	Forward-Looking Statements

Certain statements in this report that discuss GWI's expectations are forward-looking statements within the meaning of the federal securities laws and are based upon GWI's current belief as to the outcome of future events. Forward-looking statements include statements regarding future events and the future performance of GWI that involve risks and uncertainties that could cause actual results to differ materially from its current expectations including, but not limited to, economic, political and industry conditions; customer demand, retention and contract continuation; legislative and regulatory developments; increased competition in relevant markets; funding needs and financing sources; susceptibility to various legal claims and lawsuits; strikes or work stoppages; severe weather conditions and other natural occurrences; and others. Words such as anticipates, intends, plans, believes, seeks, expects, estimates, variations of these words and similar expressions are intended to identify forward-looking statements. GWI refers you to the documents that it files from time to time with the Securities and Exchange Commission, such as GWI's Forms 10-Q and 10-K which contain additional important factors that could cause its actual results to differ from its current expectations and from the forward-looking statements contained in this report. Although GWI believes that the expectations reflected in such forward-looking statements are based upon reasonable assumptions, actual results could differ materially from those set forth in the forward-looking statements. GWI cautions investors and potential investors not to place undue reliance on such statements and disclaims any intention to update the current expectations or forward-looking statements contained in this filing.
