This registration statement has been prepared and filed pursuant to and in accordance with the requirements of General Instruction E to Form S-8 for the purpose of effecting the registration under the 1933 Act of an additional \$80,000,000 Deferred Compensation Obligations issuable under the DCSP from time to time.

PART II

INFORMATION REQUIRED IN THE REGISTRATION STATEMENT

ITEM 3. INCORPORATION OF DOCUMENTS BY REFERENCE

Pursuant to General Instruction E to Form S-8, International Paper Company (the "Company") hereby incorporates by reference the contents of the Prior DCSP Registration Statement.

The following documents filed with the Securities and Exchange Commission (the "Commission") by the Company are incorporated herein by reference:

- (1) The Company's Annual Report on Form 10-K for the year ended December 31, 2007 (except for Items 7 and 8 of Part II, which have been updated in our Current Report on Form 8-K filed on May 9, 2008), filed with the Commission on February 29, 2008 (Registration No. 001-03157); and

- (2) All other reports filed by the Company pursuant to Section 13(a) or 15(d) of the 1934 Act since December 31, 2007. All reports subsequently filed by the Company pursuant to Sections 13(a), 13(c), 14 and 15(d) of the Securities Exchange Act of 1934, as amended (the "1934 Act"), prior to the filing of a post-effective amendment which indicates that all securities offered have been sold or which deregisters all securities then remaining unsold, shall be deemed to be incorporated by reference herein and to be a part hereof from the date of filing of such documents.

Any statement contained in a document incorporated or deemed to be incorporated by reference herein shall be deemed to be modified or superseded for purposes of this registration statement to the extent that a statement contained herein or in any other subsequently filed document which also is incorporated or deemed to be incorporated by reference herein modifies or supersedes such statement. Any such statement so modified or superseded shall not be deemed, except as so modified or superseded, to constitute a part of this registration statement.

ITEM 4. DESCRIPTION OF SECURITIES

This registration statement covers Deferred Compensation Obligations that may be offered under the DCSP. The Deferred Compensation Obligations issuable under DCSP represent obligations of the Company to pay to participants certain compensation amounts that the participants have elected to defer and the Company matching contribution on those amounts. A participating employee is always fully vested in the value of his or her contributions to the DCSP, and becomes vested in the value of the Company matching contributions in his or her account upon completion of three years of service with the Company. The Deferred Compensation Obligations are payable in cash and generally will be paid in either a lump-sum or in annual installments over a certain term upon retirement, death or other termination of service, according to the DCSP. Subject to the terms and conditions set forth in the DCSP, each participating employee may elect to defer eligible compensation, and amounts deferred are credited to each participant's account. Amounts in a participant's account will be indexed to one or more investment alternatives chosen by each participant from a range of such alternatives available under the DCSP, including a Company stock fund. Each participant's account will be adjusted to reflect the investment performance of the selected investment fund(s), including any appreciation or depreciation.

The obligation to pay the vested balance of each DCSP participant's account shall at all times be an unfunded and unsecured obligation of the Company. Benefits are payable solely from the Company's general funds and are subject to the risk of corporate insolvency. Participants will not have any interest in any particular assets of the Company by reason of any obligation created under the DCSP. A participant's right to the Deferred Compensation Obligations cannot be transferred assigned, pledged or encumbered except by a written designation of a beneficiary under the terms of the DCSP.

ITEM 5. INTEREST OF NAMED EXPERTS AND COUNSEL

Certain legal matters with respect to the offering of the Deferred Compensation Obligations registered hereby have been passed upon by Erin E. Raccah, Esq., Senior Counsel, Executive Compensation, of the Company. Ms. Raccah does not participate in the DCSP.

ITEM 6. INDEMNIFICATION OF DIRECTORS AND OFFICERS

The Company is a corporation formed under the laws of the State of New York. Section 721 of the New York Business Corporation Law (NYBCL) provides that, in addition to indemnification provided in Article 7 of the NYBCL, a corporation may indemnify a director or officer by a provision contained in its certificate of incorporation or by-laws or by a duly authorized resolution of its shareholders or directors or by agreement, provided that no indemnification may be made to or on behalf of any director or officer if a judgment or other final adjudication adverse to the director or officer establishes that his acts were committed in bad faith

or were the result of active and deliberate dishonesty and material to the cause of action, or that such director or officer personally gained in fact a financial profit or other advantage to which he was not legally entitled.

Section 722(a) of the NYBCL provides that a corporation may indemnify a director or officer made, or threatened to be made, a party to any action other than a derivative action, whether civil or criminal, against judgments, fines, amounts paid in settlement and reasonable expenses actually and necessarily incurred as a result of such action, if such director or officer acted, in good faith, for a purpose which he reasonably believed to be in, or not opposed to, the best interests of the corporation and, in criminal actions or proceedings, in addition, has no reasonable cause to believe that his conduct was unlawful.

