Item 3.01. Notice of Delisting or Failure to Satisfy a Continued Listing Rule or Standard; Transfer of Listing.

In a letter dated August 31, 2006 from The American Stock Exchange (AMEX) Celsion Corporation (the Registrant) was notified that based upon a review of its Form 10-Q for the period ended June 30, 2006 the Registrant is not in compliance with an additional continued listing standard in that its shareholders' equity is less than \$2,000,000 and it had losses from continuing operations and/or net losses in two of its three most recent fiscal years (Section 1003(a)(i) of the AMEX Company Guide). AMEX also notified the Registrant on August 31, 2006 that it has accepted the Registrant's plan of compliance and that the plan makes a reasonable demonstration of the Registrant's ability to regain compliance with the continued listing standards.

As previously disclosed in a current report on Form 8-K filed with the Securities and Exchange Commission on June 21, 2006, on June 15, 2006 Celsion Corporation (the Registrant) received a letter from AMEX notifying it that based on the Registrant's Form 10-Q for the period ended March 31, 2006, the Registrant was not in compliance with the continued listing standards set forth in the AMEX Company Guide. Specifically, the Registrant's shareholders' equity was less than \$4,000,000 and it had losses from continuing operations and/or net losses in three of its four most recent fiscal years (Section 1003(a)(ii) of the AMEX Company Guide), and its shareholders' equity was less than \$6,000,000 and it had losses from continuing operations and/or net losses in its five most recent fiscal years (Section 1003(a)(iii) of the AMEX Company Guide). The letter from AMEX dated August 31, 2006, indicated that the Registrant continues to be out of compliance with these listing standards based on its Form 10-Q for the period ended June 30, 2006.

At the invitation of AMEX in the letter from AMEX received June 15, 2006, the Registrant submitted a plan of compliance on July 14, 2006 advising AMEX of action it has taken, or will take, to bring it into compliance with the above continued listing standards.

As indicated above, AMEX has accepted the Registrant's plan of compliance. In connection with the acceptance of the plan, AMEX has granted the Registrant an extension until December 14, 2007 to regain compliance with the continued listing standards. The Registrant will continue to be listed during the extension period. However, the Registrant will be subject to periodic review by AMEX during the extension period and failure to make progress consistent with the plan or to regain compliance with the continued listing standards by the end of the extension period could result in the Registrant being delisted from AMEX.

A copy of the press release relating to the notification described above is attached hereto as Exhibit 99.1.
