**Item 5.02. Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.**

(e) Under the Owens & Minor, Inc. 2005 Stock Incentive Plan, the Compensation & Benefits Committee ( Committee ) of the Board of Directors of Owens & Minor, Inc. (the Company ) is responsible for designating participants to whom incentive awards are made for annual incentive payments and for determining any goals or objectives on which such incentive awards are based.

On December 16, 2008, the Board of Directors, upon the recommendation of the Committee, approved certain provisions of the 2009 Incentive Program which designates teammates of the Company eligible to participate in the program and specifies the financial and operational goals on which awards will be based. Under the 2009 Incentive Program, corporate officers and certain other teammates are eligible to participate in the program, provided the teammate is an active employee on December 31, 2009.

The target cash awards as a percentage of base salary for the senior corporate officers, including the named executive officers, are stated below:

| Position   | Target Cash Award<br>As a % of Base Salary |
|--|--|
| President and CEO/                                     | 75%  |
| Executive Vice Presidents/<br>CFO/SVP General Counsel/ |  |
| SVP Business Development/<br>SVP Human Resources       | 50%  |
| Other SVPs   | 40%  |

The financial and operational objectives for the 2009 Incentive Program are based on the following criteria with the designated weights attached to them:

| Performance Goal         | Weight |
|--------------------------|--------|
| Company Net Revenue      | 25%    |
| Company Net Income       | 50%    |
| Company Return on Assets | 25%    |
| Total                    | 100%   |

If the 2009 calendar year performance criteria are met, incentive awards will be approved by the Committee and the Board of Directors in the first quarter of 2010. No incentive award will be made under the 2009 Incentive Program if 2009 net income is less than 2008 net income. Notwithstanding, the Committee has reserved an amount equal to 25% of the 2009 bonus pool for discretionary awards in the event the above goals are not achieved due to certain external events beyond management control.

Also on December 16, 2008, the Committee recommended and the Board of Directors approved certain amendments to the Company's Management Equity Ownership Program ( MEOP ) under which designated officers are eligible to receive restricted stock dividends for achieving and maintaining specified ownership levels of Company common stock. Among other administrative revisions to the MEOP, the Board amended the program to provide that, in lieu of a restricted stock dividend, officer-level participants who have achieved and continue to maintain their required ownership levels in accordance with the program receive an award of an equivalent number of performance-based shares under terms to be designated by the Committee in connection with each such award.