Section 722(c) of the NYBCL provides that a corporation may indemnify a director or officer, made or threatened to be made a party in a derivative action, against amounts paid in settlement and reasonable expenses actually and necessarily incurred by him in connection with the defense or settlement of such action or in connection with an appeal therein if such director or officer acted, in good faith, for a purpose which he reasonably believed to be in, or not opposed to, the best interests of the corporation, except that no indemnification will be available under Section 722(c) of the NYBCL in respect of a threatened or pending action which is settled or otherwise disposed of or any claim as to which such director or officer shall have been adjudged liable to the corporation, unless and only to the extent that the court in which the action was brought, or, if no action was brought, any court of competent jurisdiction, determines, upon application, that, in view of all the circumstances of the case, the director or officer is fairly and reasonably entitled to indemnity for such portion of the settlement amount and expenses as the court deems proper.

Section 723 of the NYBCL specifies the manner in which payment of indemnification under Section 722 of the NYBCL or indemnification permitted under Section 721 of the NYBCL may be authorized by the corporation. It provides that indemnification may be authorized by the corporation. It provides that indemnification by a corporation is mandatory in any case in which the director or officer has been successful, whether on the merits or otherwise, in defending an action. In the event that the director or officer has not been successful or the action is settled, indemnification must be authorized by the appropriate corporate action as set forth in Section 723.

Section 724 of the NYBCL provides that, upon application by a director or officer, indemnification may be awarded by a court to the extent authorized under Section 722, and Section 725 of the NYBCL contains certain other miscellaneous provisions affecting the indemnification of directors and officers.

Section 726 of the NYBCL authorizes the purchase and maintenance of insurance to indemnify (1) a corporation for any obligation which it incurs as a result of the indemnification of directors and officers under the above section, (2) directors and officers in instances in which they may be indemnified by a corporation under such section, and (3) directors and officers in instances in which they may not otherwise be indemnified by a corporation under such section, provided that the contract of insurance covering such directors and officers provides, in a manner acceptable to the New York State Superintendent of Insurance, for a retention amount and for co-insurance.

Article VII of the Restated Certificate of Incorporation of the Company provides in part as follows:

Each Director of the Corporation shall be indemnified by the Corporation against expenses actually and necessarily incurred by him in connection with the defense of any action, suit or proceeding in which he is made a party by reason of his being or having been a Director of the Corporation, except in relation to matters as to which he shall be adjudged in such action, suit or proceeding to be liable for negligence or misconduct in the performance of his duties as such Director, provided that such right of indemnification shall not be deemed exclusive of any other rights to which a Director of the Corporation may be entitled, under any by-law, agreement, vote of stockholders or otherwise.

Article IX of the By-laws, as amended, of the Company provides as follows:

The Corporation shall indemnify each Officer or Director who is made, or threatened to be made, a party to any action by reason of the fact that he or she is or was an Officer or Director of the Corporation, or is or was serving at the request of the Corporation in any capacity for the Corporation or any other enterprise, to the fullest extent permitted by applicable law. The Corporation may, so far as permitted by law, enter into an agreement to indemnify and advance expenses to any Officer or Director who is made, or threatened to be made, a party to any such action.

The Company has purchased certain liability insurance for its officers and directors as permitted by Section 726 of the NYBCL and has entered into indemnity agreements with its directors and certain officers providing indemnification in addition to that provided under the NYBCL as permitted by Section 721 of the NYBCL.

Insofar as indemnification for liabilities arising under the 1933 Act may be permitted to directors, officers or persons controlling the Company pursuant to the foregoing provisions, the Company has been informed that in the opinion of the Commission such indemnification is against public policy as expressed in the 1933 Act and is therefore unenforceable.

ITEM 9. UNDERTAKINGS

(a) The Company hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by Section 10(a)(3) of the 1933 Act;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than 20 percent change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective registration statement; and

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

Provided, however, that paragraphs (a)(1)(i) and (a)(1)(ii) of this section do not apply if the registration statement is on Form S-8, and the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the Company pursuant to section 13 or section 15(d) of the 1934 Act that are incorporated by reference in the registration statement.

(2) That, for the purpose of determining any liability under the 1933 Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The Company hereby undertakes that, for purposes of determining any liability under the 1933 Act, each filing of the annual report pursuant to section 13(a) or section 15(d) of the 1934 Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the 1934 Act) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(c) Insofar as indemnification for liabilities arising under the 1933 Act may be permitted to directors, officers and controlling persons of the Company pursuant to the foregoing provisions, or otherwise, the Company has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the 1933 Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Company of expenses incurred or paid by a director, officer or controlling person of the Company in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Company will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the 1933 Act and will be governed by the final adjudication of such issue.
