the former Kanzaki plant during the specific period (from 1954 to 1995, when the Company manufactured asbestos-containing products).
  
- (b) Persons who had commuted to a certain place such as schools and companies in principle within 1 kilometer or less from the former Kanzaki plant for one year or more on a regular basis during the specific period (from 1954 to 1995).

**Table of Contents**

(3) Recipient of the relief payment (hereinafter the Recipient )

The Recipient will be either or

eligible patients under the Relief System

The bereaved family of the deceased eligible patients

(4) Conclusion of a written agreement for the relief payment, date and method of payment

Each Recipient and the Company will conclude an written agreement to confirm agreed terms and conditions.

Date and method of the relief payment will be described in the agreement.

(5) Documentation

The Company will ask persons who seek the relief payment under the Relief System to submit the following documents to the Company through Amagasaki Occupational Safety and Health Center.

Document which verifies certification under the New Asbestos Law, whichever is (a) or (b)

(a) A copy of certificate booklet issued by the government for patients suffering from asbestos-related health hazard

(b) Certificate to be beneficiary of special condolence money by the government

Document which verifies that the patient lived or worked close to the former Kanzaki Plant  
(e.g. residence certificate, certification of workplace etc.)

Document which verifies that the patient had not handled any asbestos at his/her workplace.  
(e.g. Certification of work experience etc.)

Copy of medical certificate submitted to the government at the procedure for the application under New asbestos Law.

(6) Establishment of Committee for operating the Relief System

To promote smooth operation of the Relief System, the Company will establish Committee for Operating the Relief System and the regulation of the committee.

**3. Schedule**

The Company will conclude a written agreement under the Relief System with each Recipient and the will commence the relief payments after conclusion of each such agreement.

When the Relief System is established the Company will abolish The Consolation Payment System for the Asbestos-Related Patients and the Family Members of the Deceased near the Former Kanzaki Plant established on August 12, 2005.

**Notice on an increase in year-end dividend for the year ended March 31, 2006**

Please be advised that Kubota Corporation (hereinafter the Company) resolved at the Board of Directors Meeting held on April 27, 2006 that the Company would raise year-end dividend per ADS (American Depositary Receipt).

This proposal will be subject to the approval at the 116<sup>th</sup> ordinary general meeting of shareholders that is to be held at the end of June 2006.

**1. Reasons for raising year-end dividend**

The Company believes returning profit to shareholders is important mission and executes it through providing stable, sustainable cash dividends, and repurchase and retirement of its own shares.

In order to advance these activities and considering the Company's current business performance, the Company decided to propose the year-end dividend per ADS would be ¥30, increases by ¥10 from interim dividend of ¥20.

Accordingly the annual dividends for the year ended March 31, 2006 will be ¥50 per ADS, including the interim dividend of ¥20.

**2. Details of dividends for the year ended March 31, 2006**

(per ADS)

	Interim dividend	Year-end dividend	Annual dividend
This fiscal year (Year ended March 31, 2006)	¥ 20	¥ 30	¥ 50
Comparable previous year (Year ended March 31, 2005)	¥ 15	¥ 25	¥ 40
