Item 5.03 Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year.

In accordance with Article II Section 2 of the Registrant's bylaws, the Registrant's board of directors adopted a resolution which fixes the number of directors comprising the full board of directors at 18 persons effective April 17, 2007. Previously, the size of the full board of directors had been 19 persons.

At the annual meeting of shareholders held April 17, 2007, holders of more than a majority of the outstanding shares of common stock of the Registrant approved an amendment to the Registrant's articles of incorporation affecting its preferred stock. The amendment became effective upon filing with the Secretary of State of the State of Georgia on April 17, 2007. The amendment revises Article 5(b) of the Registrant's articles of incorporation. Previously, Article 5(b) required that any preferred stock issued by the Registrant include certain mandatory or minimum rights, including (i) a liquidation preference, (ii) a requirement that dividends be cumulative, and (iii) a limitation disallowing any cash dividends to be paid on the Registrant's common stock and disallowing the redemption of shares ranking junior to any preferred stock if any dividends on outstanding preferred stock are in arrears or if the Registrant is in default of any obligation to redeem shares of preferred stock. The amendment has the effect of eliminating these minimum requirements with respect to preferred stock issued in the future. This amendment also affects the terms of two series of preferred stock: 5,000 shares of Perpetual Preferred Stock, Series A issued in September, 2006; and 5,010 shares of Perpetual Preferred Stock, Series B required to be issued in the future pursuant to a hybrid security issued by the Registrant in October, 2006. At the time of issuance of those securities, the Registrant's articles of incorporation required dividends on these 2 series of preferred stock to be cumulative. By the terms of such series of preferred stock, dividends on these series of preferred stock became non-cumulative upon effectiveness of the amendment. A copy of the Articles of Amendment relating to our preferred stock is filed as Exhibits 3.1 to this Report on Form 8-K and is incorporated herein by reference.

Holders of more than 75% of the outstanding shares of common stock of the Registrant approved an amendment to Article II, Section 2 of the Registrant's bylaws to amend the bylaws to provide that in future years all directors will be elected each year at the annual meeting of shareholders. Previously, the Registrant's bylaws required that directors be elected for 3-year terms, and that only one-third of the board be elected at each annual meeting. The amendment requires that the change in director elections be implemented so that incumbent directors, including those elected at the annual meeting of shareholders held on April 17, 2007, will serve their elected terms. Therefore, at the 2008 annual meeting of shareholders, the successors of the directors whose terms expire at that meeting shall be elected for a term expiring at the 2009 annual meeting of shareholders. At the 2009 annual meeting of shareholders, the successors of the directors whose terms expire at that meeting shall be elected for a term expiring at the 2010 annual meeting of shareholders. At each annual meeting of shareholders thereafter, the directors shall be elected for terms expiring at the next annual meeting of shareholders. Thus, beginning with the annual meeting of shareholders in the year 2010, all directors will be elected annually. A copy of our bylaws restated to reflect such amendments is filed as Exhibits 3.2 to this Report on Form 8-K and is incorporated herein by reference.
