On April 10, 2007, the board of directors of Serena authorized Serena to enter into change of control agreements with Jeremy Burton, President, Chief Executive Officer, Matthew DiMaria, Senior Vice President, Worldwide Marketing, Edward Malysz, Senior Vice President, General Counsel, Michael Steinharter, Senior Vice President, Worldwide Field Operations, and Carl Theobald, Senior Vice President, Research and Development. Under the terms of these agreements, in the event of a change of control of Serena, and the executive officer's employment is involuntarily terminated without cause or the executive officer resigns for good reason within 12 months after the consummation of the change of control of Serena, the executive officer will be entitled to receive the following severance benefits: (1) continuation of base salary for the severance period applicable to the executive officer as described below; (2) 100% of the executive officer's target bonus for the applicable severance period, plus a pro-rated amount of the executive officer's target bonus based upon the number of days that have elapsed in the fiscal year as of the executive officer's termination date; and (3) payment of health coverage costs for the applicable severance period. The applicable severance periods are two years for our President, Chief Executive Officer, one and one-half years for our Senior Vice President, Worldwide Field Operations, and one year for our other executive officers other than our Senior Vice President, Chief Financial Officer, from the date of termination. In order to receive these severance benefits, an executive officer must execute a release of claims in favor of the surviving company and comply with various restrictive covenants during the applicable severance period, including non-disparagement, non-compete and non-solicitation covenants.
