**PROSPECTUS SUMMARY**

This summary highlights certain information appearing elsewhere in this prospectus. For a more complete understanding of this offering, you should read the entire prospectus carefully, including the risk factors and the financial statements and other information incorporated by reference from our other filings with the SEC. Unless otherwise stated in this prospectus, references to HUGHES Telematics, registrant, we, us, or the Company refer to HUGHES Telematics, Inc., formerly known as Polaris Acquisition Corp. An investment in our shares of common stock involves risks. Therefore carefully consider the information incorporated by reference under Risk Factors.

**Business**

We were incorporated in Delaware on June 18, 2007 for the purpose of effecting a merger, stock exchange, asset acquisition, stock purchase, reorganization or other similar business combination with an operating business. We consummated the merger with HUGHES Telematics, Inc. on March 31, 2009, and the surviving company was renamed HUGHES Telematics, Inc.

We are an automotive telematics services company that currently provides and is developing a suite of real-time automotive services and applications. These services and applications will be enabled through a hardware component that is factory-installed in new vehicles through multi-year contractual arrangements with automakers. In other instances, these services will be available through software provided by us that interfaces with compatible third-party hardware already installed by our automaker partners in certain vehicle models or in aftermarket products installed by the vehicle owner. We have a contract to be the telematics service provider in the United States to Mercedes-Benz USA, LLC, or Mercedes-Benz, starting in the fourth quarter of 2009 and continue to market our telematics service to other automakers. Through Networkfleet, Inc., formerly known as Networkcar, Inc., our wholly-owned subsidiary, we currently offer remote vehicle monitoring and other data services through after-market hardware that is purchased separately and installed on existing fleet vehicles. Our in-Drive product provides services to consumers or other third parties through a hardware component that we have developed and which will be distributed through relationships with companies and organizations with large customer or membership bases for installation in existing vehicles.

Until recently, we also had a contract to be the telematics service provider in the United States for Chrysler LLC, now known as Old Carco LLC ( Old Chrysler ). On April 30, 2009, Old Chrysler filed for bankruptcy protection under Chapter 11 of the United States bankruptcy code. On June 10, 2009, substantially all of Old Chrysler's assets were sold to Chrysler Group LLC ( New Chrysler ) whose owners include Italian automaker Fiat SpA, the United Auto Workers union and the United States government. At a hearing held on July 16, 2009, Old Chrysler rejected certain contracts, including our telematics services contract with Old Chrysler, and therefore, our contract was terminated. We had been in negotiations with New Chrysler concerning a new telematics services agreement. However, the parties recently reached an impasse in the negotiations and, as a result, we discontinued working with New Chrysler to deploy our hardware and launch our services in the fourth quarter of 2009 as previously planned.

Our principal executive office is located at 41 Perimeter Center East, Suite 400, Atlanta, Georgia 30346, and our telephone number is (770) 391-6400.

**RISK FACTORS**

A discussion of the risk factors relating to an investment in us and risks related to our business are included in Exhibit 99.1 to the registration statement of which this prospectus forms a part, which is incorporated herein by reference.

You should also carefully consider all of the material risks relating to the warrants described in the section entitled **Risk Factors** in the definitive proxy statement that we filed with the SEC on February 12, 2009, together with all of the other information included or incorporated by reference in this prospectus, before making a decision to exercise your warrants.

**USE OF PROCEEDS**

We will receive gross proceeds of up to approximately \$97.3 million upon the exercise of the warrants. We will be required to use 25% of the net cash proceeds for the repayment of senior secured term indebtedness under our credit facility. We will use the remainder of the proceeds for working capital, operating expenses and other general corporate purposes. There is no assurance that the holders of the warrants will elect to exercise any or all of the warrants.

As of March 31, 2009, we had outstanding senior secured term indebtedness under the credit facility with an aggregate principal balance (including accrued interest which has been paid in kind) of \$67.6 million. The proceeds from the incurrence of indebtedness under the credit facility were used for general corporate purposes and to pay fees and expenses related to the credit facility transaction. The senior secured term indebtedness bears interest, at our election, at (i) the Prime Lending Rate plus 10.00% or (ii) for Eurocurrency borrowings, 11.00% plus the greater of LIBOR or 3.00%. In accordance with an agreement between us and one of the senior secured note holders, the interest rate on term indebtedness with a principal amount of \$5.3 million (including accrued interest which has been paid in kind) will have an interest rate of no higher than 14.00% for the term of the debt. As of March 31, 2009, we had elected that all outstanding amounts of the term indebtedness consist of Prime Lending borrowings which resulted in the term indebtedness bearing an interest rate of 13.25%.

**DETERMINATION OF OFFERING PRICE**

The offering price of the shares of common stock offered hereby is determined by reference to the exercise price of the warrants issued in our initial public offering. The exercise price of the warrants covering 13,905,380 shares of common stock is \$7.00 per share.

