PROXY STATEMENT INTRODUCTION

ANNUAL MEETING AND PROXY SOLICITATION INFORMATION

This proxy statement is first being sent to stockholders on or about July 11, 2008, in connection with the solicitation of proxies by the Board of Directors of Q.E.P. Co., Inc., to be voted at the Annual Meeting of Stockholders to be held on August 8, 2008 (the Meeting). The close of business on July 2, 2008 has been fixed as the record date for the determination of stockholders entitled to notice of and to vote at the Meeting. At the close of business on the record date, the Company had 3,433,363 shares of common stock outstanding, all of which are entitled to one vote per share at the Meeting.

You may vote (i) in person by attending the meeting, (ii) by mail by completing and returning a proxy, (iii) via telephone at 1-800-652-VOTE (8683) or (iv) electronically by using the Internet at www.investorvote.com. To vote your proxy by mail, mark your vote on the enclosed proxy card, then follow the instructions on the card. To vote your proxy by telephone or by using the Internet, see the instructions on the proxy card and have the proxy card available when you place your telephone call or access the Internet web site.

Shares represented by duly executed proxies in the accompanying form received by the Company prior to the Meeting will be voted at the Meeting. If stockholders specify in the proxy a choice with respect to any matter to be acted upon, the shares represented by such proxies will be voted as specified. If a proxy card is signed and returned without specifying a vote or an abstention on any proposal, it will be voted according to the recommendation of the Board of Directors on that proposal. The Board of Directors recommends a vote FOR the election of directors and FOR the ratification of the appointment of Grant Thornton as the Company's independent registered public accounting firm. The Board of Directors knows of no other matters that may be brought before the Meeting. However, if any other matters are properly presented for action, it is the intention of the named proxies to vote on them according to their best judgment.

Stockholders who hold their shares through an intermediary must provide instructions on voting as requested by their bank or broker. A stockholder who signs and returns a proxy may revoke it at any time before it is voted by taking one of the following actions: (i) voting in person at the Meeting; (ii) giving written notice of the revocation to the Secretary of the Company at or prior to the Meeting; (iii) executing and delivering a proxy with a later date, provided that no revocation will be effective until the Company receives written notice of the revocation at or prior to the Meeting; (iv) using the telephone voting procedures; or (v) using the Internet website voting procedures.

A majority of the outstanding shares of common stock, represented in person or by proxy, constitutes a quorum for the transaction of business at the Meeting. The affirmative vote of at least a majority of the votes of the shares of common stock present in person or represented by proxy at the Meeting is required to approve all matters to be voted upon at the Meeting, except for the election of directors, which shall be determined by plurality vote. Votes cast by proxy or in person at the Meeting will be tabulated by one or more inspectors of election, appointed at the Meeting, who will also determine whether a quorum is present for the transaction of business.

Table of Contents

A stockholder's shares may be voted if they are held in the name of a brokerage firm or bank (a "Broker"), even if the stockholder does not provide the Broker with voting instructions. Brokers have the authority, under applicable rules, to vote shares on certain routine matters for which their customers do not provide voting instructions. The election of directors and the ratification of the appointment of the independent registered public accounting firm of the Company are considered routine matters. Broker non-votes are shares held by brokers or nominees for which instructions have not been received from the beneficial owners, or persons entitled to vote, and that are not voted by that broker or nominee. Abstentions and broker non-votes will be counted as shares present in the determination of whether shares of the Company's common stock represented at the Meeting constitute a quorum. Abstentions will have no effect on the election of directors but will have the same effect as a vote against the ratification of the selection of the independent registered public accounting firm. Broker non-votes will have no effect on the election of directors or the ratification of the selection of the independent registered public accounting firm.

The expense of preparing, printing, and mailing proxy materials to stockholders of the Company will be borne by the Company. In addition to the use of mail, employees of the Company may solicit proxies personally and by telephone. The Company's employees will receive no compensation for soliciting proxies other than their regular salaries. The Company will also reimburse brokerage houses and other nominees for their expenses in forwarding proxy material to beneficial owners of the Company's stock.

The executive office of the Company is located at 1001 Broken Sound Parkway, Suite A, Boca Raton, Florida 33487, and the telephone number is (561) 994-5550.

