Item 1.01 Entry into a Material Definitive Agreement.

On July 20, 2009, SBA Senior Finance, Inc. (SBASF), a wholly-owned subsidiary of SBA Communications Corporation (SBA), agreed to enter into an Amendment and Restatement (the Restated Credit Agreement) of the Credit Agreement (the Credit Agreement), dated as of January 18, 2008, among SBASF, the several banks and other financial institutions or entities from time to time parties thereto, Wachovia Bank, National Association and Lehman Commercial Paper, Inc., as Co-Syndication Agents, Citicorp North America, Inc. and JPMorgan Chase Bank, N.A., as Co-Documentation Agents, and Toronto Dominion (Texas) LLC, as administrative agent, as amended. SBASF expects that signature pages will be released from escrow and the Restated Credit Agreement will become effective shortly upon satisfaction of closing conditions set forth therein. Prior to such time, the original terms of the Credit Agreement, as amended, will remain in effect.

The Restated Credit Agreement mirrors the material terms of the Credit Agreement, except that the Restated Credit Agreement:

clarifies that the senior secured revolving credit facility (the Senior Credit Facility) will terminate on January 18, 2011;

confirms that upon the release of any of the borrowers under the mortgage loan underlying the CMBS Certificates, the released entities will become guarantors under the credit facility;

eliminates the ability of SBASF and its subsidiaries to enter into additional securitization arrangements;

amends the definition of Excluded Subsidiaries such that only subsidiaries of SBASF, rather than of SBA (other than SBA Telecommunications, Inc. (Telecommunications)), are required to guarantee SBASF s obligations under the credit facility;

modifies the provision relating to the limitation of asset sales and when the net proceeds of asset sales are required to be used to permanently reduce the credit facility commitments and repay outstanding revolving loans;

amends the definition of Consolidated Adjusted EBITDA to reflect recent changes in GAAP;

reduces the maximum financial ratio of Consolidated Total Debt to Annualized Adjusted EBITDA that SBASF must maintain to 5.0 times; and

expands the approved use of proceeds for borrowings under the credit facility to general corporate purposes, including distributions to Telecommunications.