**PLAN OF DISTRIBUTION**

Pursuant to the terms of the warrants, the shares of common stock will be distributed to those warrant holders who surrender the certificates representing the warrants and provide payment of the exercise price through their brokers to our warrant agent, Continental Stock Transfer & Trust Company.

**EXPERTS**

The financial statements as of December 31, 2008 and 2007 and for each of the two years ended December 31, 2008 and for the period from January 9, 2006 (Inception) to December 31, 2006 included in this Prospectus have been so included in reliance on the report of PricewaterhouseCoopers LLP, an independent registered public accounting firm, given on the authority of said firm as experts in auditing and accounting.

**Item 15. Indemnification of Directors and Officers.**

The Company's amended and restated certificate of incorporation, referred to herein as the certificate of incorporation, provides that a director of the Company shall not be personally liable to the Company or its stockholders for monetary damages for breach of fiduciary duty as a director, except for liability (i) for any breach of the director's duty of loyalty to the Corporation or its stockholders, (ii) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law, (iii) under Section 174 of the Delaware General Corporation Law (the DGCL), or (iv) for any transaction from which the director derived an improper personal benefit. If the DGCL is amended to authorize corporate action further eliminating or limiting the personal liability of directors, then the liability of a director of the Company will be eliminated or limited to the fullest extent permitted by the DGCL, as so amended. The Company's amended and restated by-laws, referred to herein as the by-laws, provide for the same indemnification for directors and officers of the Company.

The Company's amended and restated certificate of incorporation also provides that all directors, officers, employees and agents of the Company shall be entitled to be indemnified by the Company to the fullest extent permitted by Section 145 of the DGCL. Section 145 of the DGCL provides that a corporation has the power to indemnify a director, officer, employee or agent of the corporation and certain other persons serving at the request of the corporation in related capacities against amounts paid and expenses incurred in connection with an action or proceeding to which he or she is a party or is threatened to be made a party by reason of such position, if such person shall have acted in good faith and in a manner he or she reasonably believed to be in or not opposed to the best interests of the corporation, and, in any criminal proceeding, if such person had no reasonable cause to believe his or her conduct was unlawful; provided that, in the case of actions brought by or in the right of the corporation, no indemnification shall be made with respect to any matter as to which such person shall have been adjudged to be liable to the corporation unless and only to the extent that the adjudicating court determines that such indemnification is proper under the circumstances.

The Company's by-laws provide that the Company will indemnify any of its directors and officers who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative, other than an action by or in the right of the Company, referred to herein as a Third Party Proceeding, by reason of the fact that he or she was or is a director or officer, employee or agent of the Company, acting solely in such capacity, or a person serving at the Company's request as a director, officer, partner, trustee, employee or agent of another corporation, partnership, joint venture, trust, committee or other enterprise, each referred to herein as an Authorized Representative, against his or her expenses and liabilities (including attorneys' fees), actually and reasonably incurred by him or her in connection with the Third Party Proceeding if he or she acted in good faith and in a manner reasonably believed by him or her to be in, or not opposed to, the Company's best interests and, with respect to any Third Party Proceeding involving potential criminal liability, referred to herein as a Criminal Third Party Proceeding, had no reasonable cause to believe that his or her conduct was unlawful. The termination of any Third Party Proceeding by judgment, order, settlement, conviction or upon a plea of nolo contendere, or its equivalent, will not, of itself, create a presumption that the person did not act in good faith and in a manner which he or she reasonably believed to be in, or not opposed to, the Company's best interests or, with respect to any Criminal Third Party Proceeding, had reasonable cause to believe that his or her conduct was unlawful.

## Edgar Filing: HUGHES Telematics, Inc. - Form POS AM

The Company's by-laws provide that the Company will indemnify any of its directors or officers who was or is a party or is threatened to be made a party to any threatened, pending or completed action or suit by the Company to produce a judgment in favor of the Company's shareholders, or any threatened, pending or completed action or suit in the right of the Company by the

Company's stockholders to procure a judgment in the Company's favor, referred to herein as a Derivative Action, by reason of the fact that the director or officer was or is an Authorized Representative of the Company, against his or her expenses (including attorneys' fees) actually and reasonably incurred by the director or officer in the action if he or she acted in good faith and in a manner reasonably believed by him or her to be in, or not opposed to, the Company's best interests; except that no indemnification will be made in respect of any claim, issue or matter as to which he or she has been adjudged to be liable for negligence or misconduct in the performance of his or her duty to the Company unless and only to the extent that the court of common pleas, or other similarly constituted state court, located in the county where the Company's registered office is located or the court in which such Derivative Action is or was pending, determines upon application that, despite the adjudication of liability but in view of all circumstances of the case, he or she is fairly and reasonably entitled to indemnification for expenses which the court deems proper.