PROPOSAL 1 ELECTION OF DIRECTORS

At the Meeting, five nominees for director are to be elected to hold office until the 2009 Annual Meeting of Stockholders and until their successors have been elected and qualified. The five nominees for election as directors are Lewis Gould, Leonard Gould, Emil Vogel, David L. Kreilein, and Robert G. Walters. Each nominee is currently a member of the Board of Directors. Information concerning each of the nominees is set forth below. The persons named in the enclosed proxy card have advised that, unless otherwise directed on the proxy card, they intend to vote **FOR** the election of the nominees, and that should any nominee become unable or unwilling to serve for any reason, votes will be cast for a substitute nominee designated by the Board of Directors, but in no event will the proxy be voted for more than five nominees for director. The Board of Directors has no reason to believe the nominees named will be unable or unwilling to serve if elected.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR EACH OF THE NOMINEES AS DIRECTORS TO SERVE UNTIL THE COMPANY'S 2009 ANNUAL MEETING OF STOCKHOLDERS AND UNTIL THEIR RESPECTIVE SUCCESSORS ARE DULY ELECTED AND QUALIFIED.

401(k) Plan

Effective March 1, 1995, the Company merged, amended and restated its prior defined contribution profit sharing plan and its prior 401(k) plan into a revised plan, or the 401(k) Plan, to provide retirement income to employees of the Company. The prior plans were, and the 401(k) Plan is intended to remain, qualified under Section 401(a) of the Internal Revenue Code of 1986, as amended. The 401(k) Plan covers all employees who are at least age 21 and have completed three months of service to the Company. It is funded monthly by the following contributions: (i) voluntary pre-tax (salary reduction) contributions from employees up to a maximum dollar limit set by law, (ii) discretionary matching contributions by the Company equal to a percentage of the amount of the employee s salary reduction contribution, which percentage is to be determined periodically by the Company (and may be zero), and (iii) a profit sharing contribution, the amount of which, if any, is determined by the Company in its sole discretion. Upon leaving the Company, each participant is 100% vested with respect to the participant s contributions and is vested based on years of service with respect to the Company s matching contributions. Contributions are invested as directed by the participant in investment funds available under the 401(k) Plan. Full retirement benefits are payable to each participant in a single cash payment upon the participant s retirement, termination of employment, death or disability.

On December 27, 2004, the Company adopted the QEP Executive Deferred Compensation Plan, or the Deferred Plan, effective December 15, 2004. The purpose of the Deferred Plan is to provide participants with an opportunity to defer receipt of a portion of their salary, bonus, and other specified cash compensation. Participation in the Deferred Plan is limited to employees who are part of a select group of management or highly compensated employees of the Company. The Company also entered into a Trust under the QEP Executive Deferred Compensation Plan, or the Trust, with Reliance Trust Company as the trustee. The Trust will be a rabbi trust and will be used to set aside the amounts of deferred compensation allocated to the participants in the Plan and the earnings from the investment of such amounts.

Stock Option Plan

The Company has adopted a stock option plan, or the Plan, for employees, consultants and directors of the Company. Stock options granted pursuant to the Plan must be authorized by the Board of Directors. The aggregate number of shares which may be issued under the Plan, as amended, may not exceed 1,000,000 shares of common stock. Stock options are granted at prices not less than 85% of the fair market value on the date of the grant. Option terms, vesting and exercise periods vary, except that the term of an option may not exceed ten years. As of the current date, however, no options have been issued at a discount to market price on the date of the grant. No stock options were granted during fiscal 2008.

BOARD OF DIRECTORS AND ITS COMMITTEES

The Board of Directors

During fiscal 2008, the Company's Board of Directors held four meetings. Each of the Company's directors attended at least 75% of the total number of Board meetings and meetings of committees of which he is a member that were held during fiscal 2008. In addition to attending meetings, directors discharge their responsibilities through review of Company reports to directors, correspondence, and telephone conferences with the Company's executive officers, employees and others regarding matters of interest to the Company. For the fiscal year ended February 29, 2008, the Board of Directors determined that Emil Vogel, David L. Kreilein and Robert G. Walters are independent directors as defined by Nasdaq listing requirements. The Board of Directors has standing audit, compensation, nominating and governance committees.

