Item 5.02 Departure of Directors or Principal Officers; Election of Directors; Appointment of Principal Officers; Compensatory Arrangements of Certain Officers.

(e) At its meeting on February 12, 2008 (the February 12 Meeting), the Compensation and Human Resource Committee of the Board of Directors (the Committee) of NCR Corporation (NCR or Company) took certain actions, including those described below, relating to the compensation of its named executive officers. The actions described below were taken by resolutions approved by all of the members of the Committee, each of whom is considered an outside director for purposes of Section 162(m) of the Internal Revenue Code.

Performance Measures for 2008 Annual Bonuses

At its February 12 Meeting, the Committee determined that the amount of 2008 awards payable to executive officers under the Company's Management Incentive Plan (MIP) shall be 1.5% of 2008 Earnings Before Income Taxes (EBIT), as defined in the MIP, for the Chief Executive Officer, and .75% of EBIT for each other executive officer, with such amounts to be subject to downward, but not upward, discretion, as provided in the MIP. At its February 12 Meeting, the Committee also approved performance measures to be considered, along with other factors, if any, deemed to be appropriate by the Committee, in exercising downward discretion to determine the amount of the annual bonuses, if any, that will be paid to the Company's executive officers under the MIP in respect of fiscal 2008 (the 2008 Annual Bonus). As approved by the Committee, performance measures that will be considered when determining the 2008 Annual Bonuses will include two components, which components are tied respectively to (1) Annual Financial Objectives, and (2) Diversity Objectives. Each of these two components is described below.

Annual Financial Objectives

The specified performance measures approved by the Committee in respect of this component of the 2008 Annual Bonus for the Chief Executive Officer, Chief Financial Officer and other named executive officers, and the weight attributed to each, were as follows:

Financial Measures	Executives/Weightings		
	Messrs. William Nuti (CEO) and Anthony Massetti (SVP and CFO)	Mr. Malcolm Collins (SVP, Global Sales and Marketing)	Ms. Christine Wallace (SVP, Worldwide Customer Services (WCS))
Company Non-Pension Operating Income (NPOI ⁽¹⁾) after Capital Charge ⁽²⁾	100%	20%	
Company Orders		25%	
Company Revenue		25%	
Company Controllable Gross Margin		30%	
WCS Profit			40%
WCS Controllable Costs			40%
WCS Asset Management			20%
Total	100%	100%	100%

- (1) NPOI is a non-GAAP financial measure used by NCR due to the significant change in pension expense from year to year. Company NPOI includes the Company's income from operations under U.S. generally accepted accounting principles less pension income/expense.
- (2) Capital Charge is a formula used to determine the total cost of capital deployed. It includes accounts receivable plus inventory, plant, property and equipment, other current assets and capitalized software less accounts payable, payroll and employee benefits, other current liabilities and post retirement benefits.

Diversity Objectives

The second component of the performance measures to be considered for the 2008 Annual Bonus is tied to the satisfaction of specific corporate-wide diversity objectives established by the Committee. For each named executive officer, the potential payout for satisfaction of these diversity objectives is 10% of base salary.
