Forward-Looking Statements

This announcement includes certain forward-looking statements. These statements are based on the current expectations of the Banks and are naturally subject to uncertainty and changes in certain circumstances. Forward-looking statements include any statements related to the benefits or synergies resulting from a transaction with ABN AMRO and, without limitation, statements typically containing words such as "intends", "expects", "anticipates", "targets", "plans", "estimates" and words of similar import. By their nature, forward-looking statements involve risk and uncertainty because they relate to events and depend on circumstances that will occur in the future. There are a number of factors that could cause actual results and developments to differ materially from those expressed or implied by such forward-looking statements. These factors include, but are not limited to, the presence of a competitive offer for ABN AMRO, satisfaction of any pre-conditions or conditions to the proposed offer, including the receipt of required regulatory and anti-trust approvals, the successful completion of the offer or any subsequent compulsory acquisition procedure, the anticipated benefits of the proposed offer (including anticipated synergies) not being realized, the separation and integration of ABN AMRO and its assets among the Banks and the integration of such businesses and assets by the Banks being materially delayed or more costly or difficult than expected, as well as additional factors, such as changes in economic conditions, changes in the regulatory environment, fluctuations in interest and exchange rates, the outcome of litigation and government actions. Other unknown or unpredictable factors could cause actual results to differ materially from those in the forward-looking statements. None of the Banks undertake any obligation to update publicly or revise forward-looking statements, whether as a result of new information, future events or otherwise, except to the extent legally required.

Any offer made in or into the United States will only be made by the Banks and/or RFS Holdings directly or by a dealer-manager that is registered with the SEC.

Capitalised terms in this announcement are as defined in the Banks' announcement of 29 May 2007, unless otherwise defined in this announcement.
