Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

At its July 29, 2008 meeting, as disclosed in the Current Report on Form 8-K filed on August 1, 2008, the Board of Directors (the Board) of Teradata Corporation (Teradata) elected Peter L. Fiore and Cary T. Fu as Class II directors of Teradata, with terms expiring in 2009.

At its October 7, 2008 meeting, in order to more evenly balance its director classes, the Board accepted the resignation of Cary Fu (Mr. Fu) as a Class II director of Teradata and immediately re-appointed him as a Class III director. The term of the Class III directors expires at the 2010 Annual Meeting of Stockholders. Mr. Fu is an independent director, and there continue to be no arrangements or understandings between Mr. Fu and any other person pursuant to which he was selected as a director. There are no transactions involving Mr. Fu that would be required to be reported under Item 404(a) of Regulation S-K. Mr. Fu will continue as a member of the Audit Committee of the Board and his compensation arrangements with the Company were not modified as a result of his resignation and re-appointment.

At the October 7, 2008 meeting, the Board also approved amendments to certain of Teradata's executive compensation arrangements for its named executive officers to make changes mandated by Section 409A of the Internal Revenue Code of 1986, as amended (the Code). These amendments generally are technical in nature and affect the timing, but not the amount, of compensation that could be received by the named executive officers. The more significant of these amendments are as follows:

Mr. Koehler's offer letter was amended to (i) impose a 6-month delay on payment of severance benefits and (ii) clarify the payment date for certain reimbursements of legal fees.

Mr. Scheppmann's offer letter was amended to clarify the payment date for certain reimbursements of legal fees.

The Teradata Change in Control Severance Plan was amended and restated to (i) impose a 6-month delay on payment of severance benefits, (ii) clarify the payment date of severance benefits and certain reimbursements for excise taxes and legal fees, and (iii) limit claims for benefits as a result of a termination in anticipation of a change in control to a period of six months prior to closing.

The Teradata Corporation 2007 Stock Incentive Plan was amended and restated to (i) clarify that each award agreement must contain the necessary provisions to ensure that it is either exempt from or complies with Section 409A of the Code, and (ii) provide that stock options and appreciation rights can only be granted to employees of the Teradata controlled group.

The time-based and performance-based restricted stock unit awards previously granted to the named executive officers are being amended to (i) impose a 6-month delay on payments upon termination of employment and (ii) specify the timing of payment of vested units.

The foregoing descriptions of the amendments are qualified in their entirety by reference to the full text of the plans and agreements, as amended, which are filed herewith as Exhibits 10.1 through 10.5 and are incorporated herein by reference.
