American Land Lease, Inc.'s management determined that it was necessary and prudent to delay the filing of the company's Quarterly Report on Form 10-Q by one business day in order to complete a review and updated disclosure regarding the present and potential future impact of current economic conditions and our previously announced ongoing review of strategic alternatives on our business, financial condition and results of operations. Due to the nature of that undertaking and important competing demands on the company's management during this challenging economic time, the one business day delay could not be avoided without unreasonable effort or expense.
