

NORTHWEST NATURAL GAS CO
 Form 424B2
 July 07, 2009

CALCULATION OF REGISTRATION FEE

| Title of Each Class of Securities to be Registered | Maximum | |
|----------------------------------------------------|--------------------------|--------------------------------|
| | Aggregate Offering Price | Amount of Registration Fee (1) |
| Debt Securities | \$50,000,000 | \$2,790 |

(1) Calculated in accordance with Rule 457(r) under the Securities Act of 1933, as amended (the Securities Act). The Registration Fee of \$2,790 is being entirely offset in reliance upon Rule 457(p) under the Securities Act against remaining registration fees previously paid in an aggregate amount of \$11,022 which were carried forward from Registration Statement No. 333-112604, which was initially filed with the Securities and Exchange Commission by the registrant on February 9, 2004 (Prior Fee Amount). The basis for the Prior Fee Amount is set forth in Footnote (1) of the Calculation of Registration Fee table on the cover of Registration Statement No. 333-148527. Taking into account the payment of the current registration fee, in addition to fees paid in connection with prior filings under Rule 424 associated with Registration Statement No. 333-148527, the registrant will have \$3,219 remaining available for future registration fees. In accordance with Rule 456(b) and 457(r) under the Securities Act, this Calculation of Registration Fee table shall be deemed to update the Calculation of Registration Fee table in Registration Statement No. 333-148527.