An Authorized Representative of the Company (other than a director or officer of the Company) may be indemnified by the Company or have his or her expenses advanced in accordance with the procedures described below. To the extent that an Authorized Representative of the Company has been successful on the merits or otherwise in defense of any Third Party Proceeding or Derivative Action or in defense of any claim, issue or matter therein, the Authorized Representative will be indemnified against expenses (including attorneys' fees) actually and reasonably incurred by him or her in connection therewith.

Indemnification under the provisions of the Company's by-laws described above (unless ordered by a court) will be made by the Company only as authorized in the specific case upon a determination that the indemnification of the Authorized Representative is required or proper in the circumstances because he or she has met the applicable standard of conduct set forth above or has been successful on the merits or as otherwise in defense of any Third Party Proceeding or Derivative Action and that the amount requested has been actually and reasonably incurred. Such determination shall be made:

- (a) by the Company's board of directors or a committee thereof, acting by a majority vote of a quorum consisting of the Company's directors who are not parties to a Third Party Proceeding or Derivative Action, referred to herein as Disinterested Directors; or
- (b) if a quorum is not obtainable or, even if obtainable, a majority vote of a quorum of Disinterested Directors so directs, by independent legal counsel in a written opinion; or
- (c) by the Company's stockholders.

The Company's certificate of incorporation and by-laws provide that expenses incurred in defending a Third Party Proceeding or Derivative Action will be paid on behalf of a director or officer, and may be paid on behalf of any other Authorized Representative under the by-laws, by the Company in advance of the final disposition of the action as authorized in the manner provided above upon receipt of an undertaking by or on behalf of such director or officer to repay such amount if it shall ultimately be determined that he is not entitled to be indemnified by the Company as authorized by the Company's certificate of incorporation or by-laws. The financial ability of any Authorized Representative to make repayment will not be a prerequisite to making of an advance. Such expenses incurred by other employees and agents may be paid upon such terms and conditions, if any, as the Company's board of directors deems appropriate.

The certificate of incorporation provides that expenses (including attorneys' fees) incurred by an officer or director in defending any civil, criminal, administrative, or investigative action, suit or proceeding for which such officer or director may be entitled to indemnification hereunder shall be paid by the Company in advance of the final disposition of such action, suit or proceeding upon receipt of an undertaking by or on behalf of such director or officer to repay such amount if it shall ultimately be determined that he is not entitled to be indemnified by the Company as authorized by the certificate of incorporation.

The indemnification provided by the Company's by-laws is not deemed to be exclusive of any other right to which a person seeking indemnification or advancement of expenses may be entitled under any by-law, agreement, vote of stockholders or Disinterested Directors, or otherwise, both as to action taken in another capacity while holding his or her office or position, and will continue as to a person who has ceased to be an Authorized Representative of the Company and will inure to the benefit of his or her heirs and personal representatives.

The Company's by-laws provide the Company may purchase and maintain insurance on behalf of any person who is or was an Authorized Representative against any expenses and liabilities asserted against him or her and incurred by him or her in any such capacity, whether or not the Company would have the power to indemnify him or her against such expenses and liabilities under the provisions of the Company's by-laws.

The Board of Directors of the Company is expected to approve a form of Indemnification Agreement (the Indemnification Agreement) to be entered into between the Company and its directors and officers. The Company may from time to time enter into additional indemnification

agreements with future directors and officers of the Company or other key personnel.

**Table of Contents**

Each of the Indemnification Agreements is expected to provide, among other things, that the Company will, to the extent permitted by applicable law, indemnify and hold harmless each indemnitee if, by reason of such indemnitee's status as a director or officer of the Company, such indemnitee was, is or is threatened to be made a party or a participant (as a witness or otherwise) in any threatened, pending or completed proceeding, whether of a civil, criminal, administrative or investigative nature, against all losses, judgments, fines, penalties and amounts paid in settlement (if such settlement is approved in writing in advance by the Company) and incurred by such indemnitee in connection with such proceeding. In addition, each of the Indemnification Agreements is expected to provide for the advancement of expenses incurred by the indemnitee in connection with any proceeding covered by the agreement, subject to certain exceptions. None of the Indemnification Agreements is expected to preclude any other rights to indemnification or advancement of expenses to which the indemnitee may be entitled, including but not limited to, any rights arising under the Company's governance documents, or any other agreement, any vote of the stockholders of the Company or any applicable law.

**Item 17. Undertakings.**

(a) The undersigned registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

i. To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;

ii. To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than 20 percent change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective registration statement; and

iii. To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

*provided, however*, that paragraphs (a)(1)(i) and (a)(1)(ii) do not apply if the registration statement is on Form S-3, Form S-8 or Form F-3, and the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the Commission by the registrant pursuant to Section 13 or 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the Registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.
