EXPLANATORY NOTE

On July 10, 2006, Veri-Tek International, Corp. (the Company) filed a Form 8-K (the Original Filing), which described the acquisition by the Company of all of the membership interests of Quantum Value Management, LLC (QVM, LLC). On September 19, 2006, the Company filed Amendment No. 1 to the Original Filing (Amendment No. 1). Amendment No. 1 contained various exhibits, including a press release, consents of the Company's independent auditors, and various financial statements (as required by Items 9.01(a) and 9.01(b)). After a review of the Company's financial statements in connection with the registration statement on Form S-3 filed by the Company on December 21, 2006, the Securities and Exchange Commission (SEC) requested that certain changes be made to the exhibits filed with Amendment No. 1 (specifically, the consents and our pro forma financial statements). Therefore, the Company is filing this Amendment No. 2 on Form 8-K/A (Amendment No. 2) to reflect the Company's changes to Amendment No. 1 in response to certain SEC comments.

Amendment No. 2 reflects the following changes in response to the SEC's comments: (1) pro forma consolidated statements of income for the year ended December 31, 2005 and the six-month period ended June 30, 2006 are revised to include income taxes in the pro forma consolidated statement of income; (2) the description in the introductory paragraph to our pro forma financial statements has been revised to clarify that these financial statements give effect to the purchase of membership interests of QVM, LLC and to describe the terms of such transaction; (3) our pro forma financial statements have been revised to only include the portion of QVM, LLC's income statement through the line item income from continuing operations; (4) note (g) to our pro forma financial statements giving effect to the application of the cash balance of the acquirer to pay down debt of the acquiree has been deleted; (5) our pro forma financial statements have been adjusted to give effect to the interest expense relating to the \$1.1 million promissory note issued to the members of QVM, LLC; (6) the earnings per share information included in our pro forma financial statements was revised to reflect the anti-dilutive shares related to our convertible debt, which resulted in basic earnings per share being equal to diluted earnings per share; and (7) certain auditor's reports relating to interim financial information have been deleted and remaining reports and auditor's consents have been revised.

This Amendment No. 2 amends and restates certain information in certain exhibits and financial statements described in Item 9.01 Financial Statements and Exhibits, and such amendments and restatements only reflect the changes described above. Except for the foregoing amended and restated information, this Amendment No. 2 continues to describe conditions as of the date of the Original Filing, and the disclosures contained herein have not been updated to reflect events, results or developments that have occurred after the Original Filing, or to modify or update those disclosures affected by subsequent events. Among other things, forward-looking statements made in the Original Filing have not been revised to reflect events, results or developments that have occurred or facts that have become known to us after the date of the Original Filing (other than the restatement), and such forward-looking statements should be read in their historical context. This Amendment No. 2 should be read in conjunction with the Company's filings made with the SEC subsequent to the Original Filing, including any amendments to those filings.

Item 2.01 Completion of Acquisition or Disposition of Assets

This Amendment No. 1 on Form 8-K/A amends and supplements the Current Report on Form 8-K of Veri-Tek International, Corp. a Michigan corporation (the Registrant), filed with the Securities and Exchange Commission (the Commission) on July 10, 2006 (the Initial Form 8-K) to include financial statements and pro forma financial information permitted pursuant to Item 9.01 of Form 8-K to be excluded from the Initial Form 8-K and filed by amendment to the Initial Form 8-K no later than 71 days after the date on which the Initial Form 8-K was required to be filed. As previously reported in the Initial Form 8-K, effective as of July 3, 2006, the Registrant completed the acquisition of the membership interests of Quantum Value Management, LLC, pursuant to an Agreement dated as of May 16, 2006.
