**Item 8.01. Other Events**

As previously disclosed in our prospectus supplement filed with the Securities and Exchange Commission on March 23, 2006 pursuant to Rule 424(b) of the Securities Act of 1933 and in our quarterly report on Form 10-Q for the quarter ended September 30, 2006, Endo Pharma LLC has informed us that, in connection with its eventual winding up, on November 29, 2006, it granted Ms. Carol Ammon the currently remaining unallocated Endo Pharma LLC stock options, which stock options were exercisable for 809,893 shares of our common stock. Further, Ms. Ammon has informed us that she immediately exercised these stock options and sold the underlying shares in a block sale. The shares underlying these stock options were previously outstanding and had been held by Endo Pharma LLC, a limited liability company that had historically held a significant portion of our common stock, in which affiliates of Kelso & Company and certain members of management have an interest. The exercise of these stock options, which were granted pursuant to Endo Pharma LLC stock option plans, did not increase the number of our shares outstanding, and only diluted the equity holdings of the members of Endo Pharma LLC and not the equity holdings of our other stockholders. Further, this transaction is not expected to result in additional compensation expense to the Registrant. Following this transaction, Ms. Ammon continues to beneficially own 603,614 shares of our common stock in the Carol A. Ammon Annuity Trust for which Ms. Ammon serves as trustee and as to which shares Ms. Ammon holds either the sole or the shared power of disposition or the power to vote.
