**Item 4.02 Non-Reliance on Previously Issued Financial Statements or a Related Audit Report or Completed Interim Review.**

On November 20, 2006, the Company concluded that in addition to the restatements described in its Current Report on Form 8-K filed on November 15, 2006, it will be required to restate second quarter 2006 income (loss) from disposal of discontinued operations for an error in the determination of the impairment charge related to the sale of its former travel distribution businesses known as Travelport. Such restatement requires an increase of \$300 million to the \$1.0 billion impairment charge recorded in the second quarter of 2006 related to the sale of Travelport. As a result, the after-tax loss on the sale of Travelport for third quarter 2006 was approximately \$500 million. The aggregate after-tax loss on the sale of Travelport was, therefore, approximately \$1.8 billion, which is approximately \$150 million less than the previously announced \$1.95 billion (\$1.0 billion impairment charge recorded in second quarter 2006 and \$950 million expected loss on sale for third quarter 2006).

Accordingly, our previously issued financial statements for the six months ended June 30, 2006 should no longer be relied upon.

We filed our Quarterly Report on Form 10-Q for the period ended September 30, 2006 on November 21, 2006 and the financial statements included in such Quarterly Report properly reflect all applicable period adjustments relating to the restatements described above. We refer you to our September 30, 2006 Form 10-Q for additional information.

The Company's management and Audit Committee have discussed the matters disclosed in this filing with our independent registered public accounting firm, Deloitte & Touche LLP.
