CURRENT REPORT ON FORM 8-K

Item 1.01 Entry into a Material Definitive Agreement.

December 19, 2008, Mid Penn Bancorp, Inc. (the Company) entered into and closed a Letter Agreement (including the Securities Purchase Agreement Standard Terms) (the Purchase Agreement) with the United States Department of the Treasury (the Treasury) pursuant to which the Treasury invested \$10,000,000 in the Company under the Treasury s Capital Purchase Program (the CPP).

Under the Purchase Agreement, the Treasury received (1) 10,000 shares of Series A Fixed Rate Cumulative Perpetual Preferred Stock, \$1,000 liquidation preference, and (2) a Warrant to purchase up to 73,099 shares of the Company s common stock at an exercise price of \$20.52 per share.

The preferred shares pay cumulative dividends at a rate of 5% per annum for the first five years and 9% per annum thereafter. The preferred shares are non-voting, other than class voting rights on certain matters that could adversely affect the preferred shares. If dividends on the preferred shares have not been paid for an aggregate of six quarterly dividend periods or more, whether consecutive or not, the Company s authorized number of directors will automatically be increased by two and holders of the preferred stock, voting together with holders of any then outstanding parity stock, will have the right to elect those directors at the Company s next annual meeting of shareholders or special meeting of shareholders called for that purpose. These preferred share directors would be elected annually and serve until all accrued and unpaid dividends on the preferred shares have been paid.

The preferred shares may be redeemed by the Company at the aggregate liquidation value plus any unpaid dividends after February 15, 2012. Prior to this date, the preferred shares may only be redeemed by the Company in an amount up to the cash proceeds (minimum \$2,500,000) from qualifying equity offerings of any Tier 1 perpetual preferred or common stock. Any redemption is subject to the consent of the Board of Governors of the Federal Reserve System. Until December 19, 2011, or such earlier time as all preferred shares have been redeemed by the Company or transferred by Treasury to third parties that are not affiliated with Treasury, the Company may not, without Treasury s consent, increase its dividend rate per share of common stock or, with certain limited exceptions, repurchase its common stock.

The warrant is immediately exercisable and has a 10-year term. The exercise price and number of shares subject to the warrant are both subject to anti-dilution adjustments. Treasury has agreed not to exercise voting power with respect to any shares of common stock issued upon exercise of the warrant; however, this agreement not to vote the shares does not apply to any person who may acquire such shares. If the Company receives aggregate gross proceeds of at least \$10,000,000 from one or more qualifying equity offerings of Tier 1-eligible perpetual preferred or common stock on or prior to December 31,

2009, the number of shares of common stock underlying the warrant then held by Treasury will be reduced by one half of the original number of shares underlying the warrant, after taking into account all adjustments.

The preferred shares and the warrant were issued in a private placement exempt from registration pursuant to Section 4(2) of the Securities Act of 1933. The Company will file a shelf registration statement covering the preferred shares, the warrant and the common stock underlying the warrant. Treasury and other future holders of the preferred shares, the warrant or the common stock issued pursuant to the warrant also have piggyback and demand registration rights with respect to these securities. None of the preferred shares, the warrant, or the shares issuable upon exercise of the warrant are subject to any contractual restrictions on transfer, except that Treasury may only transfer or exercise an aggregate of one-half of the warrant shares prior to December 31, 2009.

In the Purchase Agreement, the Company agreed that, until such time as the Treasury ceases to own any securities acquired from us pursuant to the Purchase Agreement, the Company will take all necessary action to ensure that our benefit plans with respect to our senior executive officers comply with Section 111(b) of the Emergency Economic Stability Act of 2008 (the EESA) and applicable guidance or regulations issued by the Secretary of the Treasury. The applicable executive compensation requirements apply to the compensation of the Company's chief executive officer, chief financial officer and three other most highly compensated executive officers.
