**Item 1.01. Entry into a Material Definitive Agreement**

Third Amendment to Credit Agreement

On February 29, 2008, Ceco Environmental Corp. (the Company ) entered into a Third Amendment to Credit Agreement ( Amendment ). The Amendment was entered into among the Company, Ceco Group, Inc, Ceco Filters, Inc., New Busch Co., Inc., The Kirk & Blum Manufacturing Company, Kbd/Technic, Inc., CecoAire, Inc., Ceco Abatement Systems, Inc., H.M. White, Inc., Effox Inc., GMD Environmental Technologies, Inc., FKI, LLC, CECO Mexico Holdings LLC and FKI Acquisition Corp. (all of which are direct or indirect subsidiaries of the Company and collectively with the Company, the Borrowers ) and Fifth Third Bank, an Ohio banking corporation ( Lender ). The Amendment amends the Credit Agreement entered into December 29, 2007 with Lender and certain Borrowers, as amended by the First Amendment to Credit Agreement dated as of June 8, 2006 and Second Amendment to Credit Agreement dated as of February 28, 2007 (as amended, the Credit Agreement ).

The Amendment amends the Credit Agreement to (i) increase the maximum revolving loan commitment from \$20,000,000 to \$30,000,000, (ii) make an additional term loan (to finance, in part, the Asset Purchase discussed in Item 2.01) in the aggregate amount of \$5,000,000 ( Term Loan C ), (iii) increase the maximum capital expenditures financial covenant commencing in fiscal year 2007 to \$2,000,000 and commencing with fiscal year 2008, to \$2,500,000, (iv) make certain changes to the incentive pricing with respect to the LOC Fee, to be based upon Borrowers Fixed Charge Coverage Ratio (as all of such terms are defined in the Credit Agreement), and (v) consent to the Asset Purchase. The maturity date of Term Loan C is January 31, 2010 and the interest rate is currently based upon LIBOR plus 2.25%, the current applicable LIBOR rate margin, provided that Borrowers may elect to have the interest rate based on prime plus the Applicable Prime Rate Margin. Under the Term Loan C, principal payments of \$83,333.33 are due every month from April 1, 2008 through and including January 1, 2010. Upon an Event of Default, as defined in the Credit Agreement, the amounts due under the Term Loan C may become immediately due and payable. The interest rate on the revolving line of credit has not been revised.

In connection with the Amendment, the Borrowers entered into a Third Amended and Restated Revolving Credit Promissory Note dated February 29, 2008 ( Revolving Note ) and a Term Promissory Note dated February 29, 2008 ( Term Loan C Note ).

Registration Rights Agreement

In connection with the Acquisition as described in Item 2.01, the Company and Fisher-Klosterman, Inc. ( FKI ) entered into a registration rights agreement, dated February 29, 2008 (the Registration Rights Agreement ), providing FKI with piggyback registration rights, and one S-3 demand registration right. Under the Registration Rights Agreement, FKI has one S-3 demand registration right pursuant to which FKI may demand registration of the resale of the shares acquired under the APA on Form S-3 if the shares to be included in such registration would have an aggregate offering price of at least \$800,000, subject to other customary limitations (the Demand Right ). In addition to the Demand Right, FKI has been granted piggyback registration rights with respect to the shares issued or to be issued to it under the APA.

The description set forth herein of the terms and conditions of the Amendment, the Revolving Note and the Term Loan C Note are qualified in their entirety by reference to the full text of the Amendment, the Revolving Note and the Term Loan C Note, which are filed with this report as Exhibits 10.1, 10.2 and 10.3, respectively, and incorporated by reference into this Item 1.01 and Item 2.03. The description set forth

herein of the terms and conditions of the Registration Rights Agreement is qualified in its entirety by reference to the full text of the Registration Rights Agreement, which is filed with this report as Exhibit 10.4 and incorporated by reference into this Item 1.01.

**Item 2.01. Completion of Acquisition or Disposition of Assets**

On February 29, 2008, CECO Environmental Corp. (the Company or CECO) acquired the assets of FKI, pursuant to the terms of an Asset Purchase Agreement (APA) among CECO, FKI, and FKI Acquisition Corp. (Acquisition), pursuant to which Acquisition acquired substantially all of FKI's assets and properties used or held for use in connection with the Business (as such term is defined in the APA) and assumed certain liabilities of FKI (the Asset Purchase), including the design, manufacture, and servicing equipment for product recovery, dust collection, and air pollution control and any goodwill associated therewith.

The consideration paid by the Company to FKI in the transaction is approximately \$16.0 million, and includes \$15.0 million in cash and 98,580 shares of the Company's common stock worth approximately \$1.0 million (based on the average closing price of the Company's common stock on the Nasdaq Global Market for the sixty trading days immediately preceding the announcement of the signing of the APA). The total consideration paid excludes transaction costs and is subject to certain post-closing adjustments.

The consideration for the Asset Purchase also includes a three year earn out payment, which is payable in unregistered shares of the Company's common stock. The earn out payment is not to exceed 345,032 shares worth approximately \$3.5 million (based on the average closing price of the Company's common stock on the Nasdaq Global Market for the sixty trading days immediately preceding the announcement of the signing of the APA). The number of shares earned is based on 50% of the cumulative amount by which annual fiscal year gross profits of the purchased operations of FKI exceeds \$8.8 million annually.

The parties to the APA have made customary representations, warranties and covenants therein. The assertions embodied in those representations and warranties were made for purposes of the APA and are subject to qualifications and limitations agreed by the respective parties in connection with negotiating the terms of the APA. In addition, certain representations and warranties made as of a specified date may be subject to a contractual standard of materiality different from what might be viewed as material to stockholders, or may have been used for the purpose of allocating risk between the respective parties rather than establishing matters as facts. For the foregoing reasons, no person should rely on the representations and warranties as statements of factual information at the time they were made or otherwise.

The foregoing description of the Asset Purchase is included to provide information regarding its terms. It does not purport to be a complete description and is qualified in its entirety by reference to the full text of the APA, which is filed as Exhibit 2.1 hereto and is incorporated herein by reference.