Audit Committee

During fiscal 2008, the Audit Committee consisted of Emil Vogel, David L. Kreilein and Robert G. Walters, each of whom is a non-employee director of the Company and each of whom is independent under Nasdaq listing standards. In accordance with the applicable Nasdaq rules, all Audit Committee members are able to read and understand financial statements. The Board of Directors has determined that David L. Kreilein, Chairman of the Audit Committee, is an audit committee financial expert as defined in the rules and regulations of the Securities Exchange Commission, or SEC. The Audit Committee does have a written charter and a copy of such charter is available to stockholders on the Company's website, www.qep.com. Pursuant to the revised Audit Committee charter adopted in October 2002, as amended in May 2004, the duties of the Audit Committee are, among others, to select, retain, and evaluate the Company's independent registered public accounting firm, to review and approve in advance all related party transactions, to meet with the Company's independent registered public accounting firm to review the scope of audit procedures employed by the Company's independent registered public accounting firm, to review and approve the audit reports rendered by the Company's independent registered public accounting firm, to review and discuss all factors and relationships affecting the independence of the independent registered public accounting firm and to approve the audit fees and all permissible non-audit services and fees for these non-audit services performed by the independent registered public accounting firm. During fiscal 2008, the Audit Committee met four times, and the Chairman of the Audit Committee held several meetings with management and the Company's independent registered public accounting firm.

Management is responsible for the Company's financial reporting process and for the preparation of consolidated financial statements in accordance with accounting principles generally accepted in the United States of America, and the independent registered public accounting firm is responsible for auditing those financial statements. The Audit Committee is responsible for monitoring and reviewing these processes, not to conduct auditing or accounting reviews and procedures. Members of the Audit Committee are not required to be accountants or auditors by profession. The Committee's considerations and discussions with management and the independent registered public accounting firm do not assure that the Company's financial statements are presented in accordance with accounting principles generally accepted in the United States of America or that the audit of the Company's financial statements has been carried out in accordance with auditing standards generally accepted in the United States of America.

Audit Committee Report

In fulfilling its oversight responsibilities during fiscal 2008, the Audit Committee reviewed the financial statements included in the Company's quarterly filings with the SEC on Form 10-Q and the

audited financial statements included in the Company's Annual Report on Form 10-K with management, including a discussion of the quality and acceptability of the accounting principles, the reasonableness of significant judgments and the clarity of the footnote disclosures contained in, or used in the compilation of, the financial statements of the Company.

The Audit Committee has discussed with the Company's independent registered public accounting firm the overall scope and plans for the audit and the quality of the financial reporting practices of the Company. The Audit Committee also reviewed with the independent registered public accounting firm, who is responsible for expressing an opinion on the conformity of the Company's audited financial statements with accounting principles generally accepted in the United States of America, their judgments as to the quality and acceptability of the Company's accounting principles and such other matters required to be discussed under general auditing standards, including Statement on Auditing Standards No. 61. Additionally, the Audit Committee has discussed with the independent registered public accounting firm the auditors' independence from management and has received the written disclosures and the letter from the independent registered public accounting firm as required by the Independence Standards Board, Standard No. 1.

In reliance on the reviews and discussions referred to above and when considering whether the level of non-audit services provided by Grant Thornton LLP is consistent with the maintenance of its independence, the Audit Committee recommended to the Board of Directors that the audited financial statements of the Company be included in the Company's Annual Report on Form 10-K for the year ended February 29, 2008 for filing with the SEC. The Board of Directors of the Company has approved such recommendation.

Company's management. Stockholders may nominate director candidates by sending a timely notice in writing mailed to the Company at its principal executive offices, Q.E.P. Co., Inc., 1001 Broken Sound Parkway, Suite A, Boca Raton, Florida 33487, Attn: Corporate Secretary. To be timely a stockholder's notice must be delivered to, or mailed and received at, the Company's principal executive offices not less than 60 days nor more than 90 days prior to the date of a scheduled stockholders' meeting. If less than 70 days' notice or prior public disclosure of the scheduled date of the stockholders' meeting is given or made, notice by the stockholder to be timely must be delivered or received at the Company's principal executive offices not later than the close of business on the tenth day following the earlier of the day on which such notice of the date of the scheduled meeting was mailed or the day on which such public disclosure was made.

The Nominating Committee employs general guidelines rather than adhering to strict requirements in selecting director candidates. In accordance with such guidelines the Nominating Committee gives consideration to prospective nominees who, among other things,

will bring to the Board of Directors a variety of experiences and backgrounds;

will help to form a central core of business executives with substantial senior management experience, financial expertise, and such other skills that would enhance the Board of Directors' effectiveness; and

will represent the balanced, best interests of the Company's stockholders as a whole and the interests of the Company's other stakeholders, including customers, employees, and vendors.

Furthermore, to the extent possible and appropriate, the Nominating Committee aspires to confirm that each prospective nominee has the following characteristics and attributes:
