The Company references certain non-GAAP financial measures in the Press Release. A reconciliation of these non-GAAP financial measures to the comparable GAAP financial measures is contained in the attached Press Release and disclosures regarding definitions of these financial measures, specifically EBITDA (earnings before interest, tax, depreciation, and amortization). The Company's management believes EBITDA is frequently used by security analysts, investors, and others in the evaluation of companies in our industry and that EBITDA is a valuable indicator of operating performance and the ability to produce operating cash flow to fund working capital needs, service debt obligations, and fund capital expenditures.
