This Report is being filed to announce that Spansion LLC, the wholly owned operating company subsidiary of Spansion Inc. (the Company), intends to offer, subject to market and other conditions, \$550 million aggregate principal amount of Senior Secured Floating Rate Notes due 2013 in a private offering to qualified institutional buyers pursuant to Rule 144A under the Securities Act of 1933, as amended. The interest rate and other terms of the notes will be determined by negotiations between Spansion LLC and the initial purchasers of the notes.

Any offers of the notes will be made only by means of a private offering memorandum. The notes have not been registered under the Securities Act of 1933, as amended, or the securities laws of any other jurisdiction and may not be offered or sold in the United States absent registration or an applicable exemption from registration requirements.

This Report contains forward-looking statements within the meaning of the U.S. Private Securities Litigation Reform Act of 1995. Forward-looking statements are based on management's current preliminary expectations and are subject to risks, uncertainties and assumptions, including the risk that Spansion LLC may be unable to complete the offering. Other information on potential risk factors that could affect Spansion LLC, its business and its financial results are detailed in the Company's periodic filings with the Securities and Exchange Commission (the SEC), including, but not limited to, those risks and uncertainties listed in the section entitled Risk Factors, which can be found in the Company's Quarterly Report on Form 10-Q for the quarter ended April 1, 2007 filed with the SEC on May 9, 2007.
