DETAILS OF THE CONTINUING CONNECTED TRANSACTIONS

Policy Management Agreement and the Confirmation Letter

Policy Management Agreement

In contemplation of the listing of the Company on the Stock Exchange in 2003, CLIC transferred its entire branch services network to the Company. In order to capitalize on the large customer base of CLIC, increase the utilization of the Company's customer service network and increase the Company's revenue sources, CLIC engaged the Company to provide policy administration services relating to the non-transferred policies.

The Company and CLIC entered into the Policy Management Agreement on December 24, 2005.

Scope of services

Pursuant to the Policy Management Agreement, the Company agrees to provide policy administration services to CLIC relating to the non-transferred policies, including day-to-day insurance administration services, customer services, statistics and file management, invoice and receipt management, reinstatement of non-transferred policies, applications for and renewal of riders to the non-transferred policies, reinsurance, and handling of disputes relating to the non-transferred policies. The Company acts as a service provider under the agreement and does not acquire any rights or assume any obligations as an insurer under the non-transferred policies.

Service fee

In consideration of the services provided by the Company under the Policy Management Agreement, CLIC will pay a service fee in cash to the Company on a semi-annual basis, based on the estimated cost to the Company of providing the services, to which a profit margin is added. The calculation method of the service fee equals to, for each semi-annual payment period, the sum of (1) the number of nontransferred policies in force as of the last day of the period, multiplied by RMB8.0; and (2) 2.50% of the actual premiums and deposits in respect of such policies collected during the period. For these purposes, the number of policies in force for group insurance policies is equal to the number of individuals covered by the policies (excluding those whose policies have lapsed or matured).

Term and termination

The Policy Management Agreement is for a term of three year effective from January 1, 2006 and expiring on December 31, 2008, and, subject to the Listing Rules, will be renewed for successive three year term, unless terminated by either party by giving to the

other party not less than 180 days prior written notice to terminate the agreement at the expiration of the then current term. The agreement may also be terminated by either party by giving to the other party not less than 90 days prior written notice to terminate the agreement at any time during its term. The Company is also permitted to terminate the agreement, upon giving 30 days prior written notice, if (1) CLIC fails to pay the service fee in accordance with the agreement in an aggregate amount of at least RMB100 million; or (2) it is unable to make timely payment of insurance benefits and claims, commissions and/or third-party costs in an aggregate amount of at least RMB300 million as a result of CLIC failing to transfer sufficient funds to an account controlled by the Company in accordance with the Policy Management Agreement.

The Confirmation Letter

The Company and CLIC entered into the Confirmation Letter on December 30, 2008, pursuant to which both parties confirmed the renewal of the Policy Management Agreement to December 31, 2011 in accordance with the automatic renewal provision in the Policy Management Agreement. All other terms and conditions of the Policy Management Agreement will remain the same.
